3.2 Leaves of Absence: Sick leave

Certificated employees who work half time or more per week shall be granted sick leave and other leaves in accordance with State law. Sick leave for certificated employees shall be calculated by the day, or percentage thereof, as defined in District Policy 5400. The District, may in its discretion, require proof of illness when deemed appropriate, including but not limited to abuse of sick leave or false claims of illness. Monetary compensation shall not be provided for unused sick leave by the District. "Sick leave" means a leave of absence, with pay, for a sickness suffered by an employee or his or her immediate family. "Immediate family" for purposes of sick leave shall mean the employee's spouse and children residing in the employee's household. ("Immediate family" shall mean the employee's mother, father, grandmother, grandfather or grandchild, or the spouse, son, son-in-law, daughter, daughter-in-law, mother-in-law, father-in-law, sibling or any person living in the immediate family. Current language plus change to agree with Bereavement leave) Nothing in this policy guarantees approval of the granting of such leave in any instance. Each request will be judged by the District in accordance with this policy and the needs of the District. It is understood that seniority shall accumulate while a teacher or employee is utilizing accumulated sick leave credits. Seniority will not accumulate unless an employee is in a paid status. Abuse of sick leave is cause for discipline up to and including termination. Each eligible classified employee shall be entitled to the following amount of sick leave with full pay, with unlimited accumulation as long as the employee remains continuously in the service of the school district. For purposes of retirement, administration of Idaho Code 33-1217 will be applicable.

Each full-time certificated employee shall receive twelve (12) days of sick leave per school year with unlimited accumulation. Sick leave for certificated employees shall be

calculated by the day, or percentage thereof, as defined in his/her individual employment contract.

After one week of absence, the District, may in its discretion, require proof of illness when deemed appropriate, including but not limited to abuse of sick leave or false claims of illness. The District will provide a statement on each check stub showing the number of sick leave days each employee has currently accumulated. Compensation shall not be provided for unused sick leave.

Accrual of Unused Sick Leave

Employees may accrue unused sick leave. Upon retirement, an employee's accumulated unused sick leave must be reported by the District to the public employee retirement system.

Bereavement Leave

An employee who has a death in the immediate family shall be eligible for bereavement leave. Immediate family is defined as spouse of the employee, son, daughter, father, mother, brother, sister, grandfather, grandmother, grandchild, son-in-law, daughter-in-law, parent-in-law, or any person living in the immediate household of the employee. The Superintendent shall have the authority to give bereavement leave for up to five (5) days per occurrence, of which two (2) days per year shall be granted for death outside the employee's immediate family. Additional days may be granted by the Superintendent.

Personal Leave

Paid Personal leave shall be granted for any reason deemed necessary by the employee at the rate of two (2) days per year. After ten (10) years with Joint School District No. 171, personal leave will be increased to three (3) days. After fifteen (15) years with Joint School District No. 171, personal leave will be increased to four (4) days. If personal leave is not taken, the district will allow the accumulation of up to four (4) days.

No Personal Leave will be granted immediately before or after regular vacations or on Staff Development Days as listed on the school calendar unless approved by the Superintendent. No leave will be granted during the first two weeks or the last two weeks of the scheduled school term unless approved by the Superintendent.

Personal leave days may be taken as full or half days at the discretion of the employee, provided that no more than 10% but no less than one employee, of the employees in any one building may take personal leave at the same time, with the exception of Peck Elementary School and Cavendish-Teakean Elementary School.

The teacher must notify the principal or supervisor at least two (2) days in advance, except in cases of emergency.

The District will pay the cost of the substitute for the days of personal leave, provided the days are used.

Professional Leave for Certified Staff

Release time with pay may be granted for the purpose of attending educational conferences, workshops, seminars, association business or other professional improvement sessions. Requests for professional leave must be turned into the building administrator at least two (2) days prior to the employee being gone. Professional leave must have prior written approval of the Superintendent.

Military Leave

All District employees, other than those who are employed on a temporary basis, are entitled to military leave of absence when ordered to active duty for training as members of the Idaho National Guard or any component of the U.S. Armed Forces. Employees who volunteer, are drafted, or are ordered to “extended active duty” with any component of the U.S. Armed Forces shall be entitled to reinstatement to their former positions or comparable positions if the right is exercised in a timely manner as noted below.

Notice to District

All employees should provide either written or oral notice of upcoming military training to the District as soon as reasonably practical. The employee or an appropriate officer of the branch of military in which the employee will serve may provide the notice. Employees who are ordered for such duty shall provide one copy of their orders to the Superintendent. Notice shall include date of departure and date of return for purposes of military training ninety (90) days prior to the date of departure.

Military Leave for Training or Short Term Duty

Employees who are required to attend annual training or special active duty for training shall not suffer any loss of salary, seniority or efficiency rating during the first fifteen (15) days of such absence in any calendar year. Leave will be without loss of benefits.

Completion of Military Training

Upon completion of military training, employee shall give evidence of the satisfactory completion of such training immediately thereafter. Employee shall be restored to his or her previous or similar position with the same status, pay, vacation leave, sick leave, bonus, advancement, and seniority. Such seniority shall continue to accrue during such period of absence.

Benefits for Uniformed Service Personnel on Active Duty

Salary

For any period of active duty up to three (3) months, the employee shall be entitled to receive from the District salary or wages equal to the difference between the employee's military pay and the employee's District salary, provided the employee's military pay does not exceed his or her District salary or wages. The employee must provide the District with all documentation necessary to permit the aforementioned computation. For periods beyond three (3) months, the Board will review and consider approval for any further extensions. Employees who do not request District pay or who fail to provide the documentation required in this policy shall not be entitled to receive any District salary or wages as set forth in this policy.

Pension and Retirement Plans

Pension and retirement plans are considered a benefit to which reinstated employees are entitled. Any normal contributions will continue to be made for service members who are absent for 90 days or less. If the employee has been absent for military service for 91 days or more, the District may elect to delay making retroactive pension contributions until the employee submits satisfactory reemployment documentation.

Medical Insurance

Health benefits will be offered to the extent they are available to other employees on leave. An employee performing military service for 30 days or less is not required to pay more than the normal employee share of any health premium. If the employee's military service is for 31 days to three (3) months, the health plan will offer continuous coverage. An employee on military leave may elect to continue healthcare coverage through the District for up to three (3) months after the military leave begins or for the period of military service, whichever is shorter. The District's obligation to provide health benefits ends once an employee's military leave exceeds three (3) months. When the employee is reinstated, a waiting period or exclusion cannot be imposed if health coverage would have been provided to the employee had he or she not been absent for military service.

Reporting to District Once Military Leave is Complete

The standard military service length and reporting times are:

* *1 to 30 days of military service:* employee reports to the District by the beginning of the first scheduled work day that falls eight hours after the end of the last calendar day of military service.

* *31 to 180 days of military service:* employee must submit an application for reemployment no later than 14 days after completion of service in the armed forces. If the 14th day falls on a day when the District's offices are not open or available to accept a reemployment application, the time extends to the next business day.

* *181 days or more of military service:* employee must submit an application for reemployment no later than 90 days after completion of military service. If the 90th day falls on a day when the employee's offices are not open or available to accept a reemployment application, the time extends to the next business day.

* *Cases of disability:* employees who are hospitalized or recovering from a disability that was incurred or aggravated during the period of military service leave have up to two years to submit an application for reemployment.

There is an exception to these guidelines for those employees who, through no fault of their own, find themselves in a situation that makes it impossible or unreasonable to meet the required timetables. In those cases the employee must return to work as soon as possible.

Disqualification from Returning to Work

There are four conditions that disqualify an employee from exercising his or her right to reemployment after military service:

- 1) A dishonorable or bad conduct discharge
- 2) Separation from the service under "other than honorable conditions"
- 3) A commissioned officer's dismissal via court martial or by order of the President
- 4) When a service member has been dropped from the rolls for being absent without authority or for civilian imprisonment

Reinstatement to Positions after Extended Duty

Employees who volunteer, are drafted, or called to active duty for extended periods will be placed on

“Military Leave of Absence” upon written application and be entitled to reinstatement to their former or similar positions upon their return and under the following conditions:

- 1) They must not have remained on active duty beyond their first opportunity for honorable or general release.
- 2) They must report to claim reinstatement within fourteen (14) days after completion of service; or one (1) day in the case of individuals who undergo only thirty (30) days active training or less.

After an employee has been absent for 31 days or more of military service, the District may ask the employee or the employee’s military unit for documentation showing that:

- 1) The employee submitted a timely application for reemployment;
- 2) The employee’s length of military service has not exceeded the five-year limitation; and
- 3) The employee’s separation from the military service meets the requirement for reemployment.

As a general rule, employees returning from military service must be reemployed in the job that they previously held, or would have attained had they not been absent for military service. If the employee was disabled while on military duty, or a disability is aggravated by military service, the District will make reasonable efforts to accommodate the disability.

3.3 Sick Leave Bank

Each employee of Joint District No. 171 who receives sick leave benefit may participate in a sick leave bank. To participate, each employee must contribute five (5) sick leave days to the bank. The employee may donate all five (5) days the first year, or may donate two (2) days the first year, two (2) days the second year, and one (1) day the third year. Sick leave days thus contributed shall be deducted from the individual’s annual sick leave entitlement. The contributed sick leave days shall form a fund of five hundred fifty (550) sick leave days in the Certified Sick Leave Bank and a fund of three hundred (300) sick leave days in the Classified Sick Leave Bank. Sick leave bank days will be available to all eligible participating employees upon recommendation of the respective sick leave bank committee for the purpose of alleviating the hardship caused by absence from work necessitated by extended or recurring personal illness or personal injury extending beyond the employee’s accumulated sick leave. The employee will also acknowledge that once these days are contributed, they cannot be retrieved upon resignation from Joint District No. 171 or upon quitting the sick leave bank. An employee is considered in good standing as the days are donated according to the stated guidelines and may draw from the bank if guidelines are met. Any employee who does not join within the first

five(5) years of employment forgoes coverage for any pre-existing medical condition. If any person voluntarily leaves the district and then is subsequently rehired, those individual(s) must re-contribute five (5) days to be in good standing with the sick leave bank.

The Certified Sick Leave Bank Committee shall consist of five (5) voting members. The voting members will consist of four contributing certified staff, at least two (2) of whom are CEA members, and one (1) administrator.

The Classified Sick Leave Bank Committee shall consist of five (5) voting members. The voting members will consist of four contributing classified staff, and one (1) administrator.

Each committee shall elect a chairperson each spring to be in charge of committee business. The committee has the responsibility to see that the respective sick leave bank stays solvent. This determination needs to be made in the spring of the school year for the succeeding school year. Additional days may be requested of members to maintain solvency of the bank. If a member chooses not to contribute additional days they will no longer be eligible to participate in the sick leave bank.

Application for use of the bank shall be submitted to the employees direct supervisor and forwarded directly to District Office Human Resources. The Human Resources officer will coordinate and schedule the committee meeting.

In order for the employee to be eligible to apply for sick leave benefits from a sick leave bank, the employee must first: (1) be a contributor to the bank and (2) have been absent from work due to personal disability and (3) used all of his/her accumulated sick leave days and personal days. A person shall be ineligible to join the sick leave bank for coverage of a serious illness or in occurrence of a serious injury if joining after his/her initial opportunity. This illness or injury will not be covered; however, coverage for a non-existing illness or injury that may occur at a later date could be covered. If the employee claims workmen's compensation, he/she shall be eligible for sick leave bank grants only to make up the difference between workmen's compensation and the employee's regular salary. The number of sick leave days granted shall not exceed the number of days absent from work due to illness or accident. Must have the following: Doctor's note stating projected number of days away from work; signed HIPPA release form.

Bank grants to individual employees shall not be carried over from one contract year to another and all such grants shall end at the termination of the contract year. In no case shall a certified employee be granted more than one-half (1/2) of the current contract/term year from the Sick Leave Bank for all illness or disabilities. If an employee

does not use all of the days granted by the Bank, the unused sick leave days shall be returned to the Bank.

The committee shall develop and distribute rules and procedures for orderly administration of the bank not inconsistent with this policy. The committee shall report all days granted by the bank to the District Office and to the sick leave bank recipient and will maintain records of such grants.

Sick leave forms will be given to new employees at orientation or time of hiring. The new employee hired at the beginning of the school term shall return his/her enrollment or rejection of the respective sick leave bank to the District Office by September 15th of each year. A late-hired employee shall have until the fifteenth (15th) day of the month following hire to return his/her form.
