

APRIL / MAY 2025

Message From the Principal

Dear RHHS Families,

Welcome back from April break! It's been energizing to see our students return to school recharged and ready to take on the final stretch of the school year. As we approach the months of May and June, there's a growing sense of excitement, anticipation, and reflection throughout our school community.

This time of year is always special. As I've shared before, I encourage everyone—students, staff, and families alike—not just to count the days, but to make the days count. Every moment matters. This month's newsletter is packed with important dates and updates, so please take a few minutes to review all the information carefully. Let's continue to support one another.

Warm regards,

Mr. John Fote

Principal

What's Happening at RHHS

Math Team

The RHHS Math Team finished its regular season in March with a third-place finish in the Capital Area Math League. The students competed fiercely against over 20 towns in monthly competitions that challenged them in math topics spanning the entire high school curriculum.

Looking ahead, the season's top six performers have earned the opportunity to represent RHHS in the New England Invitational Meet in early May. These students are juniors Anvi Bose, Vedant Gosavi, Patrick Cierpisz, and Tanvee Powar; sophomore Tanisha Sahu; and freshman Rhea Ramesh. We wish them the best in their next competition!

	School	Meet #1 October	Meet #2 November	Meet #3 December	Meet #4 January	Meet #5 February	Meet #6 March	Season Total
		55.7	35.5	44.4	39.9	34.1	24.3	215.0

Rocky Hill High School Science Team Shines at the 2025 Science Bowl!

I am thrilled to announce that our Science Team made history at this year's Science Bowl, held at the University of Connecticut in Storrs. This event marked a true milestone for us—not only did we have our largest team turnout ever, but we also achieved our highest placement in the past seven years of competition!

After an intense morning of placement rounds, featuring 42 teams from across Connecticut, our dedication and teamwork propelled us to an impressive 5th seed. This achievement is a testament to the depth of knowledge and passion our students bring to the table.

Although we did not advance to Nationals, the experience was far from disappointing. The 12-hour day was filled with brain-teasing challenges, camaraderie, and moments of triumph that showcased the true competitive spirit of Rocky Hill. Our team proved that no matter the size of our town, we have the talent and drive to stand toe-to-toe with larger districts.

A huge thank-you goes out to every competitor and to our supportive community members for making this day so memorable. I look forward to next year as we continue to push boundaries, inspire one another, and reach new heights in scientific exploration and academic excellence!

Environmental Club

The Environmental Club will be hosting its second Park Cleanup on Sunday, April 27, at Elm Ridge Park from 10:00 a.m. to 12:00 p.m.

Come out and help clean up the park just in time for spring!

Earlier this month, the Environmental Club also hosted an Upcycling Event at the Cora J. Belden Library in collaboration with the teen librarian. There were many creative and impressive entries, but the top prize was awarded to a guitar made entirely out of cardboard.

Holi Spring Fling

The National Art Honor Society will be hosting the annual **HOLI SPRING FLING** event on Saturday, May 3rd from 11am to 2pm on the Auxiliary field at the high school. Come celebrate spring while you throw colored powder or get a henna tattoo and more.

Youth Art Month

Members of the National Art Honor Society recently took down the Youth Art Month exhibition at the Cora J. Belden Library, which featured artwork from each of the schools in the Rocky Hill Public Schools—on April 1st, no joke! A big thank-you goes out to the library for their continued

enthusiastic support of this wonderful showcase of student creativity within the Rocky Hill Public School system.

If you missed the artwork—or are simply interested in seeing more of what our talented students have been working on—be sure to join us at the Spring Art Show, which will be held in the gymnasium on May 20 and 21.

Trip to the Koch Institute for Integrative Cancer Research at MIT

On Friday, April 4th, members of the Anatomy and Physiology class joined the Pre-Med/HOSA club on a **field trip to the Koch Institute for Integrative Cancer Research at MIT**. The trip included a discussion and educational activity designed to illustrate the fault in our cells, exploring tumor heterogeneity and chemotherapy resistance followed by a Q&A with a cancer researcher who shared his work on the relationship between diet and cancer. A truly rewarding and educational experience for all.

Scholastic Art Awards

Each year, students in grades 7–12 across Connecticut are invited to participate in the Regional Scholastic Art Awards Competition. Schools carefully select standout artwork to submit, hoping their students will earn recognition through cash awards and scholarships.

Out of the thousands of submissions received from across the state, only a select few are honored with awards: Gold Key, Silver Key, or Honorable Mention. All Gold Key recipients automatically advance to the National Competition, which will be adjudicated in June. This year, we are proud to share that seven of our students were recognized for their outstanding achievements in the Scholastic Art Awards. Congratulations to all!

- **Gold Key:** Ceramics & Glass
 - Strawberry Lemonade by Kaitlyn Pereau: Teacher Mr. Wziontko
- **Gold Key:** Photography: **ASAP! Photography Intensive Scholarship:**
 - Split light Portrait: by Madison Raboin: Teacher Mr. Hott
- **Gold Key:** Digital Art
 - Self Portrait: by Evan Scheuritzel: Teacher Mr. Hott
- **Honorable Mention:** Ceramics & Glass
 - Rustic Fuel: by Zachary Carnelli: Teacher Mr. Wziontko
- **Honorable Mention:** Photography
 - Loki: by Alanis Cosme : Teacher Mr. Hott
- **Honorable Mention:** Drawing & Illustration
 - The Morbid Truth: by Avery Fanning: Teacher Ms. Schnyder
- **Honorable Mention:** Ceramics & Glass
 - Shrunken Head: by Samantha Lepsik: Teacher Mr. Wziontko

See the artwork here!
<https://new.express.adobe.com/webpage/fr91peSU3XLMz>

CAS Art Awards

Each year, the Connecticut High School Fine Arts Awards honor two exceptional seniors from each participating school across the state. These students are recognized for their outstanding achievements in either the visual or performing arts, with excellence in their chosen discipline being the primary selection criterion. In addition, recipients must demonstrate strong scholarship and leadership qualities.

This year, we are proud to congratulate Srisha Sarsanwar, who was honored for her accomplishments in the visual arts, and Jahnvi Keelu, who was recognized for her excellence in music.

RHHS Winter Guard

Congratulations to the Rocky Hill High School Winter Guard for finishing their season with an amazing 5th place performance at the MAC Championships in Trumbull.

13 the Musical

RHHS Drama Club put on a wonderful performance of 13 the Musical the first weekend of April. Congratulations to a great show from all who were involved.

NCWIT Women in Computing Award

Congratulations to Ashika Sharma, Tanisha Sahu, and Rhea Ramesh who were honored at the NCWIT awards on April 22 at Goodwin University for their outstanding achievements in computing technology.

The Nurse Says...

Emergency Medications- Please make sure all emergency medications and emergency health care plans are up to date in the Health Office. If you have not picked up your plan, please stop by the Health Office. **If you carry medication, it must be approved by the school nurse.** This needs to be done annually.

MEDICATIONS SHOULD NOT BE TAKEN IN THE CLASSROOM UNLESS APPROVED BY THE SCHOOL NURSE. THIS INCLUDES OVER THE COUNTER MEDICATIONS SUCH AS TYLENOL OR ADVIL. If your student needs to take medication during school, please contact the Health Office for the correct process and forms.

In School Illness-If a student becomes ill during the school day, they should report to the Health Office and be evaluated by a nurse. The nurse will then contact parents/guardians for proper dismissal from school.

Mandatory Physicals -10th graders, please be on the lookout for a notification from the nurse regarding your mandatory school physical. Students must submit a health assessment in either 9th or 10th grade per state requirements. If you are in need of one, a letter will be mailed home. Please submit it ASAP if you were notified.

Sports Physicals - Athletes, please make sure your sports physicals are up to date with the school nurse. The State of Connecticut Health Assessment [Health Assessment Record](#) record is used for the form. You are not eligible for participation if your physical has expired. Physicals can be submitted by email to garrahyr@rockyhillps.com or staggorsa@rockyhillps.com or faxed to 860-258-7646. Also, please make sure you are registered for the sport well in advance of the season starting.

Tardy due to medical/dental appointments- If your student is late due to a medical or doctors appointment please provide documentation from the provider to support this.

If you have any questions, please contact the nurse Renee Garrahy, RN or Aimee Staggors, RN at 860-258-7620.

.....

Absence Information

At Rocky Hill High School (RHHS), we believe that consistent attendance is essential to your child's success. Seat time equals learning time, and we want to make sure all students have the opportunity to engage in their education fully. To streamline our attendance reporting process, we are introducing a new method for reporting daily student absences, effective April 1st.

Moving forward, all student absences will be reported directly through PowerSchool. This change will help ensure that all attendance information is accurate and up-to-date in one centralized platform, providing both you and the school with a more efficient way to manage attendance matters. Thus, the google form absence form will not be an active method of reporting your child attendance. The google form at the high school will not be available after April 12th.

The instructions below to guide you through the process of reporting your child's absence via PowerSchool:

Steps to Report an Absence in PowerSchool: Here's the link to the public portal:

<https://rockyhill.powerschool.com/public/home.html>

1. Log into PowerSchool's Portal

If you do not have an account or need to reset your password, please follow the instructions on the login page.

2. Navigate to the Student's Attendance

Select the student whose attendance needs to be reported.

3. Locate the "Attendance Monitor" Icon

Scroll down on the left-hand side of the screen to find the "Attendance Monitor" icon and click on it.

4. Click on "Report New Attendance"

This will open the form for entering the absence details.

5. Enter the Absence Information

- Enter the dates for the absence. For a single-day absence, only enter the date in the left-hand field.
- Enter the reason for the student's absence.
- Specify if the student will be absent for the entire day or is tardy to school. (Medical appointments require documentation from physician).
- Enter a note regarding the absence. If the absence is due to illness, please refrain from entering confidential medical information. In such cases, we ask that you contact the school nurse directly.
- Click Submit.
- Verify Your Submission

Once submitted, please confirm that the attendance information has been successfully recorded.

We appreciate your understanding and cooperation as we implement this new process. If you have any questions or need assistance, please do not hesitate to reach out to the RHHS main office or the school nurse. Please be aware that attendance cannot be submitted on the PowerSchool Application at this time.

Note: Instructions attached. [Reporting Your Student's Attendance in PowerSchool.pdf](#)

Loss of Credit

Full Year(1.0)	Half Year (.5)
16 absences	8 absences

Attendance regulations for full and half year classes and credit information.

Counseling Corner

School Counseling Office

We recommend you getting to know your school counselor as they are important to your academic journey at RHHS. The counselors names and assignments are as follows. Any question please contact the school counseling department at 860-258-7724.

Students with the last names ending:

Class of 2025 - 2027, Mrs. Notarangelo A - D

Class of 2025 - 2027, Mrs. Carbutti E - K

Class of 2025 - 2027, Mrs. Bikowski L - Rf

Class of 2025 - 2027, Mrs. Russell Rg - Z

Class of 2028, Mrs. Notarangelo A - F

Class of 2028, Mrs. Carbutti G - L

School Counseling Instagram: [rhhs_schoolcounseling](#)

School Counseling Website

Graduation Requirements

Graduation takes place every year for all students that are able to satisfy all RHBOE requirements over the duration of their high school career. In order to meet graduation requirements, students will need 25 course credits and 50 hours of community service by the end of their senior year.

Important Dates and Inforamtion

- May 5 thru May 16: Advanced Placement Testing
- May 21: NGSS Testing for Juniors (more information to be provided)
- June 3: Senior Awards Night

Advanced Placement Testing

Advanced Placement testing will take place between May 5 - May 16. Please see the [schedule](#) for more information.

Class of 2025: Senior Exit Survey

All seniors need to complete the Senior Exit Survey in [Naviance](#) by June 2, 2025 to receive graduation invitations (which will be distributed once they become available). Please refer to these [instructions](#). The senior exit survey provides counselors with updates on plans after graduation (college, military, employment, technical/trade school, gap year, etc.).

.....

2025-2026 Course Selection Process

Before the last day of school, school counselors will meet individually with students to review schedules and resolve any conflicts. **Changes to schedules can not be made after the last day of school.**

.....

Juniors

During the course selection process, Juniors will receive more information about post-secondary planning such as researching and visiting colleges, starting the college essay, creating a resume, and requesting letters of recommendation from teachers and counselors. More information will be provided, but please note the following important dates:

5/21/25: NGSS Testing

.....

Community Service

As a reminder, students need 50 community service hours to meet graduation requirements. These hours can be completed starting the summer prior to entering freshman year and must be completed by senior year. Please return the [completed form](#) to Guidance as soon as possible for hours to be entered into PowerSchool. A maximum of five hours can be for helping family members.

.....

RHHS Academic and Mental Health Supports

Please refer to the [RHHS Academic and Mental Health Supports handout](#) for resources for students.

- [10 Mental Health Tips for Teens and Young Adults](#)
- [10 Tips for Talking to Your Teen About Mental Health](#)

Rocky Hill High School Athletics

Sports Information

Spring season is underway!

Spring sports have begun. Our lacrosse, baseball, softball, track and field and tennis programs are all actively engaged in their various contests. Be sure to check out their schedules on the CIAC website at <https://ciac.fpsports.org/DashboardTeamSchedule.aspx?Status=0&SchoolID=132>. Select the sport you are interested in, under the Rocky Hill banner at the top of the page.

Please come out and support our Terriers in a positive, encouraging fashion. We look forward to seeing you out there.

Parent, Athlete Reminders

1. Sports physicals are valid for 13 months. If the student's physical expires during the season, he/she will not be allowed to practice or play until an updated physical exam form is submitted to the nurse's office. Be sure to check your child's physical date.
2. First quarter grades have determined your child's initial eligibility for their winter sport and second quarter grades will determine their continuance in winter sports and their initial eligibility for spring sports. According to the CIAC, "a student can not, at any time, represent a school in interscholastic sports unless passing at least four quarter Carnegie units of work or the equivalent."

Without Officials, It's Just Practice

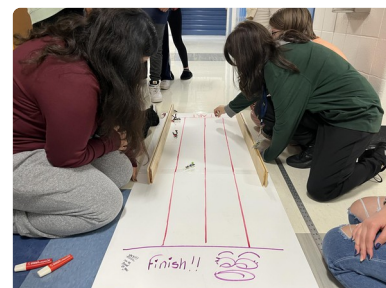

In recent years, there has been a concerning decline in the number of officials across various sports. This has resulted in limited availability of game days during the week and in some cases, less freshmen or junior varsity level contests. The shortage has become a pressing issue that threatens the future of sports. Our officials are essential. Sports officials promote fairness, ensure safety and encourage good sportsmanship. They play a crucial role in maintaining fairness, upholding rules and ensuring the integrity of the game.

Please keep in mind that officials, just like our players and coaches, are part of the game. Additionally, no one can get it right each and every time, but we can always do our best. We ask our parents, fans and student sections to support the game and make it a positive environment for everyone. Your passion is admired, your support is needed and so is your self-control. Keep in mind...**without officials, it's just practice**. #NoRefsNoPlay

.....

Clubs and Activities

RHHS is proud of the selection of clubs and extracurricular activities it has to offer students. With over 30+ clubs and activities opportunities students are able to be part of the RHHS school community through their interests, hobbies and activities. Student participation is strongly encouraged as RHHS clubs and activities remain a vital part of RHHS overall experience and meeting new friends. Students who have a strong desire to start up a new club or activity are encouraged to do

as long as they complete an application and have a staff member who is willing to supervise the club or activity.

Click [HERE](#) to see a list of clubs offered at the high school.

Class Information

Senior Prom Ticket Sales

Tickets for senior prom will be on sale from 4/28-5/2. Tickets can be purchased in room 1027 or 2056. the cost of a ticket is \$80 per person. Please see Ms. Brzozowski or Ms. Fliss with any questions.

.....

Please pay attention to the following information about class dues. All students owe **\$160 for class dues**, which are used to help defray activity expenses, such as Class Night and Senior Picnic. Since dues are applied to Senior activities, **all students, regardless of when they enter RHHS, are required to pay the full amount.** All students are afforded the opportunity to fundraise to reduce these dues to avoid any financial burdens that may occur. All money is placed in the Student

Activity Fund, and receipts are issued upon payment of dues. Receipts are required as proof of payment. Information regarding the collection of dues and each year's activities will be sent home by the class advisors during the first quarter.

Students will not be able to attend events such as Class Night and Senior Picnic if their dues are not paid for by the end of Quarter 3 in their senior year. While class dues total \$160 for senior year activities, a payment plan of \$40 per year is required. Students who are not up to date on their due payments can not participate in certain class events, such as running for a class office. Please note that dues will not be applied towards proms, and there will be additional ticket costs to cover prom expenses.

- **Class dues** are a total of \$160. To make dues more affordable, we ask that you pay \$40 each year and not wait until your Senior year to pay your dues in full. However, you are more than welcome to pay them in full at any time. Cash or checks can be given to your homeroom teachers or directly to one of your advisors. Please make checks payable to **RHHS SAF (your student's graduation year)**. You may also pay online via My Payment Plus.
- Remember, to help offset class expenses, you may choose to participate in one or more of the two school-wide fundraisers held each year. The more we sell as a whole school, the more individual profit you make.

More information on fundraisers will be coming out soon.

Class Google Classroom Codes:

Seniors: 5kqlhdj

Juniors: 5hlyeee

Sophomores: cgyzyj7

Freshman: jf3ez3j

Tutoring Services

RHHS Writing Center

Rocky Hill High School's peer-led Writing Center is now open! The Writing Center is staffed by 37 Writing Collaborators. The Writing Center is located in the library mezzanine and is open every day, periods 2-9. Students can access the Writing Center Appointment Request Form via their English Google Classrooms to book appointments.

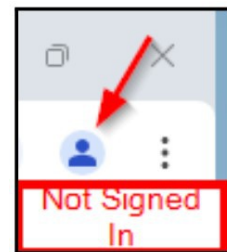

RHHS Peer Tutoring Lab

Rocky Hill High School's Peer Tutoring Lab is now open! The Peer Tutoring Lab is staffed by 48 National Honor Society members. The Peer Tutoring Lab is located in the library mezzanine and is open every day, periods 2-9. Students can access the Peer Tutoring Lab Appointment Request Form via their Google Classrooms to book appointments.

New in the Library

****Important Technology Information****

This is a reminder that any time a student signs into their Rocky Hill school account using their district issued email address, our filtering software, GoGuardian, begins monitoring computer use. Thus, if students are logging in at home on a personal device, it is imperative that when they are finished, they **log out of their account**. Please see below for where to look to make sure that students have logged out. If they do not log out of their account, the monitoring and filtering will continue on personal devices and Rocky Hill Public Schools does not want to be monitoring personal devices. If you have any questions, please reach out to Danielle Galligan, District Instructional Technology Facilitator, at galligand@rockyhillps.com, or Chris Guay, Technology Director, at guayc@rockyhillps.com.

**Borrow eBOOKS or
AUDIOBOOKS on
ANY device!**

Destiny Discover

Sora

Students can read eBooks or listen to audiobooks on either their Chromebooks or download the Destiny and/or Sora apps to their personal devices, i.e. phones.

Destiny has eBooks and Sora has both eBooks and audiobooks.

Log in with Google and use the Filters to view only the types of online resources you are looking for!

Please stop by the Library, if you need help or book ideas!

Log out of your school Google account if you are on a personal device!!
(Note: You don't have to sign out of these two apps.)

Terrier Talk

PAC Information

Meetings are scheduled for the second Monday of each month virtually. Parents will be able to sign up for virtual meetings by emailing Mr. Fote. The purpose of the **RHHS PAC** is to create and maintain a strong school to family/community partnership. Please email any questions regarding PAC to fotej@rockyhillps.com.

Google meet information. All virtual meetings start at 6:00PM.

.....

RHHS Vision of the Graduate

Rocky Hill High School's promise is to deliver the very best education that prepares students to achieve their own individual excellence. Within an emotionally safe environment, educators will foster students' academic, social and personal growth. We believe Rocky Hill graduates are:

- Leaders
- Life Long Learners
- Communicators
- Civic minded citizens
- Thinkers

During the school year, teachers will be incorporating the Vision of the Graduate attributes in the courses they teach.

PowerSchool

PowerSchool is an important method of communication at RHHS and it allows parents/guardians access to real time information regarding their child. For first-time users, you will need to create an account. For returning users, school administration recommends viewing and updating household information, contact information and cellphone/text options. Detailed instructions can be accessed on the district website, [Powerschool Information](#).
