## **What do you love about your school?**

Centerville is an outstanding school with a rich tradition of academic excellence and positive relationships. We are a family at Centerville, and we all believe in putting our students first. I love the atmosphere we have at CES. We support each other, and always give 100% to our school and students. We have Mustang Pride!

## **What do you love most about being a principal?**

I love being able to support and collaborate with teachers and staff to promote a world-class education here at Centerville. The students and teachers at CES truly bring me joy.

## **Tell us about the person who inspired you to become a leader.**

There are so many to choose from because I have had the privilege of working with amazing teachers and leaders during my career; however, my mom and dad inspired me the most to become a leader. They instilled the value in me that if I could help serve others then I should, and I believe that is what leadership is all about!
