Personal Leave

Full-time certified employees are entitled to two days of paid personal days each school year. Full-time classified employees are entitled to one day of paid personal day each school year. Employees shall notify their immediate supervisor/the principal at least one (1) school day prior to the planned absence. See [Board Policy 5.303](#) for personal and professional leave.

Dyersburg City Schools

If a certified employee has worked ten years with the district, they may purchase an additional personal day by making a request to their principal or supervisor.

Sick Leave

Full-time employees earn one (1) day of sick leave for each month employed during the school year. These days accumulate for an unlimited number of days.

Part-time employees earn one (1) day of sick leave for each month employed during the school year. The days are recorded as whole days. If the employee uses a sick day for the hours that they work per day, the employee uses a whole sick day.

Sick leave shall be defined as: illness from natural causes or accident, quarantine, or illness or death of a member of the immediate family, including spouse, parents, grandparents, children, grandchildren, brothers, sisters, mother-in-law, father-in-law, daughter-in-law, son-in-law, brother-in-law, and sister-in-law. For additional information, see [Board Policy 5.302](#)

Sick Leave Bank

The purpose of the sick leave bank is to provide sick leave to contributors to the bank in the event of a disabling illness/injury, after their available sick leave or any other applicable paid leave has been exhausted.

An employee who is a member of the sick leave bank may request an allotment of days (for the employee's personal illness or on account of an illness of his/her minor child - a minor child is a child 17 years of age or younger) in the manner designated by the trustees. The need for these days shall be verified by a statement from a physician.

SICK LEAVE BANK COMMITTEE: A Committee of Trustees in accordance with the provisions and procedures outlined below shall administer the sick leave bank. The committee will be composed of three (3) members; two (2) members of the School Board, and the Superintendent, who shall chair the committee. This committee shall be appointed with the statute.

PROVISIONS

1. Membership in the Sick Leave Bank is limited to those individuals who are full-time employees of Dyersburg City Schools.
2. Eligible employees may join the sick leave bank by donating two (2) sick leave days. The committee may assess additional day(s) as they deem advisable. Members will be advised of additional days to be assessed.
3. Sick leave bank days may be granted only for instances of disabling illness or injury to an individual employee.
4. Grant of sick leave shall not be made on account of elective surgery, maternity, illness of any member of participant's family, or during any time the member is receiving

Dyersburg City Schools

disability benefits from social security, the state retirement plan or the local retirement plans.

5. An employee shall incur five (5) unpaid work days following the exhaustion of all available paid leave before days from the sick leave bank can be considered.
6. Employees will enroll only during October of every year, and shall be enrolled without regard to pre-existing conditions of health if they are on active duty (on the job) at the time of contribution. Eligible employees must have accumulated two (2) sick days to join the sick leave bank.
7. All donations to the bank are “final” and may not be returned to the donor unless the bank is dissolved.
8. Employees shall receive benefits from the bank for their contracted period of employment. No benefits shall be paid for those days when an employee would not normally be in pay status.
9. The trustees shall prescribe the form and manner of application for use of leave from the bank. The trustees shall act either affirmatively or negatively on all applications within ten (10) calendar days of the application. (Leave grants from the bank, approved by the trustees, shall not be more than twenty (20) consecutive days for which the individual applicant would otherwise lose pay.) Applicants may submit requests for extension of such leave grants before or after their prior grants expire. The maximum number of days any participant may receive in any fiscal year (July 1 to June 30) is as follows:
 - a. Not more than twenty (20) consecutive days for which individuals would otherwise have lost pay. Applicants may submit requests for extensions of leave grants before or after their prior grants expire.
 - b. A maximum of sixty (60) days in any fiscal year
 - c. A maximum of ninety (90) days as a result of any one illness or recurring diagnosed illness or accident.

In the event a member is physically or mentally unable to make a request to the Sick Leave Bank, a family member or agency may file the request. All records of the Sick Leave Bank shall be kept in the Central Office with sick leave records. The trustees shall inform the office of all applications they approve and the amount of additional leave granted the member. If the trustees determine it necessary, they may require a physician’s certificate of condition from any member requesting additional leave. Refusal to comply will result in denial of the pending request for use of sick days from the bank. Sick leave granted a member from the bank need not be repaid by the individual except as all members are uniformly assessed.

Family and Medical Leave (FMLA)

Employees are eligible for up to twelve (12) workweeks of family and medical leave each school year, if they: (1) have been employed by the District for twelve (12) months; (2) have worked at least 1,250 hours during the twelve (12) months; and (3) qualify for this leave based one of the reasons below:

Dyersburg City Schools

2. The placement of a child with the employee for adoption or foster care;
3. A serious health condition of the employee that makes the employee unable to perform the essential functions of his/her job position;
4. The care of a spouse, child, or parent of the employee who has a serious health condition;
5. Any qualifying circumstances arising out of the fact that a spouse, child, or parent of the employee is on covered active duty or has been notified of an impending call or order to covered active duty in the Armed Forces.

For additional information, refer to [Board Policy 5.305](#)

Paid Parental Leave

Under state law, an additional six (6) work weeks of paid leave is available to eligible employees after a birth, stillbirth, or adoption of a newly placed minor child. An eligible employee taking leave under this provision shall not be required to utilize any other type of accrued leave during this period. Eligible employees include teachers, principals, supervisors, or other individuals required by law to hold a valid license of qualification for employment who have been employed with a school district full time for at least twelve (12) consecutive months.

Employees shall provide notice to the school district thirty (30) days prior to the intended use of the leave. If the employee learns about the need for leave less than thirty (30) days in advance, the employee shall give notice as soon as is reasonably possible in order to be eligible for the paid leave. This paid leave does not need to be taken consecutively; however, the paid leave shall be used within twelve (12) months of the qualifying event. The leave shall run concurrently with FMLA leave.

Maternity/Paternity Leave

FMLA leave runs concurrently with leave provided under the Tennessee Maternity Act, which affords eligible employees leave for a period not to exceed four (4) months for the adoption, pregnancy, childbirth, and nursing of a newborn child.

Spouses who are both eligible employees of the District are limited to a combined total of twelve (12) workweeks of FMLA leave in a single twelve (12) month period if the leave is taken for the birth and care of a newborn child, for the placement of a child for adoption or foster care, or to care for a parent who has a serious health condition. Under certain circumstances, spouses who share leave for the birth or adoption of a child may be eligible for limited amounts of additional leave for other qualifying FMLA reasons.

If you are adding your child to your health insurance with Dyersburg City Schools, please be aware the plan requires that the child be added within 30 days from the date of the child's birth.

Dyersburg City Schools

For additional information, refer to [Board Policy 5.305](#)

Extended Disability Leave

The Director of Schools/designee may require an employee to provide verification of a medical condition that will justify the need for disability leave.

Professional Leave

Professional leave is a short, temporary absence for the purpose of attending workshops and other meetings relating to school business or serving on boards and commissions which meet during daytime hours when appointed by a mayor, city council, county executive or county commission.

For additional information, refer to [Board Policy 5.303](#)

Emergency Leave

Employees shall inform their immediate supervisor as soon as practicable of the need for emergency leave. Forms documenting this type of leave shall be submitted on the day after returning to work from the emergency leave.

For additional information, refer to [Board Policy 5.301](#)

Jury Leave

If an employee is summoned for jury duty, he/she shall present written evidence that he/she has been summoned to serve on a jury. The employee shall be entitled to the usual compensation, less the amount paid by the court.

For additional information, refer to [Board Policy 5.301](#)

Military Service Leave

Military leave shall be granted in accordance with state law. Employees are responsible for notifying their immediate supervisor of the relevant dates. A copy of the orders for duty, including the dates of departure and return, shall be submitted when requesting leave.

For additional information, refer to [Board Policy 5.306](#)

Leave for Military Family Members (FMLA)

1. Qualifying Exigency Leave - Eligible employees are entitled to up to twelve (12) workweeks of leave because of any “qualifying exigency” arising out of the fact that the

Dyersburg City Schools

spouse, son, daughter, or parent of the employee, as defined under the FMLA, is on active duty, or has been notified of an impending call to active duty, or has been notified of an impending call to active-duty status in the Armed Forces. Qualifying exigencies may include:

- a. Issues arising from the service member's short notice deployment;
 - b. Military events and related activities (e.g. official ceremonies, support programs);
 - c. Making or updating financial and legal arrangements;
 - d. Attending counseling;
 - e. Taking up to fifteen (15) days leave to spend time with a covered service member who is on short-term rest and recuperation leave during deployment; or
 - f. Attending post-deployment activities.
2. Military Caregiver Leave - An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered service member or covered veteran with a serious injury or illness is entitled to up to twenty-six (26) workweeks of leave in a "single twelve (12) month period." A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in out-patient status, or is otherwise on the temporary disability retired list for a serious injury or illness.

A covered veteran is an individual who was a member of the Armed Forces at any time during the period of five (5) years preceding the date of the medical treatment, recuperation, or therapy that has a serious injury or illness who is currently receiving medical treatment, recuperation, or therapy. The calculation of this five (5) year period shall not include the interval of October 28, 2009 through March 8, 2013.

The "single twelve (12) month period" for military caregiver leave begins on the first day the employee takes leave for this reason and ends twelve (12) months later. An eligible employee is limited to a combined total of twenty-six (26) workweeks of leave to provide care for a covered service member. The maximum of twenty-six (26) workweeks may include no more than twelve (12) workweeks of leave that is taken for the birth and care of a newborn child, for the placement of a child for adoption or foster care, for care of a parent who has a serious health condition, or for the employee's own serious health condition

Unpaid Leave

Leave without pay may be granted upon written request to the principal. There will be a \$25 per event processing fee for a request for day(s) without pay for any employee. If a request is made to be off without pay, the amount to be deducted will be determined by taking the contracted salary divided by the number of days contracted to work to get the amount paid per day. The amount paid per day will then be multiplied by the number of days requested to be

Dyersburg City Schools

off without pay. This calculated total will be shown as a negative adjustment to the gross wages for that month. We will then apply the \$25 processing fee as a separate payroll deduction.

Physical Assault Leave

A teacher who is absent from assigned duties as a result of personal injury caused by physical assault or other violent criminal acts committed in the course of the teacher's employment duties, shall receive his/her full salary and full benefits until the teacher is released by his/her physician to return to work or his/her physician determines the teacher is permanently unable to return to work. If the teacher receives workers' compensation or other similar benefits, the Board shall pay the difference between that amount and the teacher's full salary.

A signed statement listing the cause of the absence shall be provided by the employee on forms furnished by the Director of Schools and shall promptly be given to the immediate supervisor in support of all claims. A certificate from the physician on forms furnished by the Director of Schools may also be required to verify the extent of the injury. For additional information refer to [Board Policy 5.307](#)

Privacy

Electronic mail and other electronic records are subject to the Public Records law, which means that any e-mail or files sent, received, or stored on the school district's technology systems is the property of the school corporation, and could become public information (i.e., appear in a newspaper) or subpoenaed for court purposes. In addition, the school district reserves the right to inspect electronic mail if there is reasonable cause to expect wrongdoing or misuse of the system. Deleted e-mail can often be retrieved if necessary. For these reasons, employees should have no expectation of privacy of electronic files.

Security

Security on any computer system is a high priority, especially when the system involves many users. If you feel you can identify a technology related security problem, you must notify the district administrator immediately. Safeguard your passwords, and select secure passwords. Do not use another employee's account or modify files, passwords or data belonging to another employee without consent from that individual or authorization from the appropriate administrator. Any user identified as a security risk, or as having a history of problems with other computer systems, may be denied access to district technology.

Vandalism

Vandalism will result in cancellation of privileges. Vandalism is defined as any malicious attempt to harm or destroy or alter data of another user, Dyersburg City Schools, the Internet, or any agencies or other networks that are connected to the Internet. This includes, but is not limited to, the intentional uploading or creation of computer viruses.

Privilege

The use of technology is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. The district administrator will deem what is inappropriate use and that decision is final. The system administrator(s) may restrict access to technology resources at any time, as required.

Social Media

Employees should exercise care in setting appropriate boundaries between their personal and public online behavior, understanding that what is private in the digital world often has the possibility of becoming public, even without their knowledge or consent. Dyersburg City Schools strongly encourages all employees to carefully review the privacy settings on any social media and networking sites they use and exercise care and good judgment when posting content and information on such sites.

When using a social media site, an employee is strongly discouraged from including current, minor students as "friends," "followers," or any other similar terminology used by various sites without the written permission from the student's parent. If an employee maintains or participates in a Dyersburg City Schools sponsored online community that extends to persons who are parents, alumni, or other constituents, she/he must exercise good judgment about any content that is shared on the site.
