### It's a great time to be a Tiger!!

#### Tri-Township Robotics is sending another team to state!!

Last weekend we had three teams travel to Ben Franklin Middle School for a 37 team tournament. Ian Ricks and Nolan Guse just missed the finals after a battling all day . Ty Sykora and Lauren Clark entered the finals in fourth place, while Cole Frank, Devin Hughes, and Alden McCormick entered in sixth. After all of the cubes fell, the team of Cole, Devin, and Alden ended up with the tournament Championship award earning a bid to the state tournament in March at Lucas Oil. Ty and Lauren finished the day with a second place finish in the teamwork portion.

Ty and Lauren also secured the Skills Championship once again with a score of 145 points. The Tigers went to Valpo and came home with a clean sweep!! Good luck to them this weekend at Kingsford Heights!
