

Objective

Students will exhibit confidence, perseverance, and be able to self-evaluate when facing challenges

Critical Initiative

implementation of the BARR model

Start Date: 07/28/2022

End Date: 05/26/2023

Key Measures

student/adult positive attitudes toward challenges

decrease in behavioral disruptions

improvement in student learning and effort

increase in students encouraging each other

Accomplished Readers

Objective

Students will be able to effectively read and comprehend varied texts

Critical Initiative

Improve Tier I instruction

Start Date: 08/05/2019

End Date: 05/26/2023

Key Measures

increase in student engagement

Critical Initiative

Strengthen phonemic awareness for struggling readers

Start Date: 08/05/2019

End Date: 05/26/2023

Key Measures

increase student achievement on assessments

Critical Initiative

Address Learning Loss

Start Date: 10/04/2021

End Date: 05/26/2023

Key Measures

increase in student achievement

increase in student engagement

Objective

Students will be able to compute proficiently and problem solve effectively

Critical Initiative

Improve Tier I instruction

Start Date: 08/05/2019

End Date: 05/26/2023

Key Measures

increase in student engagement

increase in student achievement

increase student mastery of standards

Critical Initiative

Address Learning Loss

Start Date: 10/04/2021

End Date: 05/26/2023

Key Measures

increase in student achievement

increase in student engagement

increase student achievement on assessments

increase student mastery of standards

Critical Initiative

Improve math fluency and mental math computation

Start Date: 10/03/2022

End Date: 05/26/2023

Key Measures

increase in student achievement

increase student achievement on assessments

increase student mastery of standards

Objective

Students will comprehend scientific concepts proficiently.

Critical Initiative

Improve Tier I instruction

Start Date: 08/05/2019

End Date: 05/26/2023

Key Measures

increase in student engagement

increase in student achievement

decrease in classroom disruptions

Critical Initiative

Improve student critical thinking and problem solving skills

Start Date: 10/03/2022

End Date: 05/26/2023

Key Measures

increase in student achievement

increase student achievement on assessments

Objective

Students and teachers will use digital tools effectively

Critical Initiative

Provide more digital tools for student use

Start Date: 08/05/2019

End Date: 05/26/2023

Key Measures

increase in use of digital tools
