

## Nurse's Office

---

***Welcome Back to School from Nurse Patti***

***2023 -2024***

***I hope each of you had a wonderful summer break. I am looking forward to the new school year 2023-2024. On the Nurse's Corner on the school website you will find forms and information for you.***

***Just a few things I need to touch on before school. All vaccine records must be up to date to attend school, this is a Georgia law. There are some changes in the over the counter medication procedures, please be sure to review it. I will also need a Health Information/Over the Counter Medication form for each scholar. If this is not completed and signed, I will not be able to give any of the over the counter medication on list. I will not be able to call and get verbal consent from you.***

***If your scholar takes medication at school please bring to Open House, and we will be able to complete forms at that time. I look forward to seeing you at Open House. I will be available for any questions.***

***Thank you,***
