## Discipline and Support Plan

Clatskanie Elementary will use a **progressive discipline plan** that emphasizes education and correction rather than punishment.

### Progressive Steps for Violations:

1. **First Offense:** The device will be confiscated and will be held in the office until the end of the day. An administrator or designee will meet with the student to review the Cell Phone & Personal Electronics policy and expected behaviors.
2. **Second Offense:** The device will be confiscated and held in the office. Parent/guardian will be notified and a parent or guardian will have to pick up the device or authorize its release to the student.

3. **Third Offense:** The device will be confiscated and held in the office. Parent/guardian conference required for return of device. The student will no longer be allowed to have electronic devices in the school building. **Personal electronic devices must remain at home or must be checked into the front office each day.**
4. Any violation of the school's Cell Phone & Personal Electronics Policy beyond the 3rd offense will result in additional disciplinary consequences:
  - a. **Fourth Offense:** If a student is in possession of a personal electronic device after the 3rd offense, the device will be confiscated, the student will receive a behavior referral, and will be assigned 2 days of lunch recess detention.
  - b. **Fifth Offense and beyond:** If a student is in possession of a personal electronic device after the 4th offense, the device will be confiscated, the student will receive a behavior referral, and will be assigned 1 day of in-school suspension.

**Note:** Administration reserves the right to move to any level of consequence or combination of consequences based on the severity of the offense.

---

## **Family Communication**

Families needing to contact their child during the school day should call the school office. Students may request to use a school phone in case of emergencies.

---

## **Final Note**

By working together, we can foster a focused, respectful, and safe learning environment for all students. Thank you for supporting our **"Off and Away All Day"** policy.
