

2023-2024 Webster County Schools Nondiscrimination Notification

The Webster County School District offers career and technical education programs at Webster County High School. These programs are designed to prepare youth for a broad range of employment and further education and are offered under the guidance of certified teachers. The following programs are offered this year:

Cluster: Business, Management, and Administration
Pathway: Business and Technology

Cluster: Information Technology
Pathway: Programming

Cluster: Agriculture, Food, Natural Resources
Pathway: Agriculture Leadership in Horticulture

All career and technical education programs follow the system's policies of nondiscrimination on the basis of race, color, religion, national origin, sex, age, and disability in all programs, services, activities, and employment. In addition, arrangements can be made to ensure that the lack of English language proficiency is not a barrier to admission or participation.
