IMPORTANT INFORMATION.... A MUST READ

Mandatory Volunteer Clearances

Dear St. Anne School Parents/Guardians:

As most parents are aware, the State of Pennsylvania and the Diocese of Allentown require that all volunteers in the school obtain Child Protection Clearances prior to participating in parent volunteer activities. This includes **any** volunteer activity, parent sponsored event in the school and/or parish as well as coaching, field trip chaperones, classroom activities etc. Please contact me directly for clarification/information regarding volunteer activities.

- This is a matter of PA STATE law and Diocesan regulation, that St. Anne School is required to strictly follow and enforce.
- Information, directions, and forms can be found on the **St. Anne School website**. **Please click on the “Parents” tab and then scroll to the “Volunteer Information tab.”**
- If you have any questions or concerns, if you wish to learn how to obtain all your clearances, or check the status of your current clearances – please **DO NOT HESITATE** to contact me at ebrida@stannebethlehem.org.
- **PLEASE NOTE: Some clearances can take a few weeks to obtain, the sooner you acquire your clearances the better.**
- If you currently have employee clearances through your place of work – some of those may not be accepted for volunteer purposes per the State of PA. You will need new clearances. I can assist you with this process.
- I will do my best to make current volunteers aware of any upcoming expiring clearances.
- It is always a good idea that you keep a record of all your clearances. You should keep all your originals at home in a file and hand in only copies, so that you are aware of your own clearance status.
- If you wish to send in clearances, you can forward them to me via email or, you can hand them in through school (**in an envelope To: Eileen Brida, marked “Clearances”**) or **drop them at the school main office.**
- I am pleased to assist you with this paperwork. Please contact me if you have any questions. I will respond as quickly as I can.

Thank you for your kind cooperation as we work together to maintain the health and safety of our children.
