

Jack Daley Primary School

April

NEWSLETTER

Principal's Corner: Spring is here! This time of year, puts us into the final grading period of the school year. Teachers and students are working hard to complete the school year successfully. As the end is mentioned more, please understand that students will continue to be challenged by their teachers and are expected to work and give it their all to the very last day. We ask for your help by continuing to complete homework and reading at home every day. Homework has three purposes. One, it helps you know what your student is working on in school. Two, it gives you a chance to see how your student performs on those skills. Three, it allows you to model the importance of education and learning in the home. Our goal is to have your student as prepared as possible for their next step in their academic futures. *We cannot do it without your continued support.* Please continue to stay in contact with your student's teacher as this can make a huge difference in their success and attitude at school. A reminder for students and parents to please use the appropriate crosswalks to and from school at both the street crosswalks and the highway. Thanks for all you do.
~ Mr. Lin Gifford-Jack Daley Primary Principal

Nurse Notes:

If your child has been sick, they must be 24 hours fever/vomit free **without the help of medicine** before returning to school. **Please help in preventing the spread of germs!** ~ Nurse Heather

JDPS Character Trait for April-Perseverance

MUSIC: As we enter April, I want to express my gratitude to all of our amazing parents for their continued support. I am so proud of each of our young musicians for their hard work and enthusiasm, especially after our successful and fun Disney-themed concert! It's been such a joy to watch their confidence grow and to see them shine on stage. Being your child's music teacher is truly a highlight of my year, and I am excited to continue making music and memories with them. Thank you for helping make this concert and the entire year so special! ~ Mrs. Carly Angle

The 2nd grade Kid's Heart Challenge will kick off April 1st through the 24th!

Donations will be accepted in cash and online. Please register online and complete Finn's Mission for other prizes, and for donations. We have raised \$3, 411 the past five years doing this fundraiser! We are shooting for \$1,000 this year! Top fundraiser will get extra prizes, and will be able to pie Mr. Gifford, Ms. Roark, or Ms. Fox Tadlock. Bring a \$5 donation for Pepper the duck! Go to Ms. Fox Tadlock's classroom room 9 before school, at recess, and after school with cash donations. If you donated online, she will bring the prizes to your classroom. Sidenote: large prizes will be ordered and delivered by May. Only the ducks will be given immediately. Thank-you! And I am super excited for us to raise money for a good cause! Drink water, get lots of sleep, and eat healthy to take care of your heart! ~ Ms. Fox Tadlock

We are Eagles. Watch us Soar!
