A Note To You

Hello Families,
Thank you to those of you who signed up to bring a treat for our fall party! I am sending home more sign-up sheets if you'd still like to sign-up for something.
I am looking forward to our conference this week! Be thinking about any questions you might have for me.
See you soon!
Mrs. Summerfield

Practice At Home

- ❖ UFLI at home practice will guide you through the spelling pattern we are learning in class. Practice, practice, practice! These spelling patterns come and go quickly!
- ❖ Read 20 minutes each night and document it on your October reading log. These will be due at the end of the month.
- ❖ Math Practice sheets will reflect what we have been learning in class so that you can do a little more at home. Practice adding and subtracting on a number line!

This Week's Agenda

Spelling: Reviewing long vowel sounds: /a/, /e/, /i/, /o/

A: ai, ay

E: ee, ea, ey, y

I: igh, ie

O: oa, ow, oe

Reading: After all the hard work we've put into our research and writing over the last few weeks, we are finally ready to turn our rough drafts into final drafts. You'll get to see your kiddo's final draft at our conference.

Math: We will continue learning strategies to add two-digit numbers. Some strategies include using a 100's chart, adding on a number line, and decomposing numbers to add tens and ones together.

Science: We will continue to investigate how seeds move
