Happy February!!!

This month marks the time when we begin planning for next school year!!! Our students currently in 8th-11th grade will select their courses for next year! Please be sure to review the Counseling Website (<https://sites.google.com/shipk12.org/sashscorner/home?pli=1>) and the Scheduling SMORE (<https://www.smore.com/hgrbm>) to know what courses your child should select for next year. We build the schedule for next year based on the students' requests so it is important to have the students select what are the best courses for them!!

February is our #BeKind month. The social worker, social work interns and students participate in events during all lunches each Wednesday in February. The events including writing a tribute to someone who has been kind to you, kindness rocks and many other fun things. The students and staff are encouraged to wear #BeKind gear and available during lunches are #BeKind bracelets for \$1. Students and staff are encouraged to do at least one kind thing each day.

Congratulations to the following FFA Members on their achievements at the 2023 Farm Show!

Demonstration Team: A public speaking event that teams demonstrate an agriculture skill to an audience at farm show on the Lancaster

Farming Stage. This is the first time in history (or at least the last 20 years!) that our FFA Chapter has had a demonstration team compete.

Rory Jones & Jenna Kirby placed 7th out of 21 teams for their demonstration on how to groom a horse.

FFA Jacket Scholarship: The PA FFA Alumni Association selects first year FFA members to receive a jacket based on their application and aspirations within the FFA, this year well over 700 FFA members filled out the application and 391 jackets were awarded. Because of the generosity of the Shippensburg FFA Alumni & Supporters we were able to award 5 more jackets!

PA FFA Alumni Jacket Recipients: Shannon Moyer, Kaylie Shope, Rory Jones, Jeremiah Haycock

Shippensburg FFA Alumni Jacket Recipients: Anelise Musser, Zachary Weaver, Jessica Goshorn, Abby Wise, and Makenzie Parson

Keystone Degree: FFA members can apply for this award after 3 years of membership if they have had significant progress in their Supervised Agriculture Experiences outside of school, multiple FFA Activities, and demonstrated several qualities of leadership. This is the highest degree the State Association can award an FFA member.

2023 Recipients: Madelyn Musser, Ryleigh Minor, and Brianna Foor

We hope for more exciting news to announce in the spring as these members continue their hard work!
