Houston County School District to Offer Summer Feeding Program

HOUSTON COUNTY, GA – This summer, the Houston County School Nutrition Program will offer meals free of charge to children ages 18 and under. Children do not need to be enrolled in the Houston County School District to receive meals.

There will be three ways for families to participate in the Summer Meals Program. Daily walk-in meal service will be provided at two school locations, vans will serve meals in eligible neighborhoods, and three sites will offer a weekly meal pack pick up service.

Please note: the District will be closed each Friday in June and on Friday, July 3, 2026. Meals will not be served at these locations on these days, and the vans will not run on these days.

Option 1: Daily Meals

Daily meals will begin on Tuesday, May 26 and end on Friday, July 24, 2026.

Daily meals will be offered at the locations below each weekday and will be served onsite between 8:00 a.m. – 12:00 p.m. Per federal guidelines, children are required to be present, and meals must be eaten onsite.

- Northside High – 926 Green Street, Warner Robins, Georgia 31093
- Perry High – 1307 North Avenue, Perry, Georgia 31069

Option 2: Mobile Van Routes

Meals will be distributed by vans traveling seven scheduled routes through Houston County neighborhoods to serve children who are unable to access one of the school sites. Mobile routes will begin Tuesday, May 26 and end Friday, July 24, 2026. Per federal guidelines, children are required to be present, and meals must be eaten onsite.
