Lazunia Frierson Named Assistant Superintendent of District and School Effectiveness

HOUSTON COUNTY, GA – Lazunia Frierson was named Assistant Superintendent of District and School Effectiveness during the Houston County Board of Education meeting held October 5, 2021.

Frierson is a native of Houston County and a proud graduate of Northside High School. She returned to her alma mater to teach English and coach ninth grade and JV cheerleading. After teaching at Northside, she became an assistant principal at Lindsey Elementary School and later was named principal of Linwood Elementary School. In 2013, Frierson was hired as the Executive Director of Elementary Operations, where she served for six years before being named the Executive Director of Teaching and Learning, a position that she has held for the last two years.

“I love working for the Houston County School District because it allows me to serve a school district that gave me so many great memories during my education as a student,” said Frierson. “I am passionate about working alongside our incredible school leaders and teachers to help our students excel at the highest levels of academic success. Our school district continues to be phenomenal because of the awesome people in the organization, the great leadership of our superintendent and Board members, and the positive contributions of students and community members. I feel so fortunate to continue to serve as a leader in a place that I am happy to call my home.”

Frierson graduated with a Bachelor of Science in Secondary Education in English from Valdosta State University. She earned a Master of Education and an Education Specialist in Administration and Supervision from Georgia College and State University. She is currently working on a doctorate degree in educational leadership from Valdosta State University.
