

HCSD#3's Name Local School Wellness Policy Triennial Assessment Report

During School Year 2025-2026, Harney County School District #3 conducted a triennial assessment of the local school wellness policy.

The assessment included the following:

Evaluation of the LSWP and how it compares to model policies

The extent to which school(s) in our district are in compliance with the LSWP; and

Evaluation of the progress towards goals listed in the policy

Below is a summary of the results of the assessment.

Adopted updated health curriculum in all schools. Posters and message up in schools. Families are informed to send reusable water bottles to be used in the water bottle fillers.

We met these goals

We are still working on community and parent/student involvement.
We are working on sending home more student/parent wellness homework and materials how to assess one's eating habits

We are still working on these goals

Our policy is inline with the OSBA sample polciy

Model Policy Comparison

We can still be better at our school compliance of overall wellness.

Overall school compliance
