**Gizmo and Coach Jim Stroker**  
On Monday, October 7th, Gizmo D. Robot visited CRS, inspiring our students with valuable lessons on kindness and respect. Then, on Wednesday, October 9th, Coach Jim Stroker engaged our students at LLE, sharing insights on navigating life's challenges. A heartfelt thank you to the PTO Cultural Arts Committee for making these enriching assemblies possible!

## Week of Respect

During the week of October 7th, our students celebrated Respect Week with themed days focused on kindness, respect, and spreading joy.

Each day featured a different outfit, allowing them to express themselves while learning valuable lessons. It was a fun and meaningful week!

## Spotlight on Kindergarten

Stop, drop, and learn all about fire safety with our kindergarteners! This month, students have been learning the signs and safest steps to navigating a fire emergency at home and in public places. After illustrating their own *Fire Safety Book* and creating a mini firefighter poster, our junior firefighters graduated with their very own helmet crown and mini sidekick, Sparky! Students learned to always look for the red "exit" signs if there were a fire in a public place, to "never hide and go outside", and "get low and go" if they see or smell smoke. We discussed how metals (like doorknobs) get hot if exposed to heat, so students learned to never grab a door knob if a fire is nearby and if caught on fire to "stop drop and roll". Lastly, we even got to meet our community heroes and learned all about firefighters and the tools they use to keep us safe!

Dear CRS and LLE Families,

The LLE evacuation drill went extremely well. I am very grateful to our students, staff and the Demarest Police Department for making it run smoothly.

Please note the items below:

- **CRS Evacuation Drill:** This is something that we do each year for both schools.
  - **10/22-CRS**-All students and staff will practice our evacuation to Demarest Middle School. Please make sure that your children are dressed comfortably and are wearing sneakers. We do this in conjunction with the Demarest Police Department. Please see the attached [letter](#).
- **4th Grade Career Day:** This event will be held at LLE on November 14th.
- **Items to Remember:**
  - 10/31-Halloween Parades-More detailed information will be forthcoming
    - Preschool-9:00 am
    - CRS (K &1)-1:00 pm
    - LLE-2:15 pm

Have a great weekend!

Sincerely,

*Mr. Frank J. Maggini*
