

Evaline Weekly News

10-29-2021

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities and provides equal access to Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Winlock, WA 98596, 360-785-3460 kmacdonald@evalinesd.k12.wa.us

ATTENTION PARENTS/GUARDIANS

We will have no P.M. bus available on Wednesday, Nov. 3rd.

Conferences 11/1 to 11/5

Conferences will be the week of November 1st - 5th. **Students will be dismissed at 11:30 every day of conference week.** A "snack" lunch will be sent home with your student(s) on these days if they order one.

Rainy Recess

Dear Parents/Guardians, we ask that you please send your student(s) to school with appropriate rainy day clothing. Please make sure your student(s) have a rain jacket and shoes that can get wet as we still offer outside recess on rainy days.

SURPLUS DESKS

The Board has approved the surplus of 13 double student desks. Please call the school if you are interested in picking up one or more.

Inclement Weather Conditions

In the event of snow, ice or other inclement weather conditions it may be necessary to adjust school starting time or cancel classes. In these kinds of situations please listen to your local radio stations and News Channels. We try very hard to make decisions by 6:30a.m. Once the decision is made it is posted to the Flash Alert website and they send it out to all local TV and Radiostations. You can also go onto flashalert.net and check for delays and closures there. If the alert states that we will be on snow routes, this means that there are roads the bus will not go down (**Please see attached flyer for our snow routes**). If you DO NOT hear any information regarding Evaline School you must assume school

will be in session as usual. In the case of unplanned early dismissals due to emergencies students will either be transported home on the bus or will need to be picked up by their parent/guardian right away. This would include instances of sudden loss of power, water, or accumulation of snow. Thank you!

Important Dates!!

Nov.

Mon-Fri. 1st-5th: Fall Conferences / Early Dismissal, 11:30 all week

Wed. 3rd: No PM Bus

Sun. 7: Daylight Savings Ends

Wed. 10th: WREATH ORDERS DUE

Wed. 10th: Field Trip to the Veterans Memorial Museum

Thurs. 11th: Veterans Day-No School

Tues. 23rd Wreath Order Ready for Pick Up

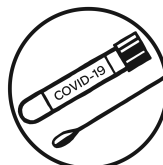

Wed. 24th: Early Dismissal, 12:30

Thurs-Fri. 25th-26th: No School-Thanksgiving Break

COVID-19 Testing

We are now able to offer COVID-19 testing at our school to our students and their families. Please read the attached flyer for more information.

Dear Parents and Guardians

If your student is or will be absent we ask that you please contact the school office via phone or email and let them know. Due to health and safety protocols, if a student is absent, schools are required to determine if the absence is excused or unexcused, which in turn requires attendance staff to have communication directly with parents/guardians. If office staff have not heard from you by 10:00am they will contact you via phone or email. Thank you so much for your cooperation. Evaline office, (360) 785-3460
Attendance staff email: ckirkpatrick@evalinesd.k12.wa.us

Apparel Order

The booster club is doing a new apparel order starting now! All orders are due November 2nd. It will be done strictly online through the link below.

<https://evalinelions2021.itemorder.com/shop/sale/?saleCode=VUXGW>

If you have any questions please contact the booster club at: evalineboosterclub@gmail.com

Wreath Orders ASB Wreath Fundraiser

Keep selling those wreaths! All earnings are used for a variety of student activities.

*** All orders MUST be turned in with money by November 10th.**

***Pick up will be November 23rd.**

Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RWCW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Winlock, WA 98596, 360-785-3460 kmacdonald@evalinesd.k12.wa.us

Kindergarten

Mrs. Tinnin

Students are learning about the number 10. We spent a math class discovering ways to make ten using our Unifix cubes, counters, and crayons. Students are also working on comparing numbers using the terms greater, less, and same.

We continue to work on patterns. Students can identify simple patterns- ABC, ABBC, ABCCD and identify what comes next.

This week students learned about the letters i, o, g, and s. They practiced reading CVC words with the letters we have already covered so far this year. They also learned the sight word 'the'. As we read the Scholastics reader, we practice recognizing the word 'the'. You can help with this as you read stories at home.

First and Second Grade Explorers

Mrs. Mittge

Students used the science concepts of modeling and simulation to replicate natural phenomena! We created sand dunes in tanks and then used water and wind to watch the impact weathering and erosion had on land features. We are now watching our wet sand as the water evaporates to see if it impacts the land formation.

Here is a link to video that discusses how water and wind changes the shape of land:

<https://www.generationgenius.com/videolessons/changing-the-shape-of-land-video-for-kids/>

Congratulations to the Explorers who made it to their next AR Leap!

AR Awards:

Leap 2-Sadie Faulkner

Leap 1-Sasha Klemmense

*****Kaira Hardenbrook is more than halfway to her first Leap!**

Families, please continue reading aloud for 20 minutes every night with your child. They are growing so fast! As you read, try identifying letters and the sounds they make. If your child comes across a challenging word, encourage him/her to look at pictures and read around the word.

Third and Fourth Grade Classroom

Ms. Turnquist

This week in science students tested the water of our turtle tank to see how compatible it would be for salmon. We tested turbidity, dissolved oxygen, pH, nitrates, and temperature. We learned that the high temperature of our tank caused an increase in the level of nitrates which is what caused the algae in the tank this in turn resulted in a high turbidity level that would make it hard for salmon to navigate. The temperature also causes the dissolved oxygen to be unreadable.

Students determined this would be bad for salmon as they breathe through their gills but it doesn't affect the turtle because they do not take their oxygen from the water.

AR Leaps

Leap 2- Grady

Leap 3- Ikeer

Fifth and Sixth Grade Classroom

Mr. Burlingame

Our fifth and six grade students presented their state projects this week that they've been working on since last week. Here are some of the great posters they created:
