## STUDENTS PREPARE FOR STATE TESTING

We are diligently preparing students for ACAP testing. Testing will begin next week! Students in grades 2-5 will be participating in the ACAP testing beginning March 19 - April 9. Check our Facebook page for the weekly testing schedule. It is very important that your child is on time and present each day for testing. Encourage your child to stay focused, work hard, and do their very best!

**ROCK THE TEST / DON'T STRESS**  
JUST DO YOUR BEST

**Let's increase our state report card score from a B to an A! Students missing 18 days or more count against us and decreases our score!**

It's time to raise life-saving funds through Jump Rope for Heart! Each student is asked to raise at least \$10. Register your child online using the QR code below. Students completing Finn's Mission will have their name placed in a drawing to win 2 tickets to the Super Bowl in Los Angeles, California! Let's make this year a record breaking year for raising funds for the Kids Heart Challenge!
