What is Title 1?

Indian Creek Elementary is identified as a Title 1 school as part of the Every Student Succeeds Act (ESSA). Title 1 is designed to support State and local school reform efforts tied to the challenging state academic standards to improve teaching and learning for students. Title 1 programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title 1 schools must jointly develop with all parents and family members a written parent and family engagement policy.

Revised 6/1/2022

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Indian Creek Elementary will provide opportunities to improve parent engagement to support student learning. Indian Creek Elementary values the contributions and involvement of parents to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Indian Creek Elementary will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home. The plan will be provided in English and Spanish.

How is it revised?

Indian Creek Elementary School invited all parents to attend several meetings in the winter and spring months to review and revise this parental involvement policy, as well as the schoolwide plan, our school-parent compact and the parental involvement budget. Parents completed a budget survey to provide input into how the 1% would be spent. The plan is posted on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual Parent Needs Survey online to ask parents for their input on revisions for the plan and the use of funds for parental involvement.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. Indian Creek Elementary will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available?

At the beginning of the year, the plan is posted on the school Web site and Facebook. In addition, copies of the plan are emailed through PeachJar. Additional copies are available at the Annual Title 1 Meeting, in the Parent Resource Center, and at Indian Creek Elementary School's front office.

Reservation of Funds

The Coffee County School District will reserve 1 percent from the total amount of Title I funds it receives in FY22 to carry out the parent and family engagement requirements listed in this policy and as described in Section 1116 of the ESSA. Furthermore, the Coffee County School District will distribute 90 percent of the amount reserved to Title I schools to support their local-level family engagement programs and activities. The district will provide clear guidance and communication to assist each Title I school in developing an adequate family engagement budget that addresses their needs assessment and parent recommendations.

Each Title I school will host an annual School Improvement Forum in May for parents to provide suggestions how these family engagement funds will be used in the upcoming year at the district and school-level. Comment cards and minutes from these meetings will be reviewed by the district to determine areas of need for the upcoming school year and consider changes to the family engagement budget..

2022-2023 District Goals

- During the 2022-2023 school year, Coffee County Schools will increase the percentage of students scoring at or above the Developing level on all English/Language Arts End of Grade/End of Course assessments.
- During the 2022-2023 school year, Coffee County Schools will increase the percentage of students scoring at or above the Developing level on all Mathematics End of Grade/End of Course assessments.

2022-2023 School Goals

- Increase the number of students scoring Level 3-4 on GMAS in ELA, Math, and Science by 5% using the Spring 2022 Milestones scores as a baseline.
- Increase the overall performance of subgroups by 5% on GMAS using Spring 2022 GMAS data as a baseline, (Economically Disadvantaged, English Learners, Students with Disabilities, Black, Hispanic, and Mixed Races.)
- Increase the number of students reading on grade level or above measured by the Lexiles on Star Reading Assessment.

School-Parent Compacts

As part of this plan, Indian Creek Elementary and our families developed a school-parent compact, which is an agreement that parents, teachers, and students will develop explaining how parents and teachers will work together to make sure all our students reach grade level standards. The compacts are reviewed and updated annually based on feedback from parents, students, and teachers during spring revision meetings. Indian Creek will use these compacts throughout the year as an agreement to work as a team and strive for excellence in the education of our students. Copies are provided to each parent and are available on the school website, Facebook, and through PeachJar.

Parent and Family Engagement

Indian Creek Elementary believes that family engagement means the participation of parents and family members in regular two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- That parents play an integral role in assisting their child's learning.
- That parents are encouraged to be actively involved in their child's education at school.
- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

Indian Creek Elementary is committed to helping our parents attend the parental activities listed in this policy. Please call or email us if you need assistance with childcare or transportation in order to participate in our programs.

Indian Creek is a “Flight Above”!

Indian Creek Elementary will take the following measures to promote and support parents and family members as an important foundation of the school in order to strengthen the school and reach our school goals.

We will:

- ⇒ Ensure all information related to school and parent programs, meetings, and other activities is published in both English and Spanish, posted on the school website, and included in the monthly school newsletter for all families.
- ⇒ Provide trainings for staff on strategies to improve communication with parents and ideas to increase family engagement. Staff will also share best practices during faculty meetings.
- ⇒ Partner with early childhood programs, middle and high schools, and college and career ready resources or organizations, parent resource centers, or other programs (as applicable) to help prepare parents and their children for successful school transitioning.
- ⇒ Share information in English and Spanish on the school website, Facebook, Peachjar, and the newsletter/calendar for parents to understand the school's academic standards and assessments as well as the ways parents can monitor their child's progress and work with educators.
- ⇒ Communicate with all families and the community on a regular basis regarding school-wide events and activities, through phone messages, social media, and flyers.
- ⇒ Work with our parents to develop relevant trainings and helpful presentations to educate our staff on the importance of parent and family engagement and how to support student learning.
- ⇒ Provide necessary materials and handouts for parents at conferences, meetings, and activities to help parents work with their child to improve their child's achievement.
- ⇒ Offer opportunities for parents to further enhance technology skills.
- ⇒ Collect feedback from parents and family members at all events, by placing input cards around the building for parents to make requests for additional support for parent and family engagement activities.

Parent and Family Engagement Standards

Indian Creek Elementary and our parents have adopted the National PTA Standards for Family-School Partnerships as the school's model in engaging parents, students, and the community. These standards are:

Welcoming All Families
Communicating Effectively
Supporting Student Success
Speaking Up for Every Child
Sharing Power
Collaborating with Community

How to Volunteer

We would love to have you volunteer! Please complete the box in the upper right hand corner of this page and return to school!

Indian Creek Elementary invites all parents to share ideas and ways to involve other parents to build partnerships with school, families, and the community. In addition, Indian Creek Elementary has a Parent Advisory Council (PAC) that meets monthly to discuss ways to make ICE a great place to be! We would love to encourage you to also take an active role and be a member of PTO! There are so many ways YOU as a parent can be involved!

Building Staff Capacity

We will provide professional leaning sessions, in addition to sharing articles/videos with teachers, in how to reach out to, communicate with, and work with parents as equal partners. We will also try to help teachers understand the value and importance of parents' contributions. It is our goal to provide opportunities for teachers to build ties between home and school. We will provide teachers with resources so that all communication can be translated into a language the parents can understand. We will plan family engagement activities based upon the needs and requests of parents and students.
