Central Arizona Junior High School Athletic League and Families,

In order to reduce the spread of illness, maintain a healthy environment, provide a safe opportunity for student athletes to enjoy their athletic season, and maintain healthy school operations the following protocols and procedures will be followed at all home basketball games at Mountain Vista K-8 School:

1. At this time, **we are not limiting the number of spectators** in the Mountain Vista K-8 School Gym. We will continue to monitor the presence of COVID-19 in our community and should we need to limit the number of spectators in attendance at home basketball games, we will notify our visiting team and families of our student athletes with at least 24 hours' notice.
2. All spectators five years of age and older will be **required to wear a face mask** while in the Mountain Vista K-8 School Gym. Exceptions will be made for those who are actively drinking or eating. Once a person is no longer actively drinking or eating they will be expected to return their face mask to its proper fitting. Face masks will be available at the ticket table when spectators enter the school gym.
3. All spectators will be expected to support their team from **designated areas** including the bleachers, concessions table, restrooms, and tables for eating. Spectators will not be welcome in the team seating areas, locker rooms, home or visitor bench, or the basketball court.
4. Student athletes will not be required to wear a face mask while participating in practice or games. If a visiting team requires student athletes to wear a face mask during practice or a game, the visiting team's mandate will be honored by our student athletes, coaches, and school community.
5. To the best of our ability, we will practice **social distancing** while in the bleachers, in the restrooms, and while in line for concessions. We encourage household family members to sit together in a "seating pod" approximately 6 feet from other household seating pods.
6. A **concessions table** will be available during each home game. Pre-packaged items will be available for purchase as well as some homemade items (for example, burritos and/or nachos). Volunteers at the concessions table will wear face masks, gloves, and will not volunteer if they do not feel well.
7. If you or anyone in your household is sick with cold, flu, or COVID-19 symptoms, **PLEASE STAY HOME.**
8. **Spectators not adhering to our expectations listed above will be subject to removal from the game and the Mountain Vista K-8 School campus.**

Thank you for your cooperation and support of student athletics in our community.
