

September 25, 2026

Dear St. Anne Families,

Fall is officially here, and it's hard to believe September is already coming to an end! The first few weeks of school have gone by quickly. After such a warm and dry summer, it has been nice to finally have some cooler, fall-like temperatures this week. It was great to see students arriving in their coats on Tuesday!

The safety and well-being of our students and staff is always my top priority. Today, we completed our second safety drill of the school year—a shelter-in-place/weather drill. These drills help our students and staff practice what to do in the event of severe weather or another emergency. Throughout the year, we will also conduct evacuation, lockdown, hold, and intruder drills. While these drills may briefly interrupt our school day, they are an important part of keeping everyone prepared and safe.

This Friday, October 2, at 2:00 p.m., we will celebrate one of our favorite fall traditions—our annual Blessing of the Pets! We know our students are excited to share their beloved pets with our school community. Parents of participating students may take their child home following the blessing. Please refer to the flyer sent home for additional information.

It's hard to believe how quickly the school year is moving. I have really enjoyed watching our students settle into their classrooms, reconnect with friends, and get into the rhythm of another school year. Thank you for your continued support of our students and St. Anne. We are blessed to have such wonderful families as part of our school community.

I hope everyone has a wonderful weekend and enjoys the beginning of October. There is plenty happening at St. Anne in the weeks ahead, and I look forward to sharing it with you.

With every blessing,

Dr. Greg Fries
Principal

Student(s) : _____

Homeroom: _____

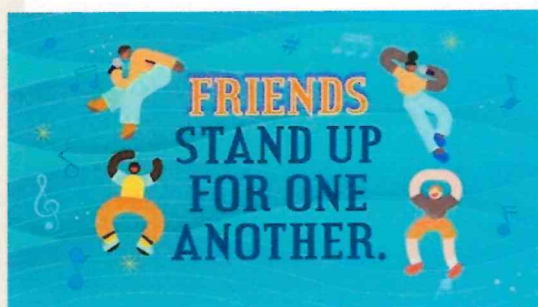

Will they be leaving with you from the parking lot? Yes or No

School Counseling NEWSLETTER

October

Put a Stop to Bullying!

Kindness and respect go a long way! One kind compliment or gesture can make someone's day! Let's put a stop to bullying and spread kindness and love instead.

What is happening this month?

October is National Bullying Prevention Month. Bullying is repetitive, intentional harm to others through insults, exclusion, physical harm, and spreading rumors. It can be done face-to-face or through social media/video gaming. Put a stop to bullying by reporting behaviors to adults and blocking or reporting online.
