**Statement of Intent—For the UAEC Applicant**

I understand that admission to the UAEC program is competitive and limited to approximately 40 qualified students in Grade 10. I also understand that continuation in the UAEC program depends upon successful completion of the preliminary course sequence and is not automatic. I further understand that while in the program, I must maintain a 2.8 + GPA in UAEC classes. I understand if I fail a UAEC course, I will have to pay back the cost of the course, approximately \$692 per course, to Murphy High School and will be removed from the program. **I also understand that students must cover their own cost of all class fees, program software, and textbooks.**

To be eligible for consideration, I understand I must have the following:

- Minimum of 3.0 unweighted GPA.
- Excellent attendance and discipline records.
- Excellent teacher recommendations.
- Rigorous course completion prior to the 11<sup>th</sup> grade (Pre-IB courses, DE, AP, lastly Honors).
