1	My grandson is in 1st grade. My experiences with communication, support and responsiveness of the teachers he has had is OUTSTANDING.	2/10/2023 5:43 PM
2	The school needs a mental health counselor added to the staffing and one teacher aide in each grade for the teachers with the more problematic students. This needs to be the top priority and I believe this school would be a completely different and positive environment! The staff is amazing, but a majority of the parents and students are in need of mental health assistance. If this facility was given more tools they would make sure to devote every bit to their students success. This school is deserving of more funding!	1/31/2023 10:19 PM
