Dear Parent or Guardian:

We are pleased to inform you that the Greenville Public School District will be implementing a new option available to schools participating in the National School Lunch and School Breakfast Programs, called the Community Eligibility Program (CEP), for the 2025-2026 school year.

What does this mean for you and your child(ren) attending the Greenville Public School District?

Great news for you and your children! All enrolled students of the Greenville Public School District are eligible to receive a healthy breakfast and lunch each day at no charge for the 2023-2024 school year. No further action is required of you. Your child(ren) can participate in the meal programs without having to pay a fee or complete an application.

If we can be of any further assistance, please contact us at:
