# JMS SCHOOL GOALS FOR 2025-2026

AT JMS, **TOGETHER WE  
RISE AS  
WE REACH EVERY  
LEARNER, INSPIRE  
EXCELLENCE,  
SUPPORT GROWTH,  
AND EMPOWER  
STUDENTS AND  
TEACHERS TO ACHIEVE  
SUCCESS.**

- ✓ **Student Achievement** – **Reach** every learner by creating meaningful learning experiences, recognizing growth, and providing personalized support to ensure success. These intentional practices will drive improvement in i-Ready Diagnostics and SC READY Reading and Math scores.
  - **By the spring 2026 I-Ready diagnostic, JMS will reduce the percentage of students in grades 6–8 scoring at Tier 3 in math and reading to 35% or lower.**
- ✓ **Teacher Growth & Instructional Excellence** - **Inspire** and **support** teachers through ongoing professional learning and collaborative PLCs to strengthen instructional practices.
  - **By May 2025, JMS will increase the number of PLC sessions by 50% to enhance teacher collaboration and instructional practices.**
- ✓ **Student Leadership & Engagement** - **Empower** students to take active roles in their learning, develop leadership skills, and engage meaningfully in school life.
  - **By the end of the first nine weeks, JMS will provide at least three new student leadership opportunities to increase engagement and involvement.**
