FROM THE DEPUTY EXECUTIVE DIRECTOR **OF PUBLIC WORKS**

Greetings To The Community,

Are you ready to grow with us this summer?

I want to invite you along for fun activities, events, and programs this summer. In mid-March we began collecting feedback from each district through community engagements, this data will be used to assist us in creating what you want to do and see throughout our City for the next 3-5 years. This summer we are working hard to enhance how we grow together as a community.

STEM MOBILE presents S.T.E.M. Saturday! Every third Saturday of the month we offer this free event in an effort to engage, expose, and inspire children in the fields of science, technology, engineering, and math (STEM) through high-quality programming and resources.

Every second Friday of the month throughout Downtown, Mobile we celebrate the arts with monthly themes that highlight culture, diversity, and local creatives during LODA ArtWalk. If you are new to this event or it's been a while since you've last gone then, I invite you to see all the new activations that have been added such as a Non-Profit Zone. Performance Zone. and a Kids Zone!

#MPRDKids Summer Camps are back with weekly field trips and themes that include Arts & Culture, Sports & Fitness, plus Education & STEM.

We are also offering a Teen Exploration Camp for ages 13-15. Teens will explore weekly career fields, visit local colleges, enjoy field trips, plus prep for the ACT, and more!

There is always something to explore with Mobile Parks and Recreation and we look forward to beautiful weather, good times, and planting the seeds needed for a better community.

Enjoy!

Shonnda Smith

Deputy Executive Director of Public Works.

The ADA Liaison provides inclusion to individuals with disabilities and/or medical conditions who request modifications to participate in other Parks and Recreation programs. The City of Mobile Parks and Recreation Department welcomes the participation of all individuals, including those with disabilities or special needs. We are committed to compliance with the ADA and provide reasonable modifications to facilitate program participation. We request that modification requests are made three weeks in advance, so we can communicate and prepare appropriate modifications. To request a modification or for more information, please contact us via email at mprdada@cityofmobile.org or at 251-208-6169.

Structured Camps include:

ARTS AND CULTURE

6/5-6/23

Featuring weekly themes and projects, campers will celebrate arts and culture! They will become pop stars by writing and performing their own music, learn about storytelling and character-building while becoming an author of their own book and travel the world getting their passports stamped while learning about artists from all over! Children will love learning more about Mobile arts and culture while enjoying activities to help enrich the mind and body. Weekly field trips will include swimming, theater plays, paint party trip, symphony and dance shows!

CAMP LIFE

SPORTS AND FITNESS

6/26-7/14

Featuring weekly themes and projects, campers will dive into the world of sports and fitness. Campers will learn about food ingredients and healthy habits in order to write and prepare their own kid-approved cookbook, they will work together to build their own sports team and create new games with their own rules, and they will compete in tournaments to show off sportsmanship in their own #MPRDKids Olympics-style Showdown! Campers who like to be active can choose from a variety of activities and sports that add diversity to their exercise routine, while having fun at the same time. Weekly field trips will include swimming, bowling, skating, and a #MPRDKids Cup exclusive event!

EDUCATION AND STEM

7/17-8/4

Featuring weekly themes and projects, campers will explore the world of STEM. They will learn to code their own games and become game masters through new tech skills and they will become a mad scientist by competing in their own science fair, complete with exploding volcanoes! We will be sharing the wonder of STEM (science, technology, engineering and mathematics) this summer in an interactive camp environment to encourage campers to explore, build and create. Weekly field trips will include swimming, aquarium exploration and a discovery museum trip!
