

VECTOR SOLUTIONS

Employee Training Platform | Log-In Guide

Quick-Start Instructions

Use this guide to access Vector Solutions through the Williamsburg County School District website and ClassLink.

PURPOSE Vector Solutions allows employees to receive and track required training so the district remains compliant with state and federal guidelines.

1

Open the WCSD Employee Resources page

Start from the district website: www.wcsd.k12.sc.us

From the district website, select the Employees tab in the top navigation menu to open Employee Resources.

On the Employee Resources page, select the ClassLink icon.

2

Sign in to ClassLink

Use the same district credentials you use to sign in to your computer.

Selecting ClassLink opens the district ClassLink sign-in page. Enter your district username and password, then select Sign In.

TIP Use your district network username and password. If you cannot sign in, verify that you are using your current district credentials.

3

Open Vector Solutions

ClassLink provides single sign-on access to the training platform.

After signing in to ClassLink, locate the Vector Solutions icon and select it. You will be taken automatically into the training platform.

TIP Look for the Vector Solutions icon located on the bottom row of the screenshot above.

4 **View your assigned training**

Your dashboard displays required courses and your training progress.

Once Vector Solutions opens, your dashboard will display your mandatory training modules. You can also use the dashboard to monitor your training progress.

YOU ARE READY TO BEGIN Select an assigned module from your dashboard and follow the on-screen instructions to complete your training.
