CHEMIC SALUTES

Ethan Starke. Ethan helped a fellow Chemic clean up an accidental drop of papers "yard sale" that spread from one side of the hall to the other. It was great seeing a Chemic go out of their way to help another Chemic out rather than just walking on by.

Blood Drive Participants: Thank you to the individuals that donated blood at the blood drive on January 9th. Over 45 lives were saved because of your donation.

All of the Rhapsody Participants: Last night was an incredible display of talent and Chemic Pride on stage at MCFTA. A huge shout out to all of the performers, both staff and students, and all of the people that were involved behind the scenes to put on an incredible show!
