## PARENT SURVEY

Dear Parent:

Parents play an important role in the intellectual, social and emotional growth of their children. Our school wants to help children become more successful in school by working with their parents during these important years. We are in the midst of many changes based upon law and a desire to continuously improve to help our learners. In order to design our educational system that will meet the needs of you and your child, and help us form a better partnership, please answer the following questions and return this survey to your child's teacher or the office by the end of May so that your input will be used in planning and budgeting for the upcoming school year. Thank you, your input is highly valuable to us.

1. What specifically would you like to know more about our school?

2. From what source do you get most of your information about our school (check all that apply)?
