

Thank you very much for supporting our 2025 New York Mills After-Prom Party!

Our chemical-free party was attended by 95 New York Mills students and their guests.

Here are what some of the youth who attended the Party wanted to say to the businesses like yours who made it possible with their donations!! Please remember your donations are tax deductible. Your donation helped to make our party a great success!

[Handwritten signatures and names in various colors (red, purple, black) surrounding the central text:]
