Dr. Rush reported the following:

Step it up fundraiser raised almost \$34,000, of which the school gets 50%. Approximately 17,000 will go to the school for student and staff incentives, playground equipment, and classroom libraries.

The School Improvement Team did their initial visit at LRPS. Dr. Wiggins and Dr. Calhoun visited 4 classrooms. We received a proficient rating for our visit, which is awesome! Dr. Rush reported that our school is working on elevating student engagement, teacher clarity and rigor in classrooms.

Dr. Rush introduced our new family engagement liaison, Hannah Mericle. Since we are now a Title I school, Ms. Mericle will work with engaging families in school events and activities. Ms. Mericle shared some academic events we have planned for this school year.

Dr. Rush reviewed the fall MAP assessment results for each grade level. She shared the school improvement goals for this school year.
