## Message from the President

As the year comes to an end, I want to thank the teachers, the administration, and parents for supporting the VHSA. We all have one thing in common, and that is to raise our kids into good people. We do that as a community by pouring love into their lives, by creating magic moments and memories that last a lifetime. Thank you to all who volunteered their time at school dances and events. Your involvement makes such a difference to the people who matter most... Our kids! Have a joyful and relaxing summer!
