

## VISION

S T A R – Students and Teachers Achieving Results

Álchíní dóó bá'ólta'í la' deile'

## MISSION

To'Hajiilee Community School strives to meet the educational needs of all students by integrating core content areas, preparing them with knowledge, skills and experiences to advocate, lead, and become self directed productive members in a diverse world both on/off the Navajo Nation and the United States of America.

## PHILOSOPHY

To'Hajiilee Community School will promote and integrate the Navajo Language and Culture to preserve Dine' identity and foster successful academic achievement to become advocates and leaders of their community
