TK and Kindergarten

Mrs. Tinnin

Kindergarten learned about the letters 'c', 'o', and 'g'. Students are starting to sound out simple CVC words with the sounds we have learned so far this year. Each child has their own set of cards with the letters. As we learn a new letter, they get a new card. They are also learning ASL for each letter and a chant to help them remember the sound. Everyday kindergarten has Listen and Learn activities. They just finished Nursery Rhymes and Fables and started learning about the five senses.

Kindergarten is finishing up the third chapter in math learning about the numbers 6 through 9. They will learn a rhyme to help them remember how to write each number. They should know the rhymes 0-7 already. Part of this chapter is finding number pairs for the number we are learning so students understand how numbers are related.

TK is learning about their five senses as a part of the All About Me unit. They are learning about the numbers 1 through 5 by doing different hands-on activities.

First and Second Grade Explorers

Mrs. Mittge

Conference scheduling sheets will go home with students on Monday, 10/23/23. Please return these as soon as possible so your conference time can be reserved.

I am seeing huge gains from the students who are practicing their weekly reading fluency and who are reading aloud for 20 minutes each night. Please practice addition and subtraction facts at home if you have time. Thank you for all of your support!

We commemorated fire prevention week with ELA studies on firefighters and firefighting in the morning. In the afternoon we had a fun, informative visit from the fire department and the smokehouse! We are so thankful to have such a supportive community!

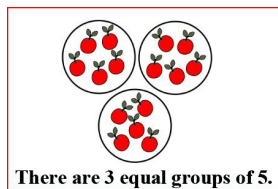

Third and Fourth Grade Classroom

Mrs. Mars

Students have been practicing their water tests that they will conduct at Winolequa Park on October 25th in the morning before the pumpkin patch. Students learned how to run all the tests as well as why we test for each thing and what the optimal levels are for Salmon.

In math both grades are now working on multiplication. 4th graders are working on multiplying things by one and two digit numbers. 3rd graders are still being introduced to the idea of multiplication and how it relates to repeated addition.

We have been talking a lot in class about starting a book and reading it all the way to the end. I will be meeting with students each time they finish and test on a book to select their next book. Reading one book at a time helps students with their comprehension of the story. Please help your child to make sure to finish one book before beginning the next.

Fifth and Sixth Grade Classroom

Mr. Burlingame

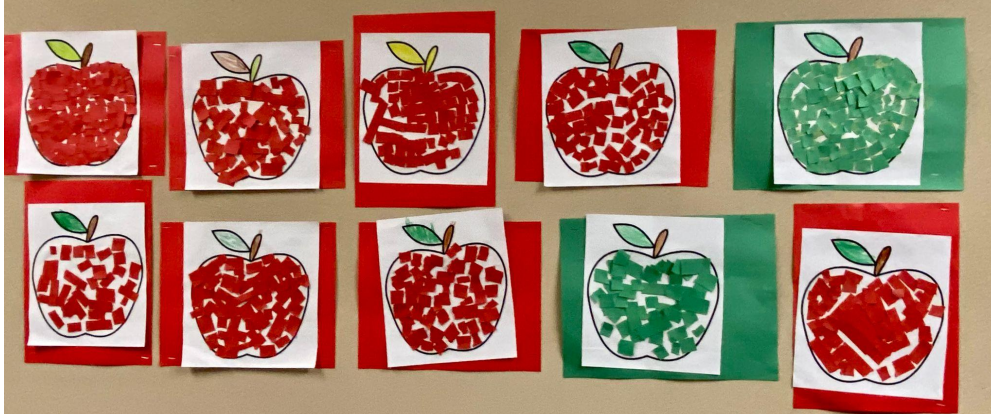

Next Wednesday we are going to the Pumpkin Patch! Please make sure that your student has appropriate outdoor clothing including a warm coat and boots.

We will be wrapping up our ELA unit on Native American cultures and experiences soon and starting our unit on Shakespeare's A Midsummer Night's Dream. Students will also be beginning their work on the annual Christmas Play very soon. When they do, please help them memorize their lines to help them get ready!

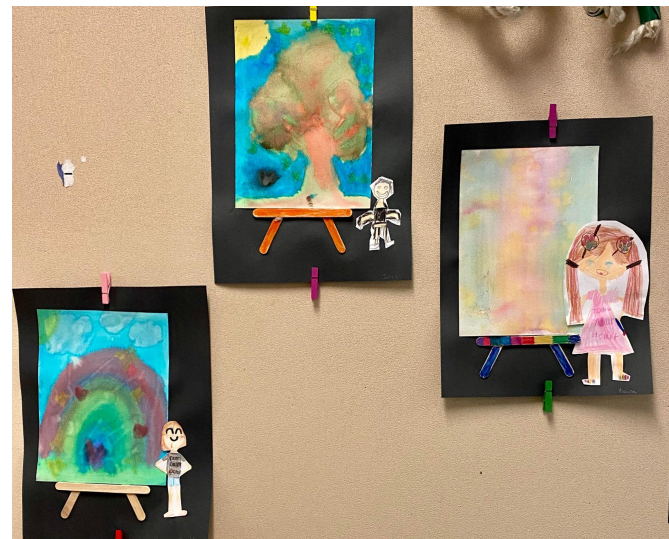

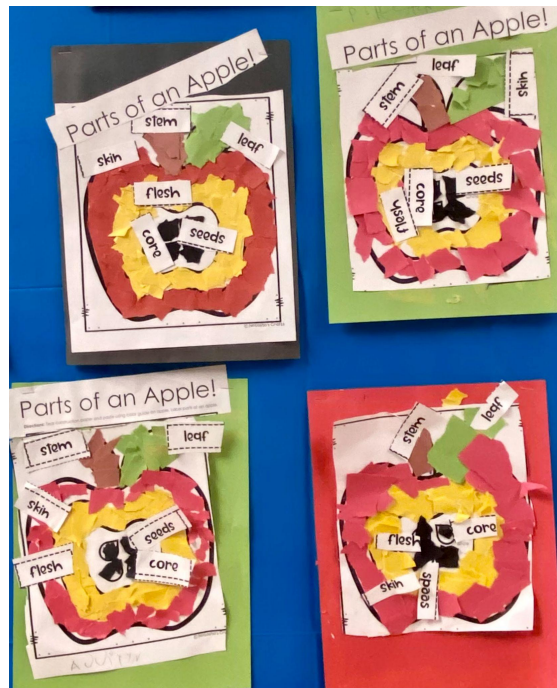

Included in this newsletter envelope is a conference sign up for preferred times. We are having our fall conferences from Monday, October 30th through Thursday Nov 2nd. Please write your preferred time on this sheet and send it back to me with your student. I will do everything I can to accommodate your preferences. Once conferences are scheduled I will notify you of your time.

Special Education-Title1/LAP- Social Emotional Learning (SEL): Mrs. Duren

Evaline students are busy learning not just reading, writing, and math, but they are learning many other skills as well. An example of this is seen in some of our fine examples of student art being displayed in our main hallway this fall thus far. We also have been learning about being Responsible in SEL class, as Responsibility is our focus character trait for the month for October. We have identified that Responsibility connects well with other character traits such as Respect (September's focus character trait), and is more than just following directions, but it is also about having healthy communication, setting healthy goals, being organized, being focused, being actively involved, and having flexible thinking... just to name a few added descriptors. Our staff are really enjoying seeing and supporting our students to grow as students of character. Happy Fall, and Good Job Everyone!

CANDY FOR THE FALL FESTIVAL PARTY

The Booster Club is asking each family to donate one bag of individually wrapped candies or a bag of small prizes for the party on October 31st. **It can be dropped off in the office.** Please have the candy at the school no later than **Thursday, October 26th.**

For questions please contact: evalineboosterclub@gmail.com

FALL FESTIVAL PARTY

The Booster Club will put on a Fall Festival party on Tuesday, October 31st during school hours. Students are encouraged to dress up. All students will have an opportunity to play carnival games and do a craft. There will also be a costume contest and a pumpkin carving/decorating contest. The party will begin shortly after 8:30. Pre-school students and parents are encouraged to dress up and join us. School will dismiss at 11:30.

Costumes

Please make sure costumes are in good taste: **No blood, knives/weapons, or scary masks.. etc.** Prizes will be awarded to preschoolers and students in each grade for the best costume.

Pumpkin Carving Contest

All students can work with or without a parent/guardian's help to create a masterpiece. Due to limited space and number of pumpkins, we will be doing the pumpkin judging in the bus garage. **You can take your pumpkin(s) directly to the bus garage before school on Monday Oct. 31st. Please DO NOT send pumpkins on the BUS.**

Prizes will be awarded in the following pumpkin categories:

1. Funniest
2. Scariest
3. Cutest
4. Best Non-Carved
5. Open Class - Dream up one you think would be a prize winner.
6. Best Student Solo (no parent help)
7. Sweetest
8. Most Clever

Please don't carve or decorate pumpkins in poor taste: Blood, knives, etc will be disqualified. The judges will decide the category in which each pumpkin will be judged. This can be a family project. Students can have mom, dad, sister, brother, etc. help carve and decorate your pumpkin. (Except for the Best Student Solo Pumpkin) If your beautiful pumpkin needs a candle to show the full effect, put the candle inside the pumpkin and the judges will light it. Please take pumpkins home at the end of the party. Any pumpkins left after the party will be thrown out.
