Most Wondrous Worketh!

Kudos to the Montana Shakespeare in the School group who came to us from Bozeman on Monday to present *As You Like It* and two workshops. The play was well-received, and the after-sessions were fun and informative.

Kudos to our students too! The actors commended on how engaged and fun our kids were and said we are a school to remember. They appreciated our participation and our enthusiasm.

Looking forward to seeing what they do with the elementary in the spring!
