FINANCIAL REPORT FOR THE YEAR ENDING JULY 12, 1909.

READ THIS.—If the following report is correct, the totals of receipts and expenditures **will balance.** Care should be taken to enter each amount under its proper heading, and to enter no amount twice. If money other than the funds of the district is advanced by any one in paying teacher or for other expenses, it should be included in the item "Received from Loans," and it is really money borrowed, and should also be included in the "Indebtedness" (item 16 above). Do not foot up the columns alike unless they actually add up alike.

Money remaining in the hands of the township treasurer has not been "received" by the district and no account should be here taken of it (include that in "Amount due the district" item 14 above).
