Uniform Dress Code Consequences: See Category III Consequences under Discipline

Student Cell Phone Use Board Policy JE

The Marion County School District has determined that student possession and/or use of cell phones or other electronic/communication devices can be disruptive to the educational process. Limiting disruptive behavior, including disruptions caused by students' cell phones/electronic devices, maximizes the ability of the District to follow curriculum educational objectives and to maintain an environment conducive to learning.

Students shall not use the electronic device in a manner that poses a threat to academic integrity, disrupts the learning environment, or violates the privacy of others. Personally owned device use is limited to and conditional upon full and complete compliance with the Marion County School District Acceptable Use Policy. Students may not use devices to access and/or view internet websites that are otherwise blocked to students at school; nor shall they send, share, view, or possess pictures, text messages, emails, or other material depicting sexually
