Baby its cold outside...

*From administrators:*

*Recently we have experienced colder weather than all of us are accustomed to in Lake Havasu, which makes us appreciate the warmer weather, and many of us cannot wait until it warms up. The cooler weather looks to be with us for a while, and we have seen an increase in wearing non-school-approved jackets and sweatshirts. The more students we have wearing non-school approved attire, makes our security guards and staffs jobs more difficult to identify who doesn't belong on campus. Please ensure that your student is wearing school-approved jackets or sweatshirts, as this serves as a big part of our school safety. Hats, beanies, and all other head covering is not allowed on campus for the same reason previously mentioned above. We have also seen an increase in individuals choosing to wear facemasks. Though wearing facemasks is their choice, the facemask must be of solid color and should not have any writing on them of any kind. Along with your support and working together on the things mentioned above will make our campus a safer place for all of our students and staff.*

## Career Center News

FEB 2022

### Seniors! 2022 is here!

Keep applying for scholarships. Finish your FAFSA. If you have been accepted to a college, university, tech school or military, stop by the career center so we can snap your photo. Be a part of the #lhsbeenaccepted wall and be featured on FB.

**Juniors**— Keep your grades up! Take the ACT/SAT. Juniors can now apply for the Horatio Alger Scholarship!

<https://scholars.horatioalger.org/scholarships/>

**Sophomores**— If you haven't explored campus clubs yet, do it. Make a goal to attend a couple different club meetings and get involved. Explore community service opportunities.

**Freshman**— Keep you grades up! If you need help with a subject, ask for help. Stop by the Career Center and learn about the Peer to Peer tutoring program.

Opportunity awaits motivated Sophomores, Juniors and Seniors to earn college credits or a certificate at MCC in the following programs-EMT, Administration of Justice, Heating, Ventilation and Air Conditioning, Certified Nursing Assistant, Phlebotomy, Medical classes, Computer Information Systems, Welding, and Visual Communications. Classes are FREE and sponsored by WAVE/JTED. For more information, stop by the career center.

# COUNSELORS' CORNER

School Counseling Update – *January/February 2022*

## Registrar's Report

Second Semester is upon us!

We returned to LHHS on January 3rd, 2022 with a chance to start anew with academics and behavior. For some students, it may also mean new classes or teachers. 2<sup>nd</sup> semester schedules may be viewed in Student VUE or ParentVUE. Click on Class Schedule under the home tab and then Semester 2 in the far right hand corner of the screen. The Counseling Office will no longer distribute paper schedules to all students, but students are welcome to come to the concourse to view their schedule. You may also take a screenshot of the schedule for your reference.

Please make sure your student is attending school each day, completing and turning in all homework, and studying for any tests or quizzes. Please double check that you are able to log onto Synergy. If you do not have internet access at home, we offer it in the Library or at the District Office. Please call the Counseling Office if you need help setting up your Synergy parent account or need access codes.

## 1<sup>ST</sup> SEMESTER REPORT CARDS

Report cards have been dispersed to students in class for them to take home. Final grades can also be viewed in ParentVUE under Semester 1 in the Grade Book tab. If fees are still pending for 1<sup>st</sup> semester, your child will be issued a fee notice instead of a report card. Fees can be paid at the Bookstore or online. Once fees are paid, a report card can be collected from the Counseling Office. Payment for 2<sup>nd</sup> semester fee-based classes must be made after you return from Winter Break. Second semester fees cannot be paid prior to January 3rd, 2022.

## COUNSELING OFFICE ACTIVITIES

Tuesday, February 23 – March 29: Pre-registration for 2022-2023 school year (Grades 9 – 11, starting with Grade 11)

February 21st: President's Day (NO SCHOOL)

March 14 – 18: Spring Break (NO SCHOOL)

Tuesday, April 5: ACT test given to all Juniors @ LHHS (Juniors should study for this NOW!)

## §MONEY§ FOR POSTSECONDARY EDUCATION

Seniors and Parents: If you have not already completed the application for FAFSA, please do this ASAP! The distribution of money is on a first come/first serve basis; thus, it is quite important to complete (even if your senior is still unsure if attending a postsecondary institute). Please go to <https://fafsa.gov/> and click on “Start a New FAFSA.” Make sure that you select the 2022-2023 year. If you need assistance, Career Center Counselor, Kaymee Kelly (KKelly@lhusd.org), can assist along with your student’s alpha assigned counselor.

File your FAFSA before the priority filing date to maximize the amount of financial aid (specifically limited grant funding) you receive:

January 15, 2022: Arizona State University (ASU)

February 1, 2022: Northern Arizona University (NAU)

March 1, 2022: University of Arizona (UofA)

April 15, 2022: Mohave Community College (MCC)

## SPEAKING OF POSTSECONDARY EDUCATION...THIS IS FOR EVERYONE!

*Major Clarity tip: Postsecondary Exploration is a wonderful opportunity to research postsecondary schools (two year and four year) across the nation.*

Login into Major Clarity (<https://majorclarity.com/>). Student login is the same as their Havasuonline e-mail account.

Once logged on, go to Postsecondary Exploration (tab), and begin your search.

Be sure to add filters to narrow down results, such as type of institution or program, state, maximum tuition, athletics programs and more.

## COURSE PRE-REGISTRATION 2022-2023

In February, students will meet with their counselors to select classes for the 2022-2023 school year. The updated Course Description Guide (CDG) will be available online and in hard copy by mid February. Students may review hard copies of the CDG in the Counseling Office, Career Center, or Library. It is important that students review course descriptions, pre-requisite information, and make careful decisions about their classes. During pre-registration, students will be given copies of their transcripts and graduation status reports. Please ask your student about this important information regarding their credits and course selections based on their four-year plan.

Also, review the courses your student has chosen and discuss if the courses are a best “fit.” Please discuss any concerns about classes with your student’s counselor. Please call 928-854-5327 to schedule an appointment or visit the counseling website (<https://lhhs.lhusd.org/counselingoffice>).

## DUAL ENROLLMENT (DE) CLASSES FOR JUNIORS AND SENIORS, 2022-2023

For non-Math DE classes (History, English, Health, Business, Art):

Second semester of Sophomore English (English 4) grade must be B or higher (last semester grade-must be at least sophomore level) OR

ACT Score (Reading  $\geq 21$ ; Writing  $\geq 21$ ) OR

For Math DE classes: [MAT 142 (College Math) or MAT 151 (College Algebra)]

All high school Math classes GPA: 3.0 AND also completed ALG 3-4 with an average of B or better OR

ACT Score (Math  $\geq 22$ ) OR

SAT Score (Math  $\geq 530$ )= MAT 142; SAT Score (Math  $\geq 550$ )= MAT 151

## LHHS SUMMER SCHOOL

Summer School registration forms will be available in the Counseling Office after Spring Break, late March. More information to follow.

### ECAP LESSONS FOR 9TH AND 10TH GRADERS

In January and February, counselors will meet with all 9th and 10th graders to review their ECAP (Education Career Action Plan). Students may access their ECAP portfolio and activities through the web-based Major Clarity website. The website (<https://majorclarity.com/>) is available for all students and will continue to be used throughout their high school career. All students are encouraged to review and use the tools available to them on a regular basis. Below is a brief overview of what the 9th and 10th graders will complete in their ECAP with counselor assistance. We encourage students to use their account regularly so that they can enhance their high school college and career readiness, as we are not able to cover every activity (in Major Clarity) throughout the four years of high school.

Grade	Activity
9th	<ul style="list-style-type: none"><li>* Start a 4-year course planner (ALL courses from 2020-21 and then a minimum of 5 classes for sophomore year)</li><li>* Choose an academic/career pathway of interest</li><li>* Review LHHS graduation requirements and individual transcripts</li><li>* Review how to calculate GPA and college readiness GPA</li></ul>

Grade	Activity
10th	<ul style="list-style-type: none"><li>* Start a 4-year course planner (ALL courses from 2019-2022 and then a minimum of 5 classes for Junior year)</li><li>* Complete a Personality Assessment to obtain a FIT Score for recommended career pathways</li><li>* Review LHHS graduation requirements and individual transcripts</li><li>* Review how to calculate GPA and college readiness GPA</li></ul>

You can find more information about ECAP and Major Clarity on the Arizona Department of Education website (<http://www.azed.gov/ecap/>). On the ADE website you can download the “ECAP at a Glance” in [English](#) or [Spanish](#). Copies of this handout will be available on our website as well as for pickup in the Counseling Office.

Parents: We encourage you to have a conversation with your student about ECAP and Major Clarity. Future planning is critical to ensure that students meet graduation requirements, have knowledge about programs of study and are able to pursue their post-secondary goals. Your involvement is extremely important!
