

BUGS & BLOOMS

Gardening Program

for kids and their grown ups

LEARN ALONGSIDE YOUR CHILD IN OUR ORGANIC VEGETABLE,
FLOWER, AND SENSORY GARDENS!

Spring Saturdays
10:00 am to 11:30 pm

Fairview Farm Wildlife
Preserve, Bedminster

For Children ages 3 to 10, and
their grown ups!

At Bugs and Blooms, our naturalists will guide children and their grown ups through fun, hands on learning in our organic vegetable and flower gardens! Connect with other local families, learn valuable lessons about plants, the ecosystem and organic gardening, all while your child gains skills in social development, fine motor skills, sensory and language.

Full schedule and registration at

www.naturedays.org

Registration is open for March through June
