

Child Nutrition Newsletter

August 2026

What's New in the Cafeteria?

Hello! We are honored to be your new dining team and serve as your partners in child nutrition. Students will see a fresh new look in the cafeteria with signs and themes that create a welcoming environment. Your breakfast and lunch menus feature an exciting mix of new recipes alongside beloved kid-favorites. In the kitchen and on the serving line, you'll see many familiar faces and meet a few new ones too!

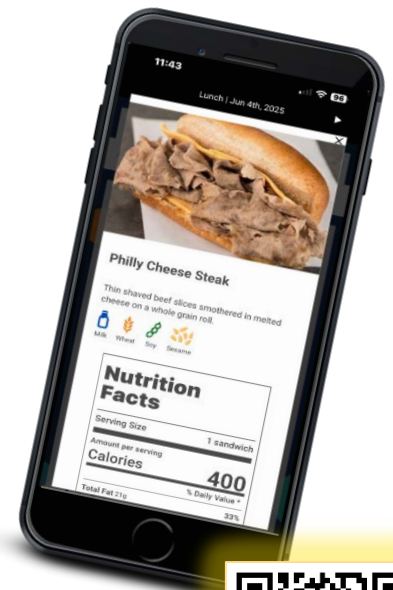

Throughout the year, we'll seek feedback to continuously enhance the dining experience. We are committed to **serving up happy and healthy** to every student, every day by bringing nutritious meals and fun activities to the table.

Online Menus at Your Fingertips

Your breakfast and lunch menus are now online, allowing students and families to:

- ✓ See detailed nutrition facts and photos of every menu item
- ✓ Filter for common food allergens
- ✓ Rate favorite menu items
- ✓ Plan ahead to be sure not to miss favorite meals
- ✓ Available in 40+ languages!

Visit: <https://westernline.nutrislice.com/menu> or scan the QR code. You can also download the free Nutrislice app from the App store or Google Play today!

Food Kids Love to Eat

At Chartwells, our goal every day is to make sure students leave the cafeteria happier and healthier than they arrived. We do this by serving food kids love to eat, giving students a voice, and creating programs that encourage fun and discovery.

For a limited time, our fall promotion is “Pizza Daze” featuring classic favorites alongside new creations like breakfast pizza, stromboli, and calzones. Knowing that 98% of students say pizza is their favorite food, this fun promotion is sure to be a hit!

Food Allergies & Special Dietary Needs

We work closely with families of students who have food allergies and medical conditions that require menu modifications. Please submit the required documentation to your child's school office and be sure you receive confirmation from our team that a modification plan is in place. Also, stay informed of potential allergens on the school menu with the Nutrislice menu app.

Did You Know?

Western Line School District is participating in Provision 2 Guidance National School Lunch and School Breakfast Programs. Provision 2 requires that the school serves meals to participating children at no charge but reduces application burdens to once every 4 years and simplifies meal counting and claiming procedures by allowing a school to receive meal reimbursement based on claiming percentages. Additional 4-year extensions to Provision 2 are possible when certain conditions are met.

Fun Experiences Coming to Your Cafeteria:

Connects nutrition education, cooking demonstrations, tastings, and learning activities with dynamic monthly themes.

Seasonal holidays, national food days, lucky tray days, and school spirit celebrations keep kids excited about school meals!
