Greetings Greyhounds!!!

With the 1st marking period behind us, we are very excited about starting the second marking period. Please be sure to check your child's grades on Skyward next Monday, November 4th. In addition, there is HOMEWORK HELP available for any student who may need extra support in a class. Please check with the office or the announcements for the time and location of Homework Help.

The SASHS Administration hopes all of our students, faculty & staff members, and families have a wonderful and enjoyable Thanksgiving break! Happy Thanksgiving!!

Wishing you a wonderful Thanksgiving filled with love and happiness.

— FOUR DIAMONDS —
Conquering Childhood Cancer

SASHS MiniTHON Club has had a busy start to the year as they begin their second year of fundraising for Four Diamonds, an organization that supports families whose children are being treated for cancer at Penn State Children's Hospital in Hershey. The club has already held a Car Wash/Bake Sale, Gold Out Games for all fall sports, a Halloween Ghost Flocking Fundraiser, a "Boo Basket" raffle, and they're gearing up for one of their biggest fundraisers, No Shave November. The kick off assembly was held on October 10th and club committees are being formed now. Last year SASHS MiniTHON raised over \$26,000 for Four Diamonds and students hope to exceed this amount this year!

SASHS FFA assists with the SAMS FFA Exploratory Club

Did you know that the Middle School has an FFA Exploratory Club? This semester a whopping 44 students enrolled in the FFA Club! The Shippensburg FFA Officers help Mr. and Mrs. Stoner plan and run the agricultural-based meetings to explore the FFA before coming to High School.

For the first meeting, the Shippensburg FFA Officers were able to explain what FFA is, how to become an FFA member, why students would want to be members, what opportunities students can have through FFA, and so much more! The officers were able to share their potential for premier leadership, personal growth, and career success through FFA.

The second meeting was Animal Science Day! The middle schoolers traveled to the high school ag shop to rotate in stations. There was a digestive system, wildlife track ID, horse trivia, vet science Headbandz, and identifying dog breed groups station.

In the future, the Shippensburg FFA will explain what to expect at an official FFA meeting, plant science day, FFA traditions, and a woodworking project.

A special thank you to the SASHS Staff and Faculty members who are Veterans!
Thank you for your service to our country!

CAREER CORNER-

On October 2 students attended the Manufacturing Association's Create, Make & Take Day. Students learned about the 5 S's of lean manufacturing. Students then applied their knowledge to see how well they could build a Lego ambulance. During this trip students also assembled a motorcycle fender, practiced welding, and learned about 3-D printing.

On October 22 students visited the Piedmont Airlines maintenance hanger at Harrisburg Airport. Students learned about the Pittsburgh Institute of Aeronautics Aircraft Maintenance Technician Program and Piedmont Airlines Tuition Payment Program. During this trip, students also got a chance to see all the controls inside the cockpit of an airplane.

Upcoming Career Trips

November 20 - Penn State Mont Alto's Forestry Career Connections

November 21 - Independent Electrical Contractors (IEC)
