Spotlight on Kindergarten

Kindergarten Shows Good Character

During the week of Respect, the Kindergarten classes celebrated with thematic stories emphasizing manners, friendships, feelings, conflict resolutions, and following rules. The students role played different scenarios for conflict resolution. They listened to the story, The Rainbow Fish by Marcus Pfister. They created a Rainbow Fish of their own. They used all the beautiful colors of the rainbow, signifying how all the colors of the rainbow together make a beautiful community of learners. The story also emphasized friendship and how friendship is like a rainbow...A rainbow shines for everyone!

Dear CRS and LLE Families,

The fall weather has finally arrived! Over these past few weeks we have seen the students transition very well into a new school year. This is something that we are very proud of as our students are extremely hard working.

- Shoes such as flip-flops, crocs or other open toed shoes

LLE Dismissal: After dismissal students are not permitted to be playing on the playground or gaga ball pit unattended without a parent. I ask that parents please speak to their children about this.
