PROPOSITION

Shall the district be authorized to impose an increase in local taxes to support the Building Reserve Fund in the amount of $25,000.00 each year over the next five years for a total of $125,000.00; which is approximately 4.81 mills to support the Building Reserve Fund. The intent of this levy is to increase the Building Reserve Fund to allow for the operation, maintenance, and improvements of the school owned buildings and grounds. Passage of this proposal will increase the taxes on a home with a market value of $100,000 by approximately $6.49; and a market value of $200,000 by $12.98. The proposition lists an approximate number of mills, since taxable valuation and other information necessary to determine an exact number of mills is not available at the time of election. Actual mills will commonly differ from this estimate. The maximum budget authority cannot exceed limits determined by school finance statutes.

☐   FOR the additional levy.
☐   AGAINST the additional levy.
