

Dear Parent/Guardian,

We are excited to inform you that our school has enrolled with STOPit!

STOPit is an online reporting tool designed to deter and mitigate bullying, cyber abuse, and other inappropriate behaviors, consisting of an app and a back-end incident management system for school administrators.

Our students will have access to the STOPit mobile app, which has two simple but powerful features.

Report can be used by students to report incidents to school contacts anonymously.

Messenger can be used to engage in anonymous two-way communication with school contacts.

Both Report and Messenger empower students to stand up for themselves and for one another. Students have the power to help put an end to harmful and inappropriate behavior they see online through social media and other means. They can use STOPit to reach out for help if they or a peer are facing a personal crisis or experiencing bullying, abuse, or are otherwise in need of assistance. Our goal with STOPit is to create safer, kinder, school communities both online and off.

No student information is needed to use STOPit. The only way personally identifiable information will be accessible through STOPit is if a student voluntarily includes it within the content of a report or message.

Both our school and STOPit are committed to protecting the privacy of student data. STOPit is a signatory to the [Student Privacy Pledge](#), spearheaded by the Future of Privacy Forum and the Software & Information Industry Association. You may review STOPit's [Privacy Policy](#) for details, including more information on how anonymous reporting works.

Please note that we will be launching STOPit at Page Middle School, Manson Mesa/ Sage and Sand, and Page High School the beginning of the 2021/2022 school year. At that time, your child will be invited to download the STOPit app from the app store on his or her smartphone or tablet at no charge.

More information and resources can be found online at stopitsolutions.com.

Knowing that our students have faced even more challenges during the COVID pandemic and isolation we encourage your student to add this tool to support their social and emotional well being. This way they can reach out for help before the problems they or their classmates are facing become overwhelming. Please take the time to learn about this program and talk to your student about using it to keep themselves safe.

Respectfully,

A handwritten signature in green ink that reads 'Larry E. Wallen'.

Larry E. Wallen

Superintendent
