Whirling, spinning, the dizzy world
Never taking time to stop,
Even for a moment, a decade, a century
Making itself drunk like a child
Playing all alone in a big field,
Out of all the eons, you'd think
It could stop just once, to get a
Drink of water, or brush its hair.
But no, on it goes.
Towards what?
Another day, another change,
Another world, that is tomorrow.

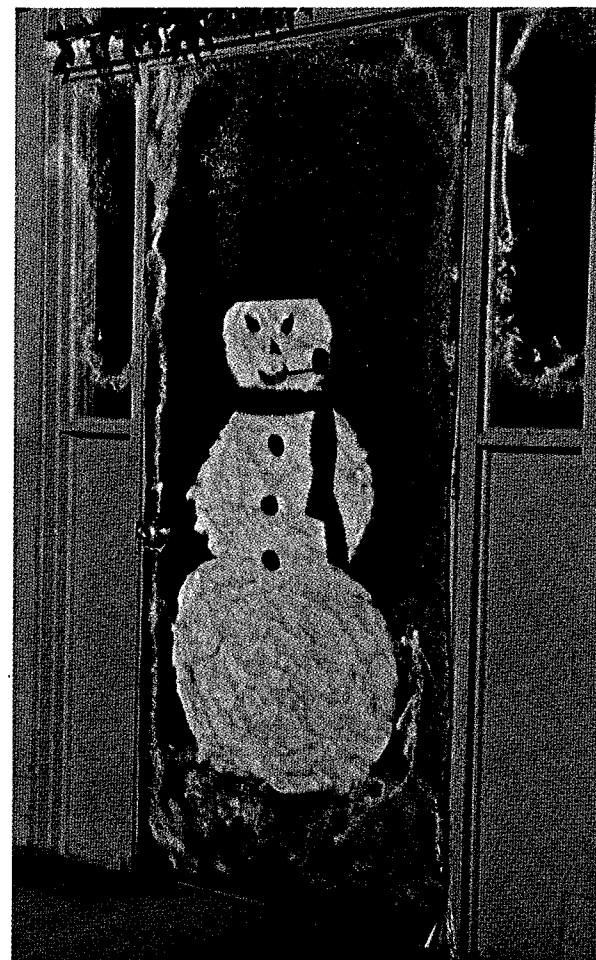

Victory, loss, I fight the good fight.
Straining and striving and sweating to win,
Waiting, deciding, alone on a green field.
Reaching, the ball on the tips of my fingers.
Screaming, praying, leading, hoping,
Stretching ahead, the extra mile
Challenging me to spend myself
For the cause of victory.

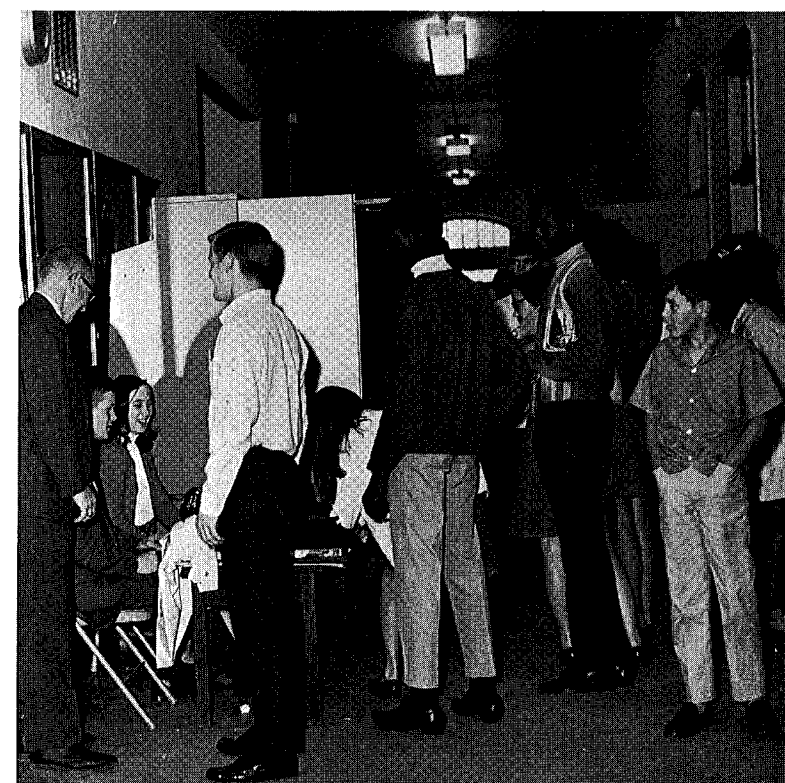

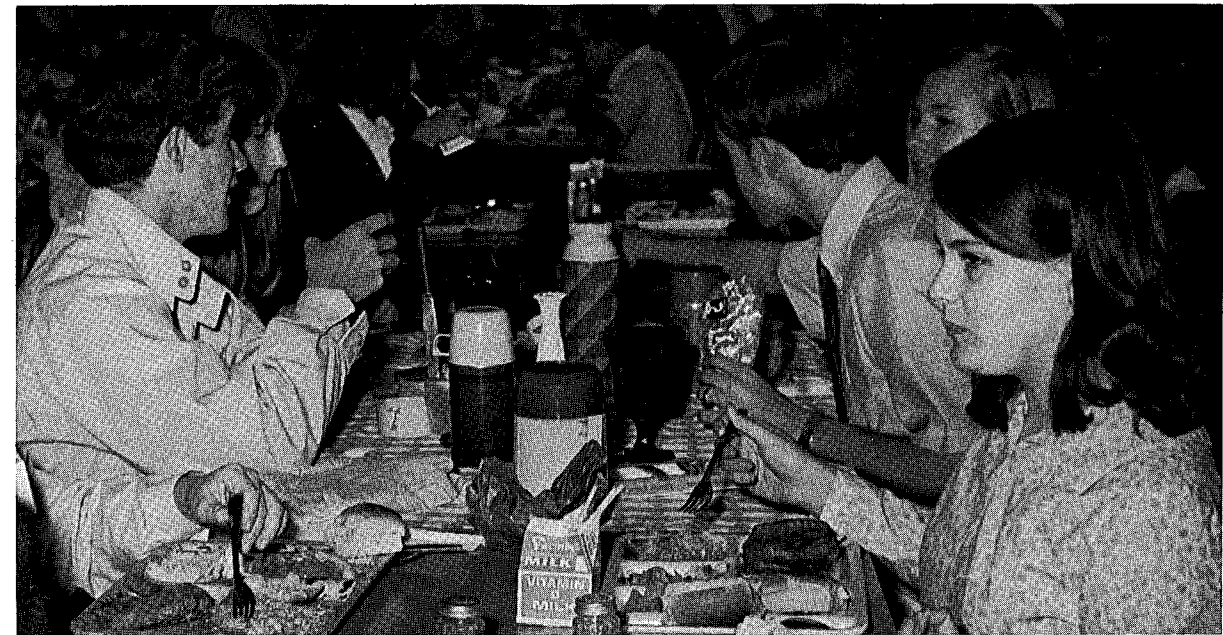

Sharing one another, giving each to other.
Living each the old, old birthday,
Celebration of Love's birthday,
Birthing love in ev'ry heart's womb,
Through the centuries, song sings upward,
Rising, swelling, lifting hearts to
Meet the angels ageless anthem.

ADMINISTRATION

The job of the school administrator holds more responsibility than any other position in the high school unit. One quality necessary in good administrators is the strength to make and enforce decisions for the good of the entire school. An even more important quality is the courage to stick by those decisions. With the merger of two schools this year, our officials accepted the challenge, making it possible for students to continue studies.

Working with students both in groups and in private conferences is the major concern of the school guidance counselor. Interested in the educational, vocational, and social aspects of school life, the counselor organizes testing programs, guides class scheduling, and offers assistance with emotional or adjustment problems. Always ready to help in finding a reference or to suggest a good book for pleasure, our librarians, with the library council, provide an atmosphere of quiet for research, study, and relaxation.

HOME AND OFFICE SKILLS

Typing, shorthand, and bookkeeping provide useful skills while studies in consumer economics, business law (new courses), general business, and vocational office education instruct students in office and business procedures. The business of the home economics department, on the other hand, centers around home-making and family living—child care, foods, and clothing.

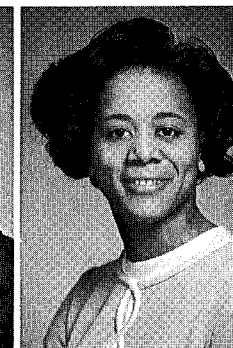

The 1969 Crown Jewel honors Miss Dixon, who retired after many years devoted to teaching students in the field of Home Economics.

MATHEMATICS

Slide rules, matrices, determinants, and theorems join together as functions of the logical science known as mathematics. Basic and business courses teach students fundamental operations and practical math while algebra and geometry form the bases for more intensive studies in trigonometry and pre-calculus math, a new addition to the department. Juniors and seniors planning careers in mathematics work independently in programmed study courses.

SOCIAL STUDIES

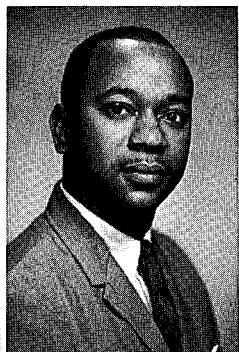

Studies of the histories of world civilizations, cultures, and societies help bring the shadows of the past to light and bring the complexities of the present into focus. FOREIGN LANGUAGES

As the size of today's world decreases and distance becomes less a problem, the need for close contact and understanding between nations increases, making the knowledge of an extra language more necessary. Classes in Spanish and French employ the use of tapes and other audio-lingual materials as a new approach to teaching modern tongues, while Latin classes pursue studies in grammar, mythology, and Roman history—the rise and fall of an empire.

ENGLISH

Required of all students is the study of the structure and usage of the English language and of the body of literature in English. In speech class, students are taught preparation and presentation of informational and entertaining speeches. In English classes, students study man in his relationships to himself, to God, to society, and to other men through the works of great authors such as Shakespeare, Frost and Shaw. Efficient and effective use of language is gained through oral and written composition of themes, essays, and poetry. Special reading classes and remedial classes meet the needs of many students.

Under three new coaches and an entirely new game plan, the Lake Wales Highlanders were sometimes victorious and other times defeated. Under the two platoon system, a new offense, a new defense, the team produced four wins, five losses, and one tie. Moments of exhilaration came for the team and for the fans when the Highlanders battered Dade City, 27—0, and Bartow, 20—6. Fifteen seniors and some outstanding first year men were on the gridiron, but sometimes victory escaped them. The Homecoming game with Kathleen fell just short of a win as the Highlanders in the final seconds pushed for a touchdown that was stopped by an interception. For the season, seven Highlanders were chosen for the all-county team.

Basketball ends season second in conference.

Under the direction of first year coach Jim Lee, the Highlander basketball team rolled to an impressive 17—8 season's record. Thrilling and important games for the Highlanders were the conference contests with Bartow, Plant City, and Dade City. Though Bartow was rated a strong team, the Highlanders were victorious, 75—47, in the very first game, a game that provided plenty of excitement. The Plant City games were challenges in which the Highlanders met defeat in close scoring contests. After a defeat of only one point by Pasco, in their first meeting, the Highlanders whipped that team 76—48 in the second game.

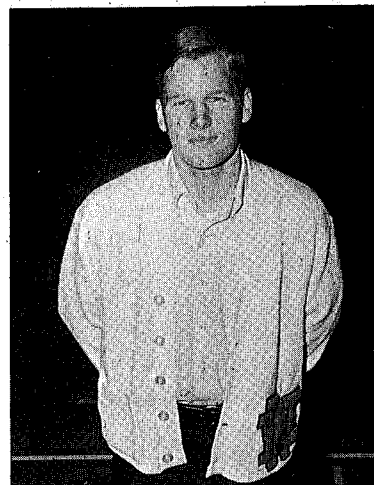

When the season ended, the Highlander team was second in the conference. Lake Wales then reached the finals of the district tournament where they won two of their three games.

Boys' tennis team again wins SWFC championship.

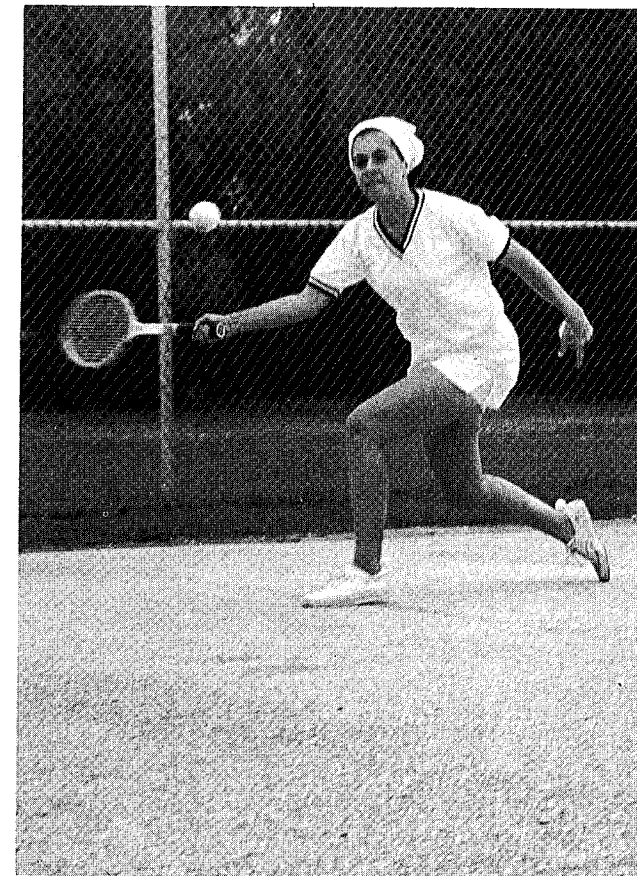

Ricky Allen, Rawlings, Preston, Williamson, Albritton, Cofer, Cooper, Roger Allen.

Girls' tennis team beats all comers but one.

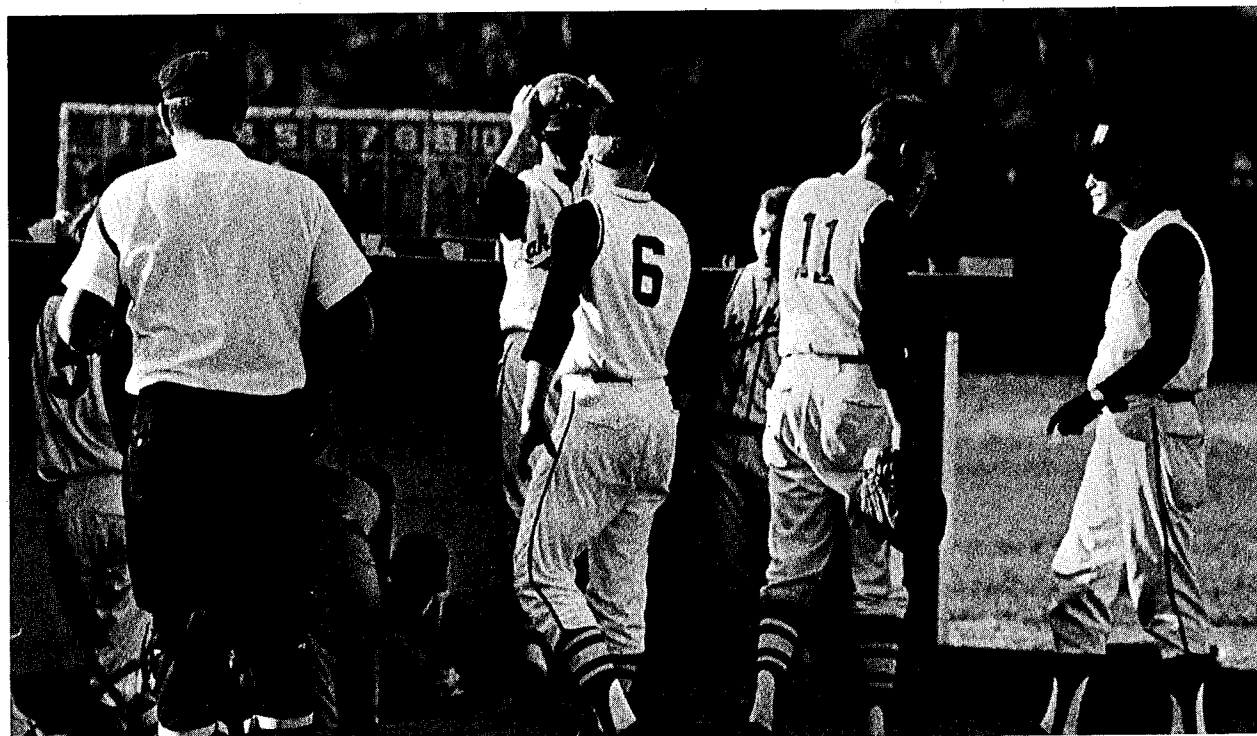

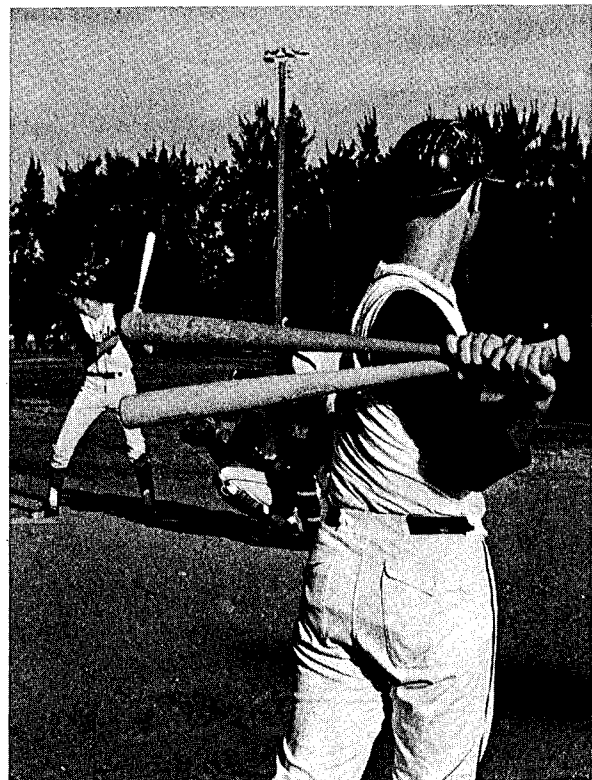

Parsons, Kelly, Zilahy, Johnson, Herndon, Logan, Smith, Weld.

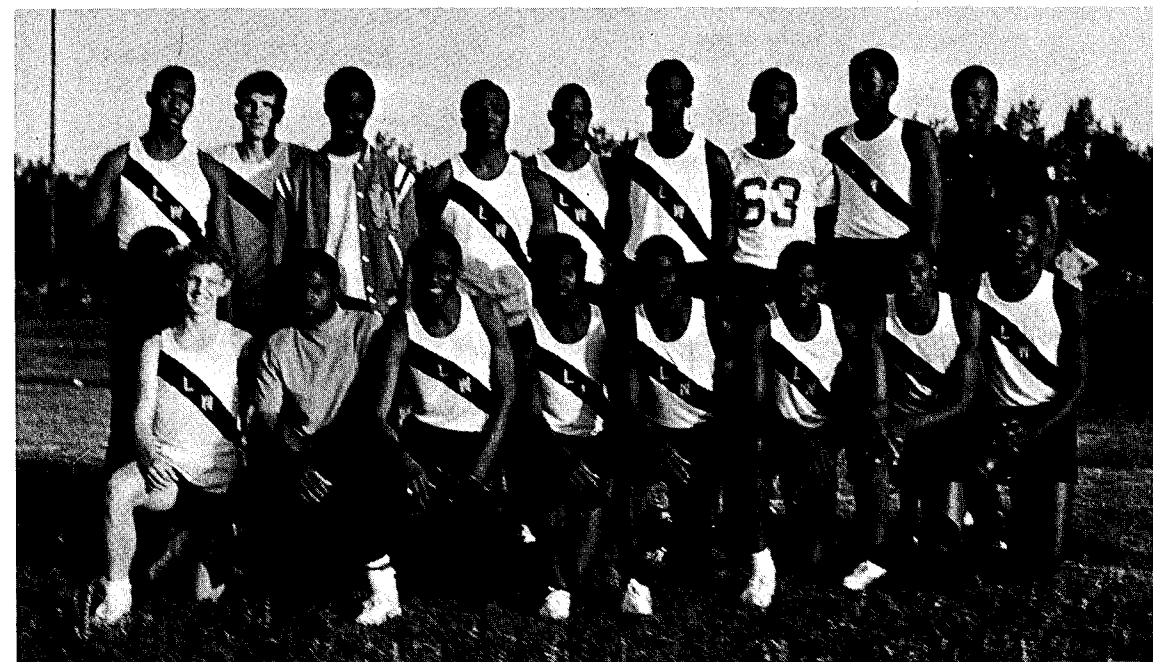

Undefeated in two years of conference play, the boys' tennis team, under the direction of Coach Linton, clinched the 1968-69 conference title with a 4-3 win over Kathleen. Challenging matches of the year that resulted in Lake Wales' victories were first man Ricky Allen's hard-fought win over Winter Haven (10-8, 7-5) and several tournament matches. Roger Allen won his finals match against Lakeland; Kerry Cofer upset the number 1 seeded opponent from Kathleen; second man Bobby Albritton and Ricky Allen in doubles play upset number 2 seeded Winter Haven. Lake Wales boys won second place in the county tournaments.

Coach Galloway and the girls' team also played the game well. Their only loss in regular season was to Bartow. Both Laura Johnson, number one on the team, and Judy Weld, number two, reached the finals in the county tournament. Both were defeated by Lakeland. Lake Wales placed third in the county tournament. Both coaches and members of both teams worked hard on techniques: serving to set up the net man, and returning those difficult deep shots that require a strong backhand.

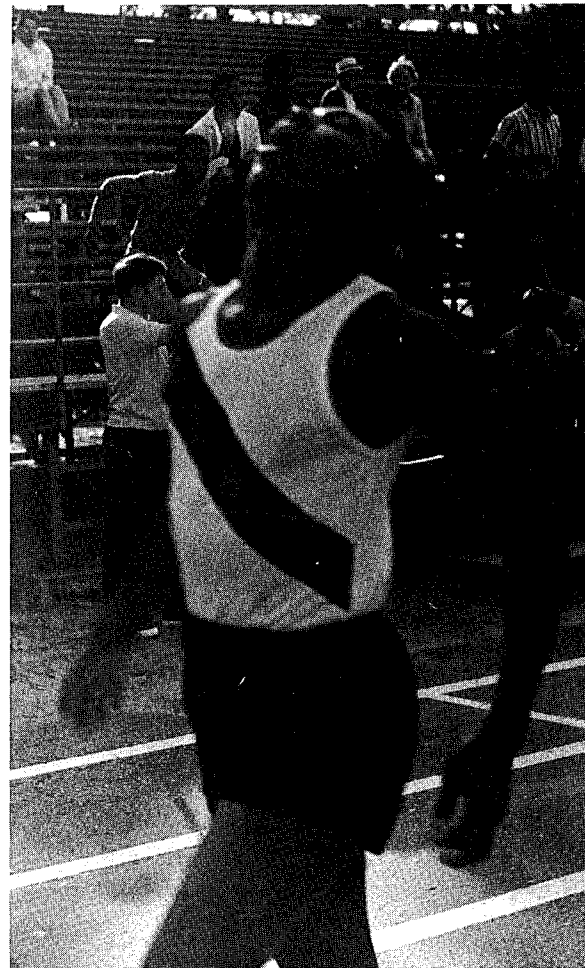

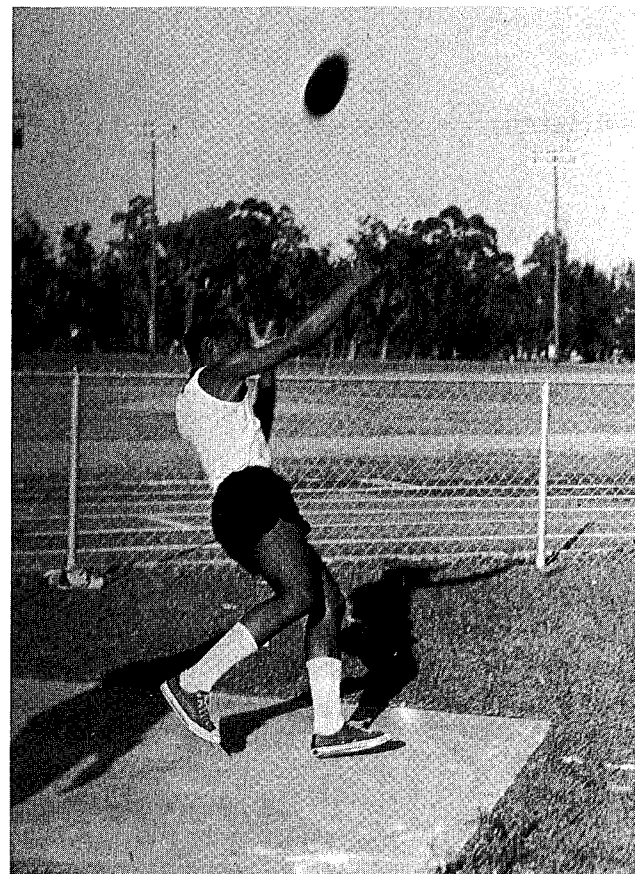

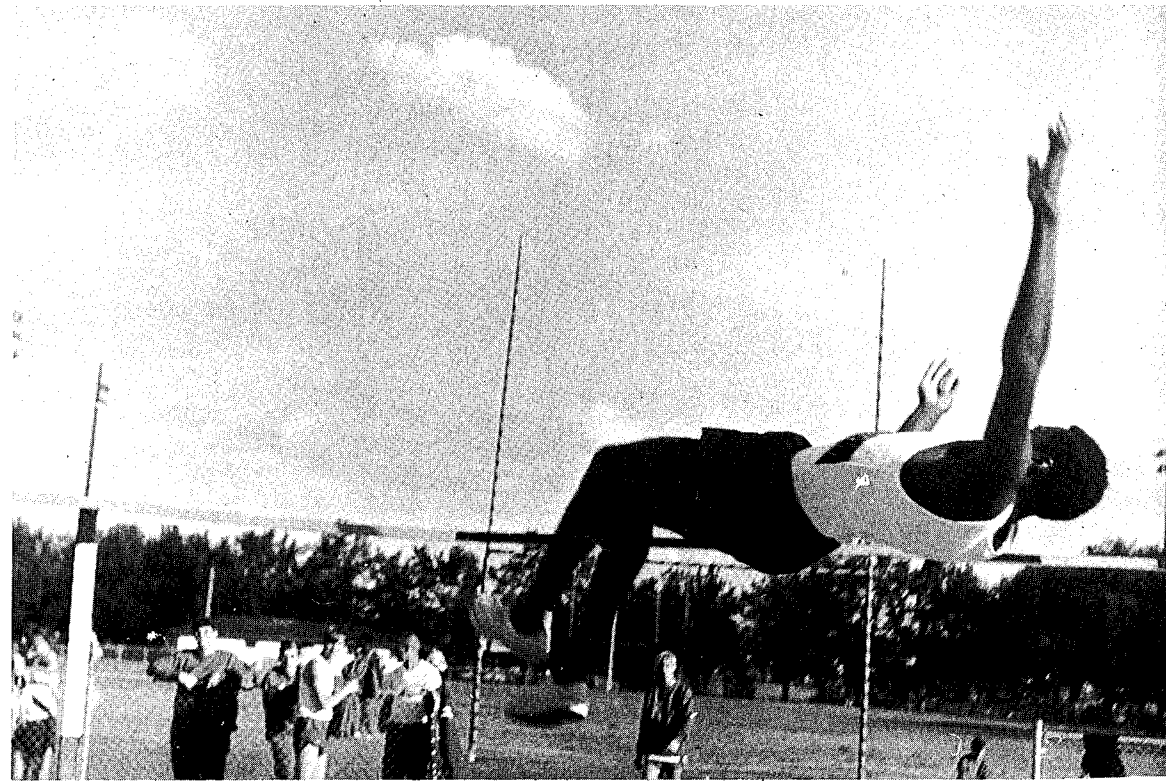

Fast sprinters highlight track season.

ROW 1: Hall, Chadwick, Carmichael, R. Ramsey, J. Ramsey, Ware, Atmore, Jenkins. ROW 2: Byrd, Griffith, Gardner, Battles, McKay, E. Mitchell, Barnes, A. Mitchell, Davis.

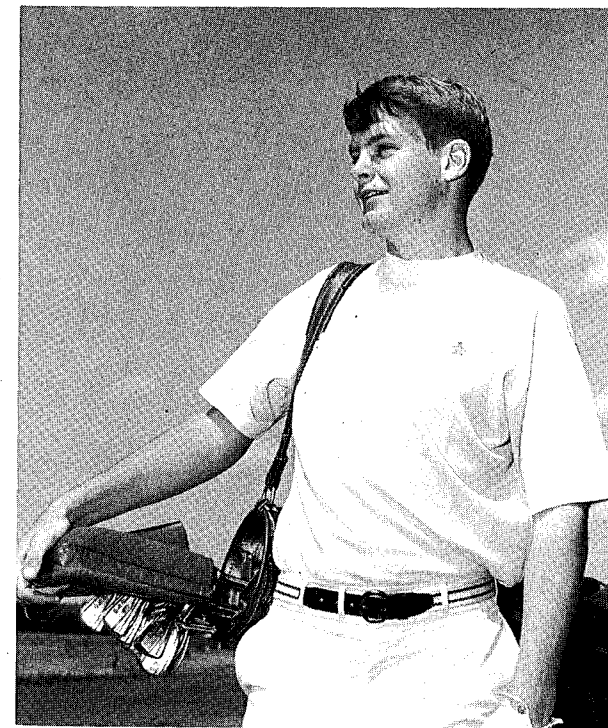

The Highlander Track Team under Coach Howard Barnhardt started slowly at first, but with proper training the team progressed rapidly. Lake Wales was particularly strong in the sprints. Brady Byrd was an all around trackman who continued to place in the discus, the high jump, the shot put, the high hurdles, and also on the mile relay team. Al Mitchell turned in a very good high jump with a leap of 5'9" using the now famous Fosbury Flop. At the Lions Club meet in Lakeland, Joe Ramsey blazed down his lane in the 100 to chalk up a 9.6 time, the second fastest statewide time to be posted this season. His good time also broke the old school record of 9.8 seconds. Leonard Burch was an experienced miler whose first places added depth to the Lake Wales Track Team.

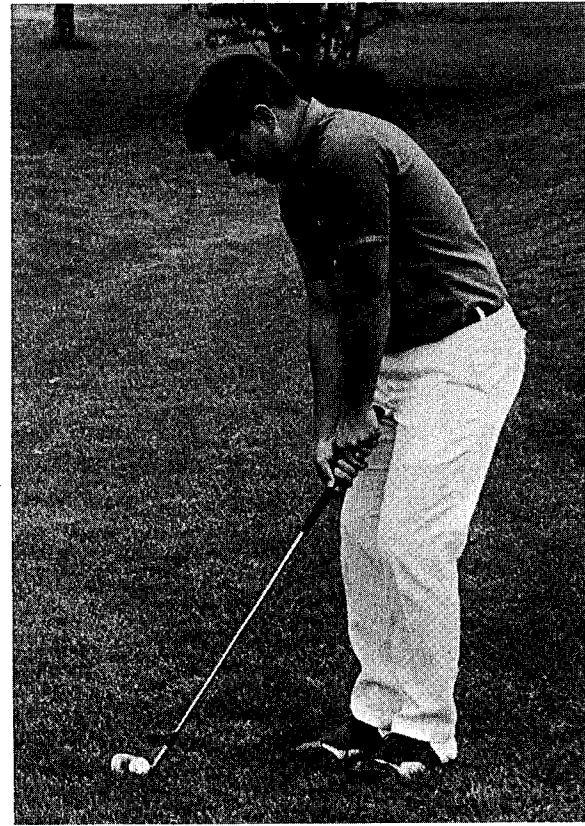

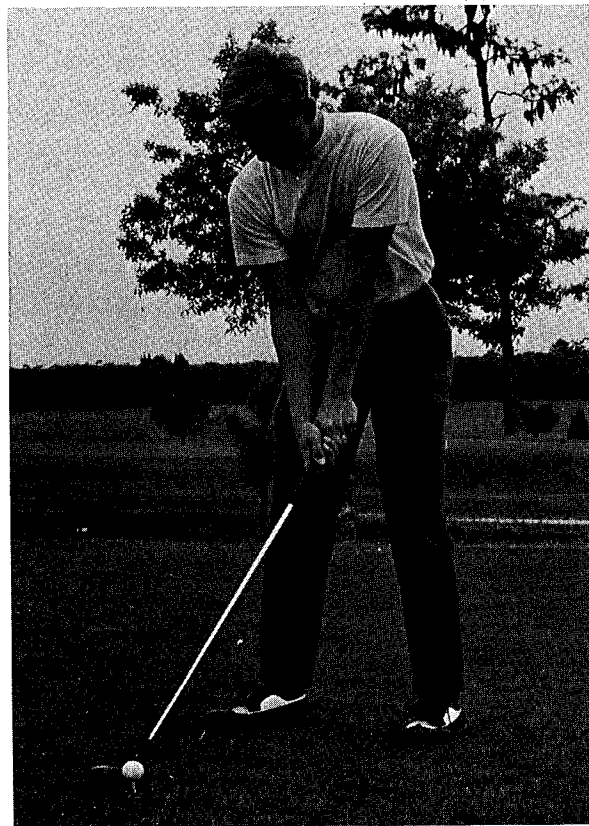

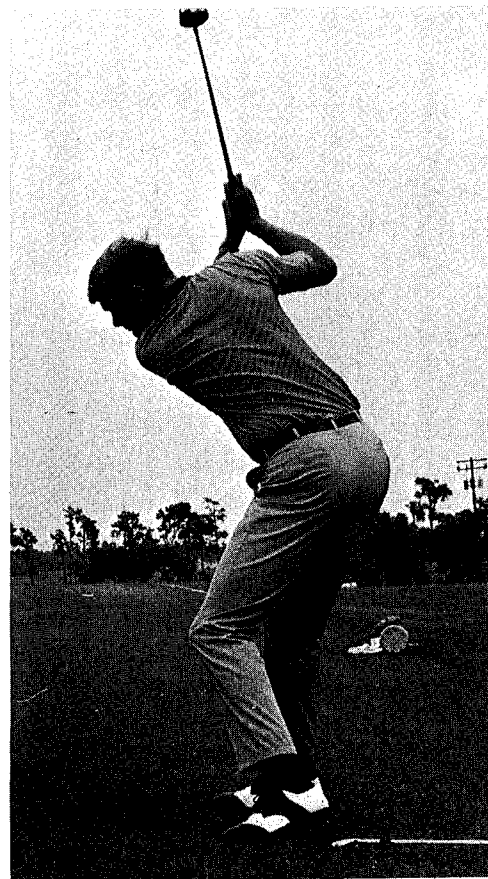

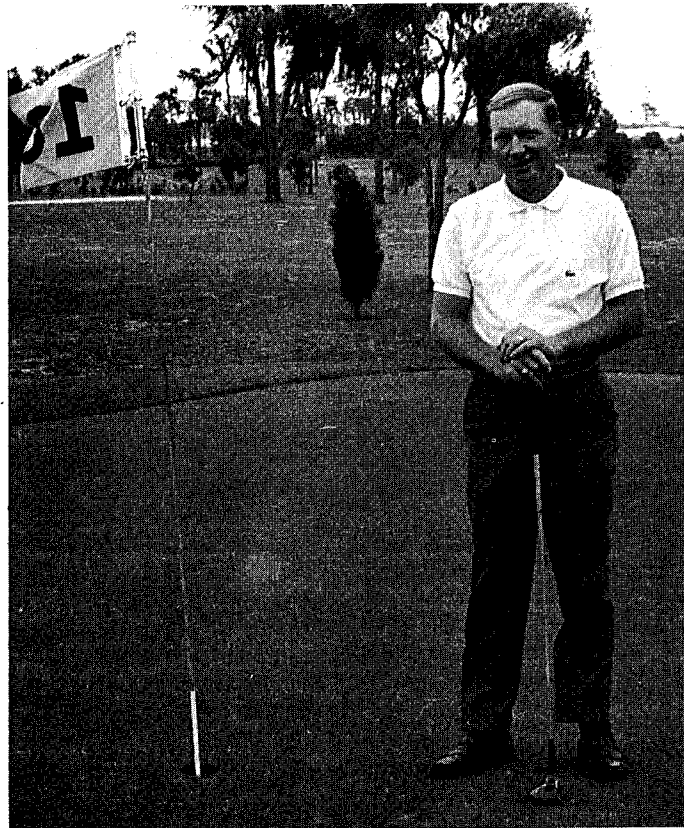

Golf team takes conference title

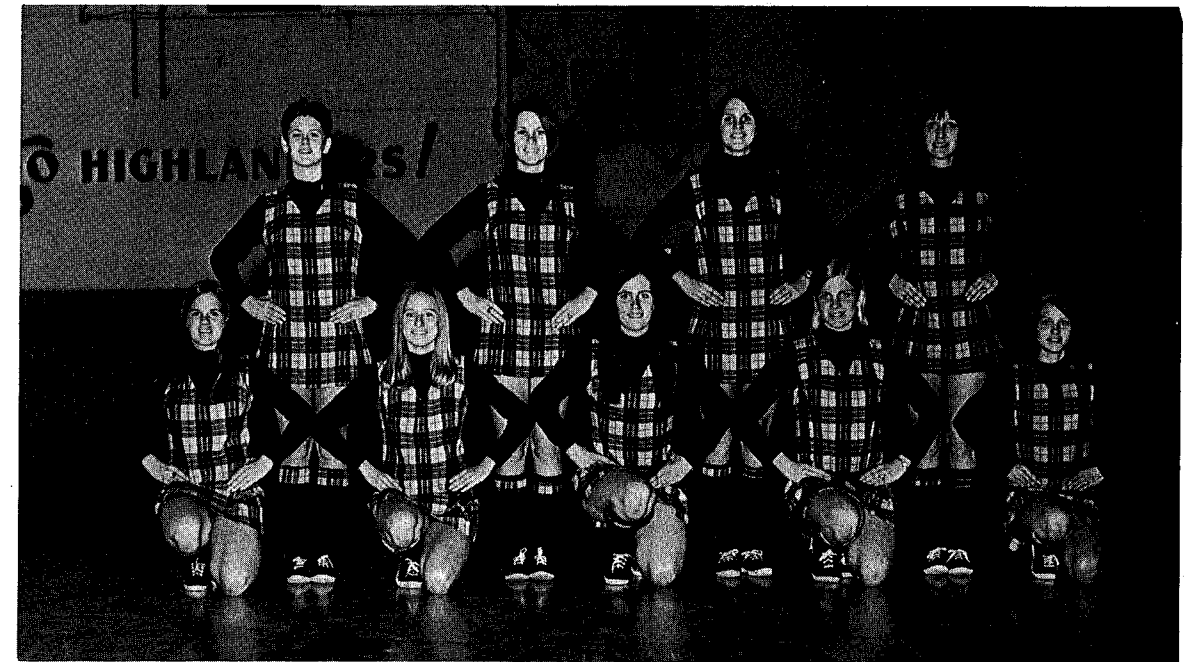

Prentice, Martin, Webb, Matteson, Draper, Young

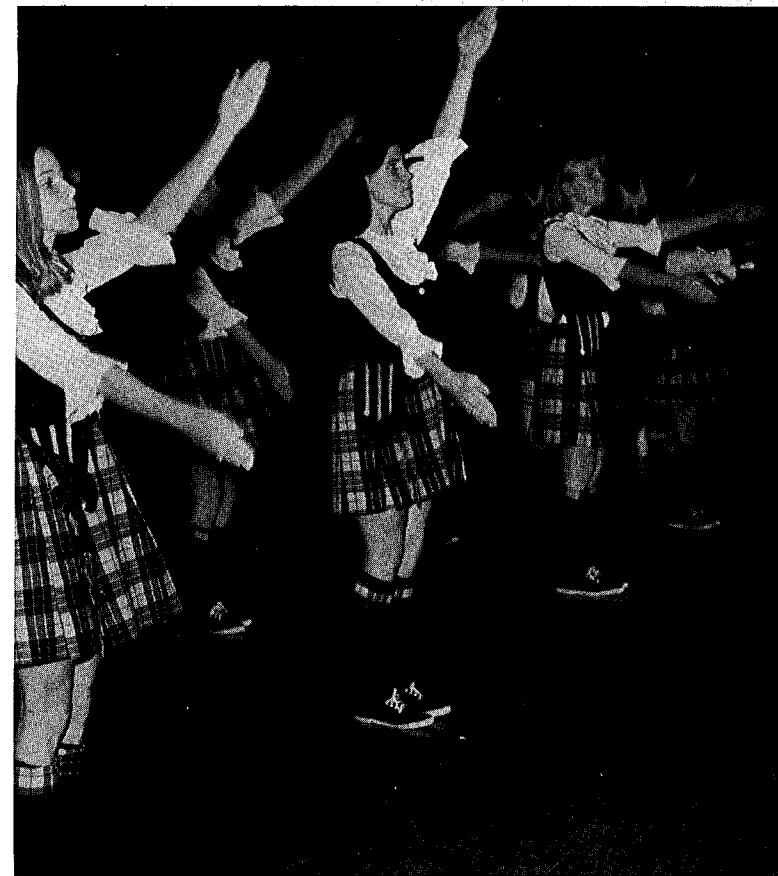

Experience and team effort paid off in victories for the Lake Wales High School golfers this year as they chalked up one of their best seasons. Led by veteran Chris Young the team, called "Murderer's Row," outclassed all other opponents as they rolled to an 8-1 record and the Southwest Florida Conference Championship. Chris Young, Bob Martin, John Matteson, Andy Draper, and Hugh Prentice provided experience and effort. Coach Bob Cloud provided inspiration. Mr. Cloud scored a hole-in-one during a practice session at the local club.

Spanish Club is an active and educational club in Lake Wales High School. Included among their activities this year were a dance, the proceeds of which went to Operation Bookstrap, Homecoming float, and a Christmas program at which there were piñatas hanging about the room. In their celebration of Pan American Day, held April 14, all language clubs were guests. They honored their Spanish Queen, Donna Cizek, with dances, songs sung by selected chorus members, a solo by Mrs. Cloud, and a poem read in Spanish by Linda Cain. Near the end of the year they often hold a social, usually a picnic or a trip to the beach. Their faculty advisor is Mrs. Catherine Cotter.

FRENCH CLUB

The Lake Wales High School French Club, one of the newly formed clubs, learns of the French language and culture. Headed by Mrs. Pope, a newcomer to Lake Wales High School, the club was very active. The members printed a French newspaper and performed various French skits during class, one of which was producing a scene in a French restaurant. Spectators as well as participants enjoyed the French-Latin-Spanish track meet. This year Lake Wales was honored by a visit of three Frenchmen, exchange students on tour of the world. During the visitors stay, the French Club entertained them and in turn learned from them much about France, their homeland. This experience proved a rewarding and pleasurable one for both the French Club students and the three Frenchmen.

Latin Club is dedicated to the education of students in the culture and in "the language of the Romans," Latin. During Latin Week, held March 10-15, the following activities were held. On Monday the club presented to the student body a movie on the city of Rome. On Wednesday, French, Spanish, and Latin clubs competed in a track meet. On Thursday Mr. Linton became auctioneer for the slave auction. Slaves served their masters on Friday, and on Saturday night all met at the Junior High School for the Latin Club banquet at which Thelma Crews and John Manry were the notables. Latin Club also sent gift boxes prepared for a man from Lake Wales now serving in Viet Nam, and contributed to Operation Bookstrap.

STUDENT COUNCIL

ROW 1: Atmore (chap.), Milligan (co-v.Pres.), Love (co-treas.), Pratt (co-corr.sec.), Edwards (co-rec.sec.), Akers (pres.), Mrs. Smeears (spons.), Mr. Walker (spons.) ROW 2: Parsons (rec.sec.), Johnson (treas.), E. Brown (v.pres.), S. Brown (corr.sec.), Moran (co-pres.), Holland, Daly, Bresett, K. Holland, Tonko, S. Thompson,

The purpose of the Student Council is to provide for student participation in school government, to stimulate a spirit of cooperation among the students and between faculty and students, to promote the general welfare of the school, to act as the constructive representative voice of the students. Student Council functioned in leadership week, in promoting Silent Day, in sponsoring Homecoming activities, in organization of dances in football season, in the celebration of Valentine's Day, in sponsoring the exchange talent shows with Webber College and Bartow, in running a campaign against cheating and stealing, and in combining the two student council groups of Lake Wales and Roosevelt into one council. The exchange visits with Bartow, Winter Haven, and Auburndale gave insight into the operation of the council of other schools. A number of members attended state convention in Daytona. The ability to be heard and recognized is an important thing to students. Student Council fulfills this need.

DCT CLUB

Diversified Cooperative Training, DCT, is one of the most educational and rewarding organizations at L.W.H.S. Here students are given the opportunity to apply their skills and at the same time learn a trade. The business establishments of Lake Wales provide the training stations for the students. The students are interviewed, tested, and hired. Once hired, they are trained on the job as part of a training program. Without these businesses, no DCT program would exist. Each year DCT sells ribbons to support the Mighty Highlander Football team. This year they also sold candy bars to help finance a trip to the state convention of the CBE Clubs of Florida which many members attended. However, DCT is not all work. One of the many highlights is the annual Employee—Employer Banquet held in May. Someone once said, "The future is where we will spend the rest of our lives," and DCT prepares the student for a productive future.

SCIENCE CLUB

"Energy=mass times the velocity of light squared" is one of the many formulas used by the Science Club members. Another new club formed this year, the group has been very busy. Activities included a trip to Whitmire-Allen Company to watch tests on the new modular homes, and tours of the Lake Wales Hospital lab and the Florida Citrus Canners chemistry lab. In March they took two trips: one to Cape Kennedy, and a second to the Lake Alfred experimental station. Sponsored by Mr. Linton, the club plans exhibitions and other trips for the future.

The Red Cross is a national service club which devotes its time and interests to serving the school and community. Red Cross members show their concern for others in many ways. One of these is making tray favors for the local hospital. Members also coordinate many area meetings and give excellent support to the National Red Cross Drive held annually. Each year Red Cross sponsors a dance and several members attend the summer training camp.

A very busy group are the members of the Future Homemakers of America. A Tupperware party, a fashion show, a pancake sale, and the Sweetheart Dance are annual activities of the club. Terry Riley was the 1968-1969 FHA Sweetheart. Blue ribbons won by many members, and a special award tri-color ribbon and ten dollars won by Camilla Gukich for her "pecan mist" cake were major achievements at the County Youth Fair. Camilla's cake was purchased for twenty dollars! Delegates attending the FHA State Convention in Jacksonville were Tina Hinshaw and Susan Marlowe.

Members of National Honor Society uphold high standards and engage in activities that serve these high ideals. Induction ceremonies for new members this year featured a revival of days of knighthood with Mr. Wilson as "King Honor". The "knights" of scholarship, leadership, character, and service made the new members aware of the qualifications and standards of National Honor Society. Activities included selling tams for homecoming and raising money for Operation Bookstrap. A reception for prospective members and faculty was held in the new social hall of the Presbyterian Church. Wearing a gold cord on the graduation robe is a special honor for club members.

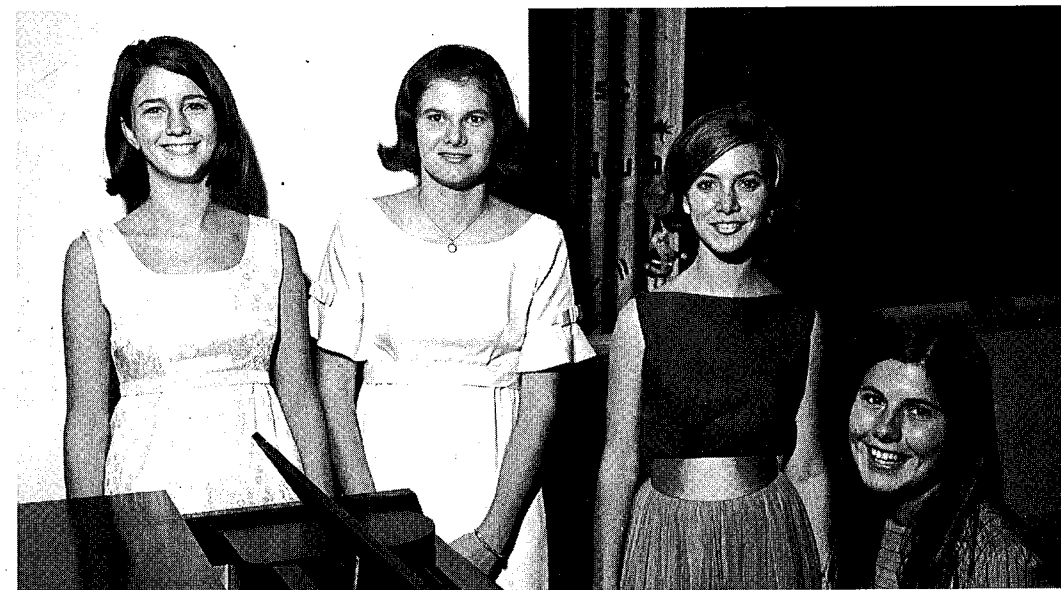

The chorus filled 1968-69 with music. Their music entertained the community during special seasons: first, as guest artists of the band, the Highland Hundred and Girl's Chorus inspired the Christmas spirit; again at Easter sunrise service at Bok Tower the sound of music filled the air. Other performances were given at the Kiwanis Banquet, the Baptist Church, the Vanguard School, the Woman's Club, the Tourist Center, and the High School graduation exercises. The chorus participated in many music festivals: the Polk County Festival at Lakeland in November; the district festival in Leesburg, in which they received excellent ratings. For the first time, Lake Wales High entered three student directors in district contest. Geri Bryan, soloist, and the trio, who received superior ratings, attended state convention in Daytona. Four others attended state clinic in Daytona. A special treat for chorus was their invitation to sing with the Princeton Footnotes in the Weber College Coffeehouse Concert. Mrs. Linda Cloud is the chorus director.

Being a member of the Lake Wales Highlander Band is one of the greatest honors a student can have. Outstanding in creative showmanship, and musical technique and skill, the band is directed by Mr. Bishop and Mr. Pratt, co-director. Mr. Jim Evans, who performed at a halftime show, was an intern director from Florida State University. Other halftime shows featured the difficult marching formations of outstanding college bands of the country. Highlights of the year for the band included traditional activities and some innovations. The members of the Chorus were guests at the 1968 Christmas party following the Christmas concert. In addition to the tourist concert season this year was the annual Spring Concert with guest conductor Richard Bowles of the University of Florida. In February the band was host to the members of Phi Beta Mu, an honorary band director's fraternity. A concert in which each of these band directors led a selection gave the whole community special pleasure. Lakeland was the site of the district contest and Pompano Beach of state contest.

The purposes of Vocational Office Education are suggested in its name. The student learns the skills for success in the field of business, particularly office work. A two-hour program, V.O.E. offers a girl opportunities to learn of proper clothing, attitude, and language for job interviews. The girls study business English, business typing and business machines. Publishing the "Scotty Hotline" was one of the tasks undertaken by V.O.E., whose sponsor is Mrs. Smith.

Selling pencils, stamping books, issuing hall passes, and keeping students quiet while they're in the library, are only a few of the many tasks assumed by the Library Council. Each year, this hard-working club sells Highlander car stickers as a money-making project and gives generously to Operation Bookstrap. Headed by Miss Tillman and Mrs. Kipe, Library Council members serve readily and efficiently.

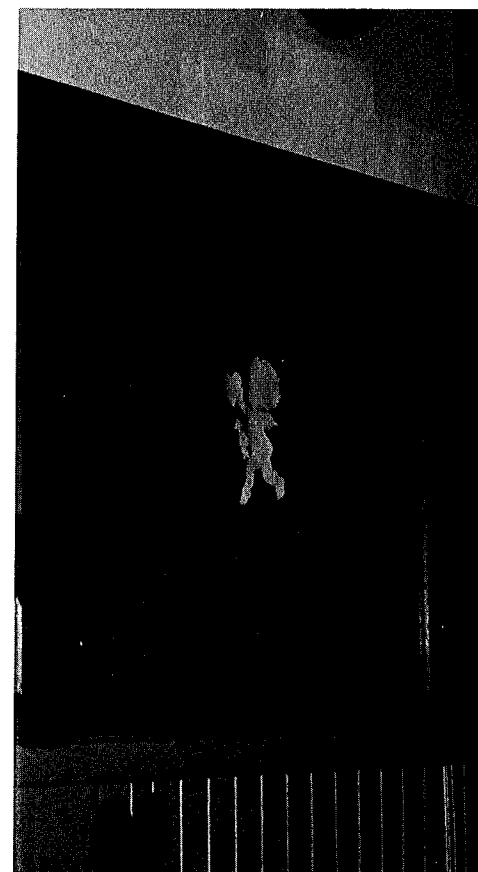

FUTURE TEACHERS OF AMERICA

ROW 1: R. Brown (pres.), C. Brown (parl.), Carter (c. sec.), Greubel, Woods, Osborne, Mose, Panzica (r. sec.), Mrs. Burch (spons.). ROW 2: Parker, Jones, Boyens, Oliver, Davis, Hatcher, Starnes (hist.), G. John-

son, C. Johnson. ROW 3: Sims, Cain, Clark, Smith, Riley (v. pres.), Gautney, Paul (treas.), Clemons.

"F.T.A. will lead the way" is the motto of the Future Teachers of America, a nation wide organization. With the assistance of the Woman's Club, a new chapter was formed this year. Being a new club has not hindered F.T.A.'s willingness to serve the school and community. Among their activities was the student-teacher day for which F.T.A. members studied the techniques of being a teacher, prepared lesson plans, and taught specific classes. At Christmas time the members made bells for the teachers, and for Valentine's Day they decorated the halls. Believing that the "Future belongs to the youth," the members honor physical strength, mental vigor, moral strength, wholesome personality, helpfulness, knowledge, and leadership.

BEACON CLUB

Induction of officers: Tomko, President; Cotter, Vice President; Marshall, Secretary; Sutton, Treasurer; Parsons, Parliamentarian.

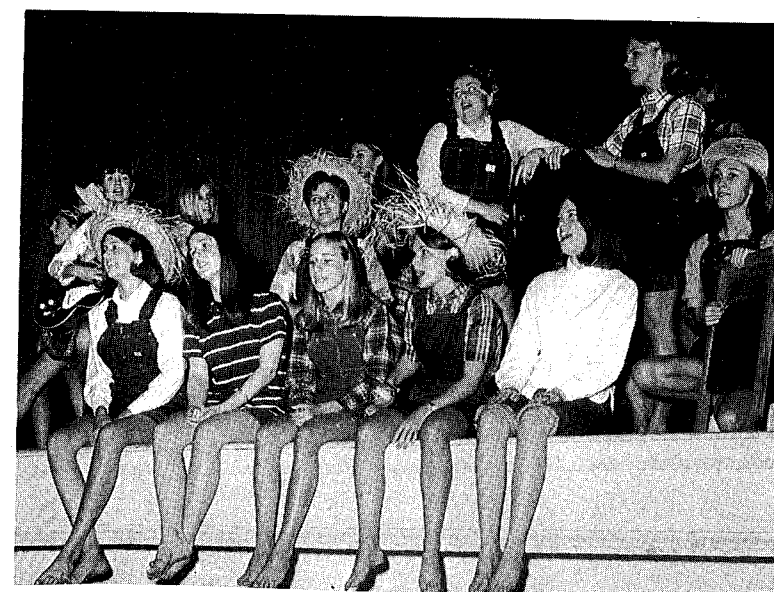

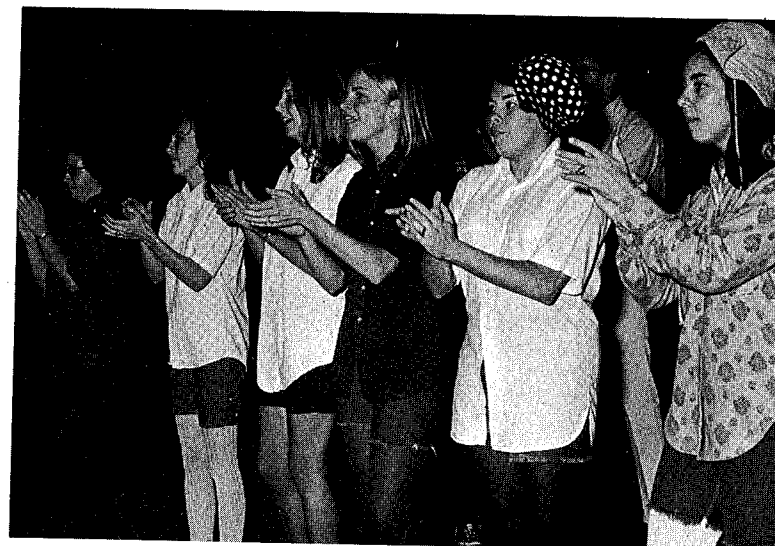

ROW 1: Parsons (Parl.), Marshall (Sec.), Sutton (Treas.), Cotter (V. Pres.), Tomko (Pres.), Mrs. Proctor (Spons.), Ingle, Futch, Pike, Adkinson, Joyner. ROW 2: C. Brown, Holland, Crews, Johnson, Cain, E. Brown,

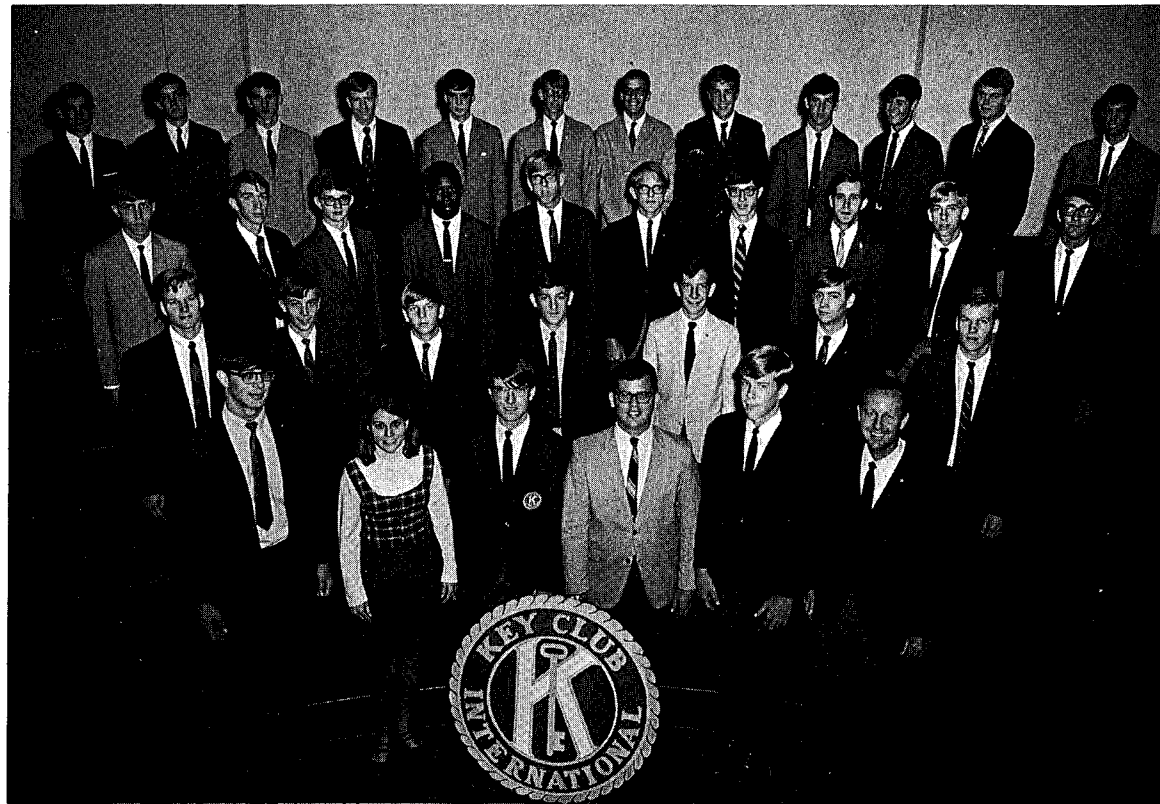

Parker, Fisher, Lahr, Webb, Hinshaw, Morison, Herndon. ROW 3: Matthews, Nuzum, Kelly, Harrell, Darty, Zilahy, Hurlbut, Osborne, Mott, Griffith, Saxon, Hunt, Houston.

Girl "penguins" moving through the halls are not an unusual sight at Lake Wales High School. These are members of the Beacon Club, an organization built upon the principles of honor, scholarship, and leadership. Beacon Club's calendar was full this year as the girls undertook many responsibilities and completed them with promptness and efficiency. They decorated the halls at Christmas time, held a party at Chalet Suzanne for the four service clubs, worked in the Lake Wales city library, brought flowers for the office each week and ushered at P.T.A. meetings. To earn funds on workday, members performed various jobs—washing windows, cars, and dogs; folding paper airplanes for Chalet advertising. Each year Beacon Club members elect an outstanding boy to represent them as "peerless penguin." This year Chuck Johnston received the honor. Induction of twenty new members sporting the traditional raincoats, hats, and lanterns was held on May 14.

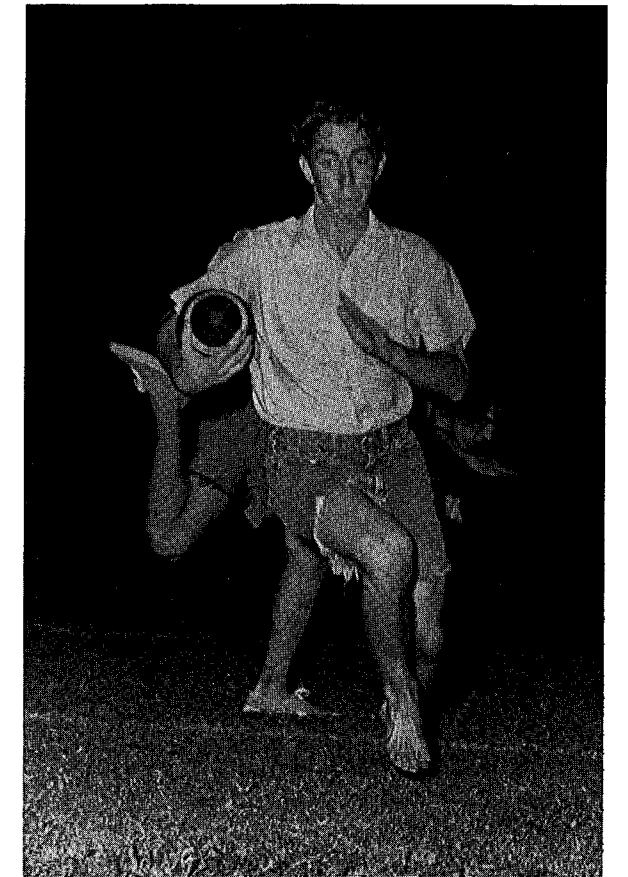

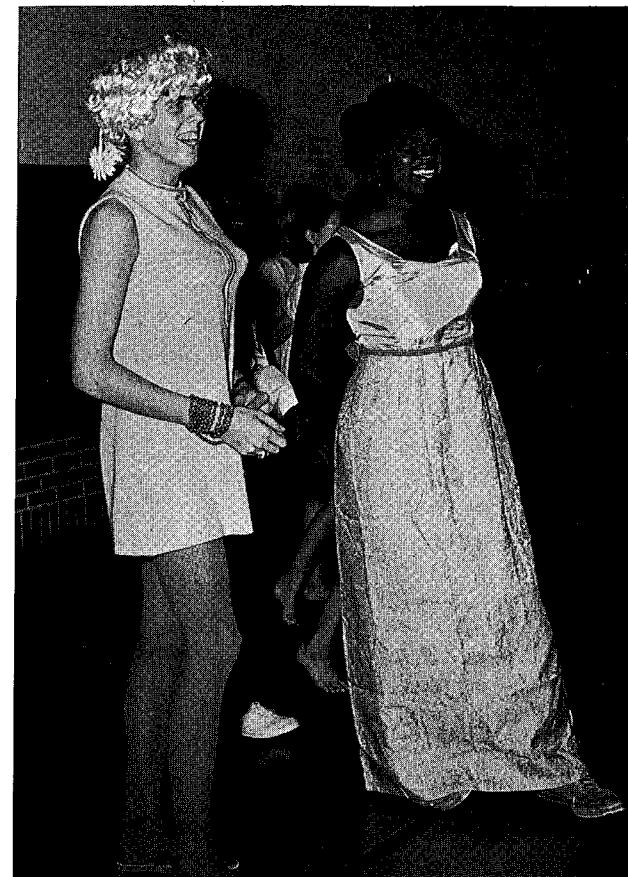

KEY CLUB

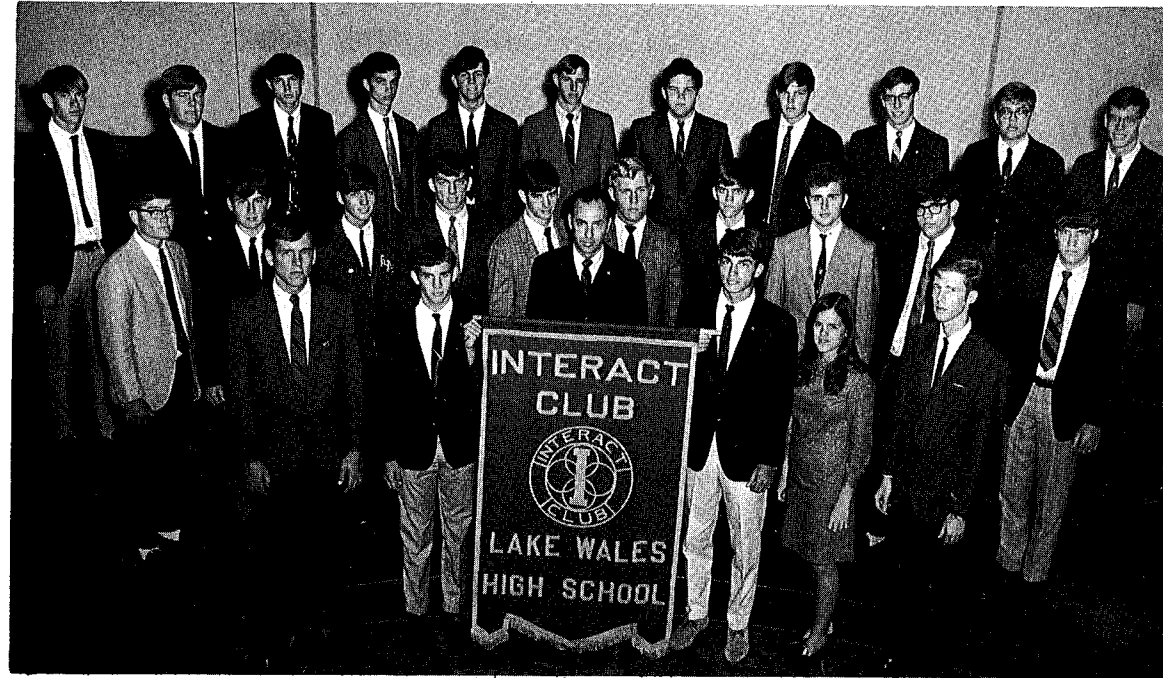

ROW 1: R. Estes (Pres.), Whidden (sweetheart), Cooper (V. Pres.), Scarborough (Sec.), McKinley (Treas.), Mr. Brow (spons.). ROW 2: C. Combs, Lamar, Stephens, Lassiter, Rawlings, Skene, M. Combs. ROW 3: Freel, Up-

dike, Bice, Brown, Rehfield, Harriman, M. Estes, Haas, Coleman, Albritton. ROW 4: Matteson, Parlier, Weeks, Sullivan. Bishop, Floyd, Gillis, Williams, Carter, Lilly, Young, Prentice.

The Lake Wales High School Key Club is a productive and enthusiastic club whose motto is "We Build." Among their annual activities were the selling of beat tags, operating the lost and found, locker clean-up, lettering basketball rosters in the gym, and the Key-Interact basketball game, which they again won. The Leadership Banquet given at the Highlander Restaurant for all the club presidents and school leaders, featured Keith Higgins, Vice President of Key Club International, as guest speaker. In addition to their regular activities, Key Club assumed two new responsibilities—tutoring students and putting up new rosters in the gym. Key Clubbers, serving the community as well as the school, participated in the revitalization survey. Sponsored by Kiwanis International, Key Club members continue to serve their school and community.

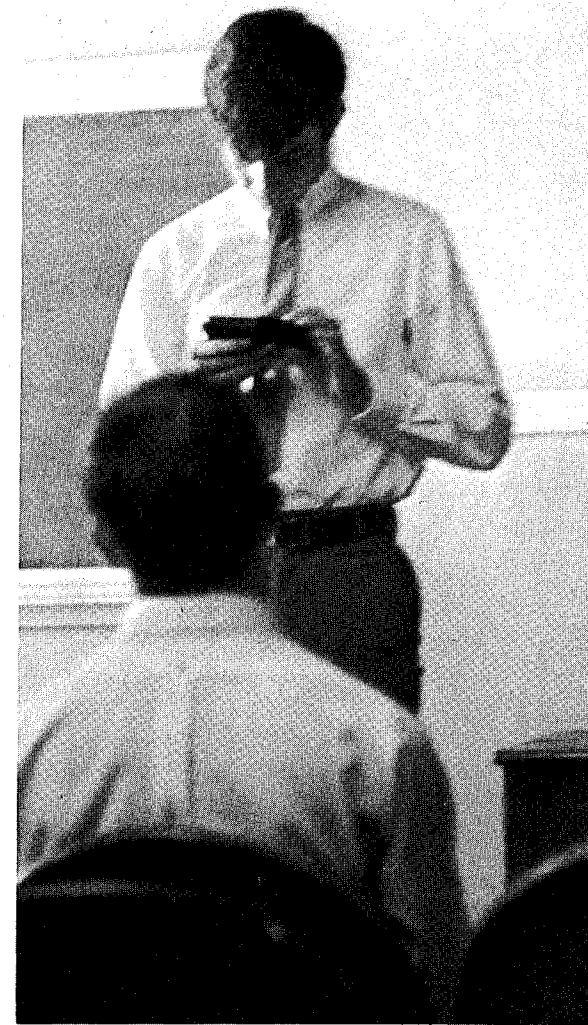

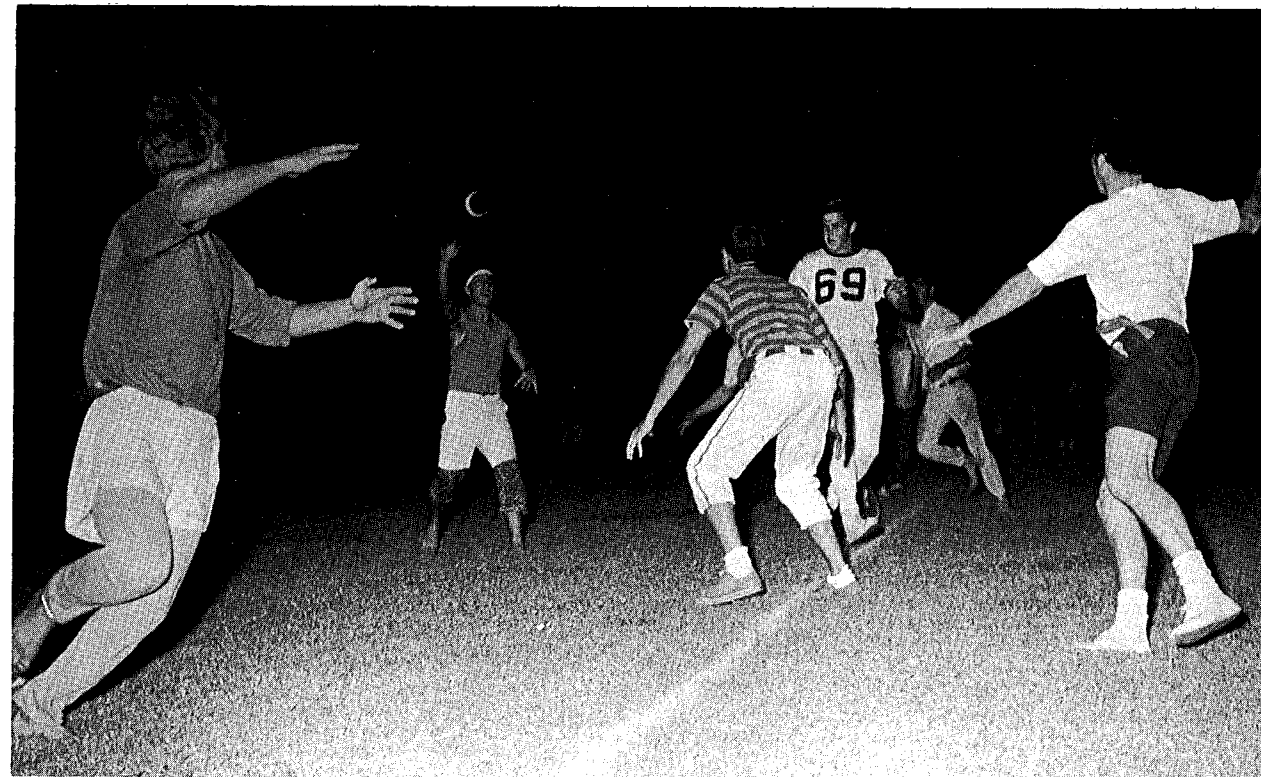

INTERACT CLUB

ROW 1: Johnston (Sec.), B. Davis (V.Pres.), Mr. Linton (spons.), Council (Pres.), Lowe (sweetheart), Clark (Treas.) ROW 2: Martin, Ezell, Jackson, Murphy, Meyer, Kahler, Akers, S. Davis, Howell, Hunt. ROW 3:

McKeeman, Gautney, Welsch, Smith, Riley; Crews, Manry, Moore, R. Lawson, Thullbery, D. Lawson.

Leadership, scholarship, and service are only three of the qualifications required to become a member of the Lake Wales High School Interact Club. Sponsored by Rotary International, Interact members serve the school and community. In their service to the community, they worked in the concession stand at the Little League basketball games, and helped the Jaycees collect funds for Muscular Dystrophy. Their activities in the school included painting the parking lot, raising the flag every morning and lowering it every night, and participating in the exchange talent show with Webber College and Bartow High School. This year Interact challenged Key Club to a football game, and Interact won. The District Project was the donation of money for a school in South America. They also sponsored an orphan from Mexico. This years Interact Sweetheart was Linda Lowe.

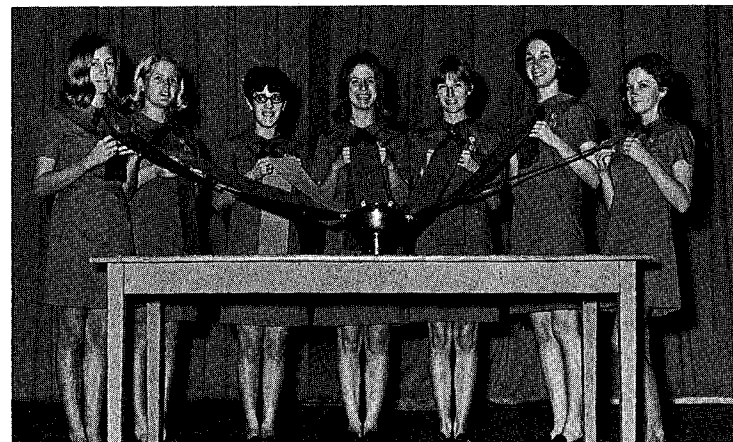

SERVITEENS

ROW 1: Cason, Boyens, Moran, Whidden, C. Baldauf (pres.), Gukich, Wirt, V. Pratt, Panzica (rec. sec.), Scamehorn (parl.), Ciszek. ROW 2: Mrs. Smith (spons.), Hassell, Puterbaugh, Oliver (treas.), McCranie, Ray (v. pres.), Acree (corr. sec.), P. Baldauf, Hansford, Johnson. ROW 3: Hatcher, McKay, Smith, G. Pratt, Brice (hist.), DeLegal, Scott, Manke, Lowe.

A new girls club formed second semester this year was Serviteens. The charter members were inducted by the Woman's Club, the sponsors of the new club. The members proved themselves to the school and community by serving in many ways. In the school they sold cup cakes to finance projects and presented a song and dance in the talent show. Helping with the Cancer Drive, March of Dimes, Spook Hill Carnival, Woman's Club May Day Supper, and bake sale for operation bookstrap demonstrated their willingness to serve in community projects.

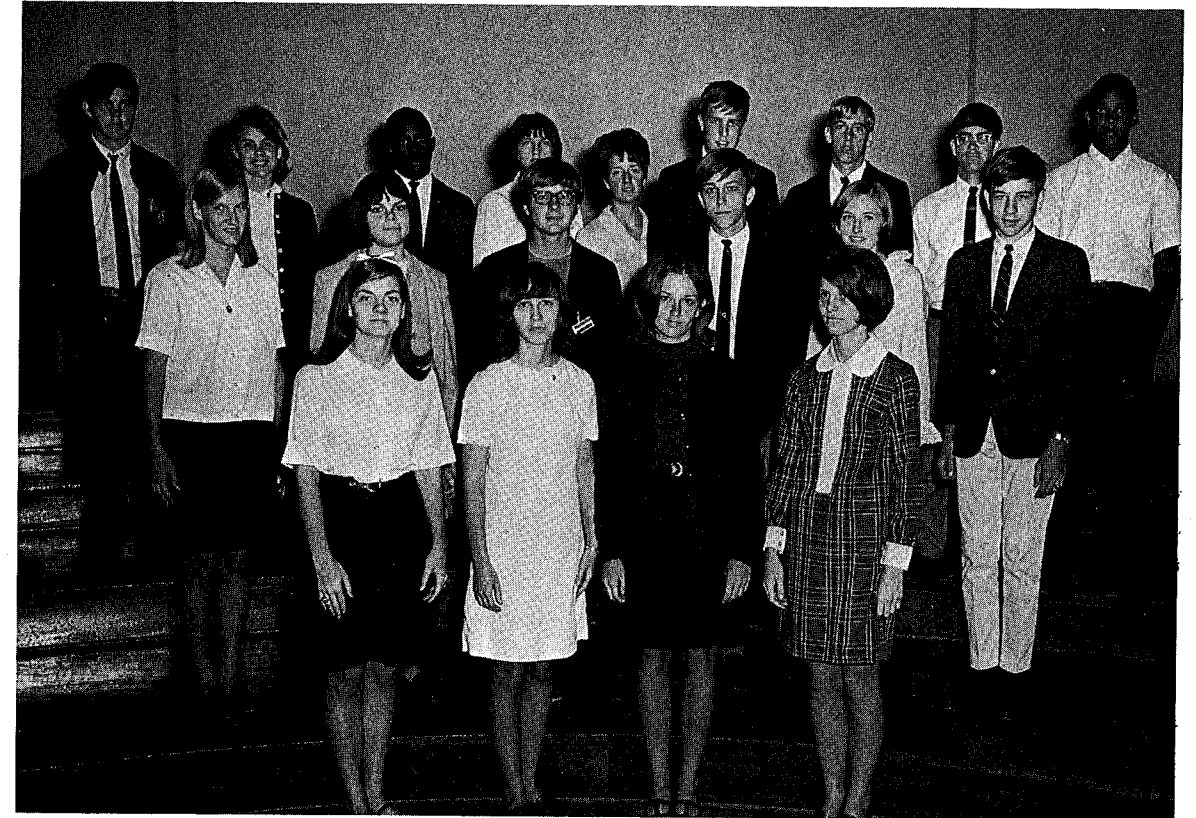

Induction of officers: Baldauf (pres.), Ray (v. pres.), Panzica (rec. sec.), Acree (corr. sec.), Oliver (treas.), Brice (hist.), Scamehorn (parl.).

ROW 1: Carter, Holland, Scamehorn, Bingham. ROW 2: Clemons, Stuby, Adkinson, Allen, Oliver, O'Brian. ROW 3: A. Moore, Mott, Brown, B. Moore, Moser, Williams, Coleman, Turner, Sylvester.

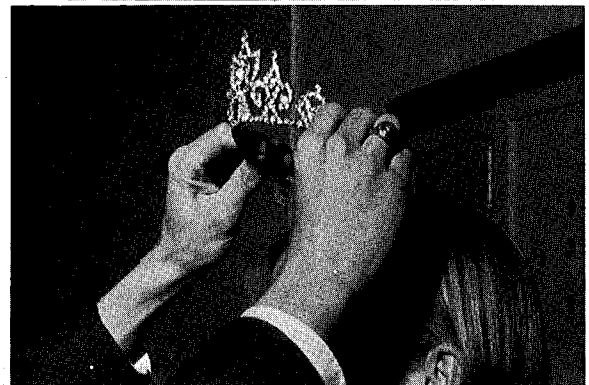

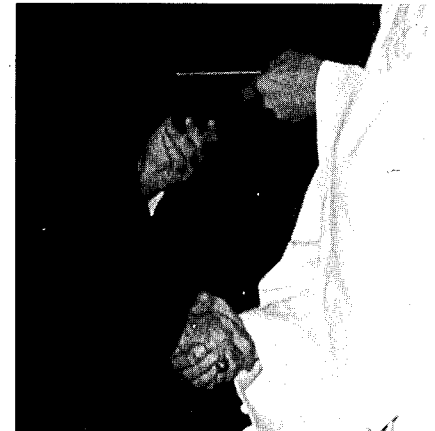

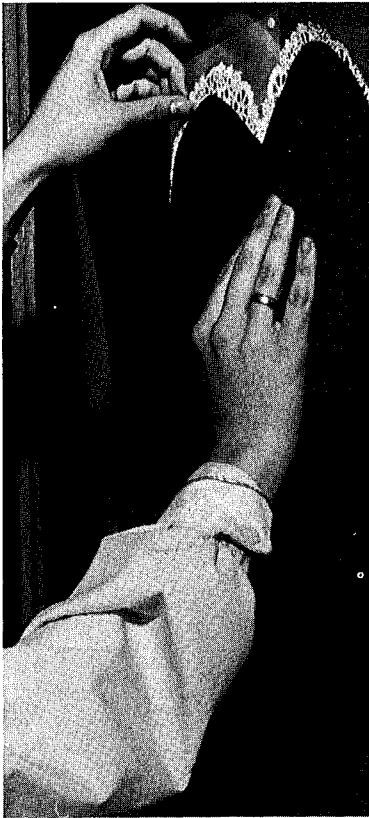

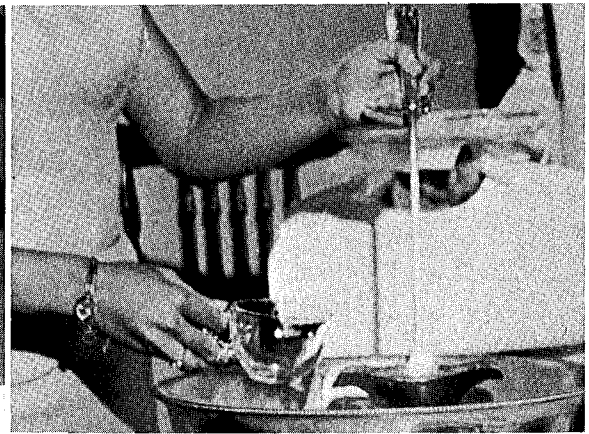

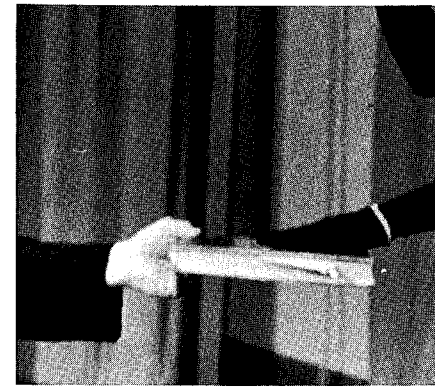

The office assistants of LWHS are a responsible, helpful group of students whose aid to the principal and secretaries is never ending. They perform such tasks as running errands and assisting the secretarial staff in many ways—typing, filing, sorting mail, and using office machines to prepare materials. Recognized as a club just this year, these students offer aid of significant value to the school.

Senior Memories

The Senior Tea,
An afternoon of decorum,
Gleaming crystal
And muted laughter
Blending, composing
A harmony of friendship.
For the seniors
A taste of the adulthood
They will soon attain.

"I like a tower—it speaks of strength."

"Three coins in a fountain,
Each one seeking happiness,
Just one wish will be granted,
Which one will the fountain bless?"

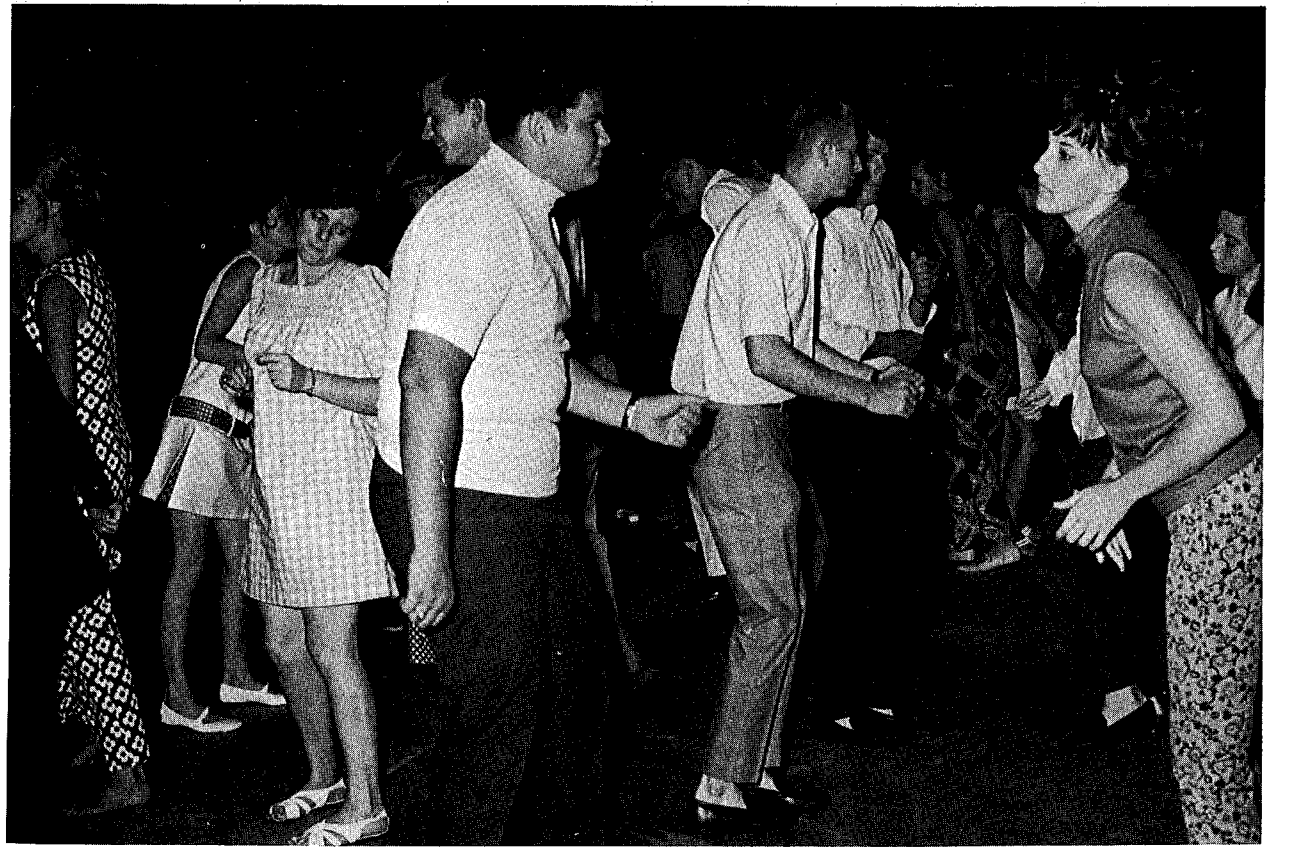

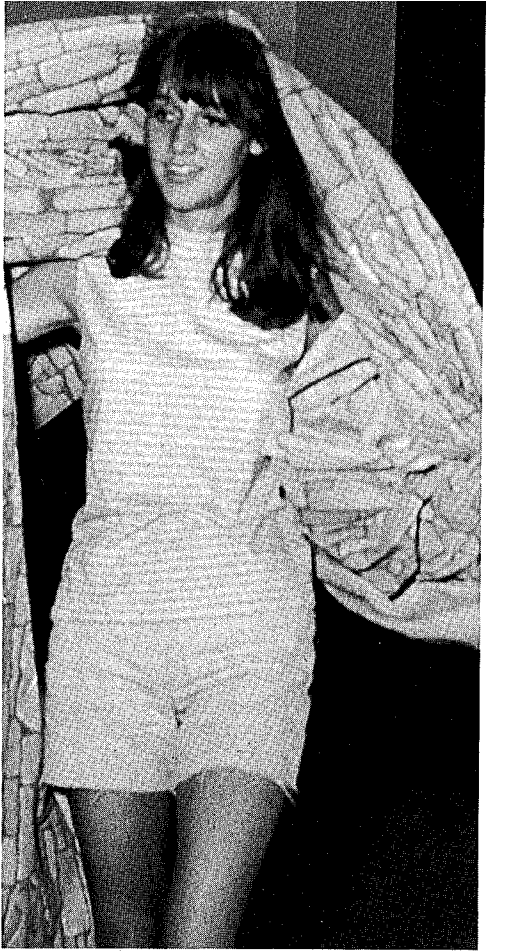

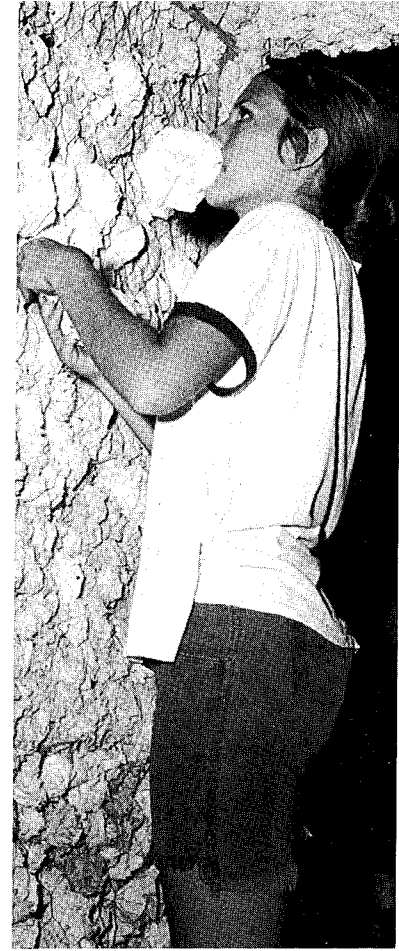

"The memory is ours."

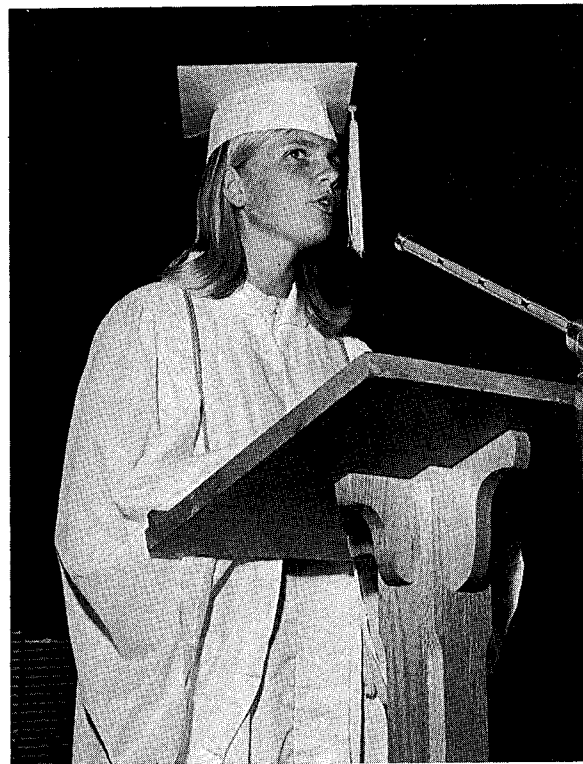

Fairy dust must have enchanted this night
For it holds a spell over all,
Making you want to hug yourself
And laugh till you cry.
You tell your friends,
"Don't pinch me, I might wake up.
I want this magic night
To last forever."
