

Employees are hired into positions according to the following status classifications:

Full-Time Regular: This is a status classification for employees who are regularly scheduled to work thirty hours or more per week.

Variable Hour: This is a status classification for employees who are regularly scheduled to work less than thirty hours per week.

Temporary/Seasonal: This is a status classification for employees who are hired for a limited period of time. Temporary employees will generally not be hired for a period longer than three months, but that time may be extended by three additional months depending upon the needs of the restaurant.
