ZOELLNER ARTS CENTER PRESENTS

THE RAINBOW FISH

SAT MAR 2 • 11AM

Mermaid Theatre of Nova Scotia presents a tale about the most beautiful fish in the sea, whose scales shimmer in all the colors of the rainbow. He is admired-and resented-by the entire underwater world until a clever octopus advises him to give each fish one of his scales. Further adventures follow as Rainbow Fish finds the courage to explore the great unknown deep sea, discovering a new world with wonderful sights and friendly creatures of all shapes, sizes and colors who are eager to make his acquaintance. The underwater wonderland is the setting for an introduction to the concept of opposites.
