

## **Chadwick-Milledgeville CUSD #399 Health and Safety Protocols 2022-23**

- Vaccines are available including boosters
- Stay home if you are sick (students & staff)
- Social distance when possible
- Wash your hands frequently
- Cover your cough
- Clean frequently touched surfaces often
- The district will continue enhanced sanitation practices
- Testing is the responsibility of the student's families or staff member
- We no longer contact trace
- Quarantine is required for those that test positive for COVID-19 (5 days from onset of symptoms) Return to school when you are no longer sick/symptomatic.
  - Note, close contacts no longer must quarantine

**“Stay home if you are sick! Come to school if you are not sick!”**
