- PE Hazeltine/ Music Renfrow

ELA

****Student will identify and decode words using the six syllable types in multi-syllable words.**

****Students will identify the main purpose of a text and describe how reasons support specific points the author makes in a text.**

Math

****Solving word problems up to \$100 using the least amount of coins and bills.**

****Subtract numbers and solve word problems within 1000 with and without regrouping.**

****Divide circles and rectangles into fractions, compare two fraction visual models using symbols, and justify using the correct vocabulary.**

How do you mend a broken Jack-o-Lantern?

With a pumpkin patch!

We had such a beautiful day at the Spring Valley Tree Farm. We are so grateful to the staff for putting on such a fun outing for us. Thank you to the parents that attended as well!

Students will use their pumpkins on Halloween for pumpkin math day and then bring them home.

“I’d say the first thing you need is... a pumpkin.” -Fairy Godmother (Cinderella)

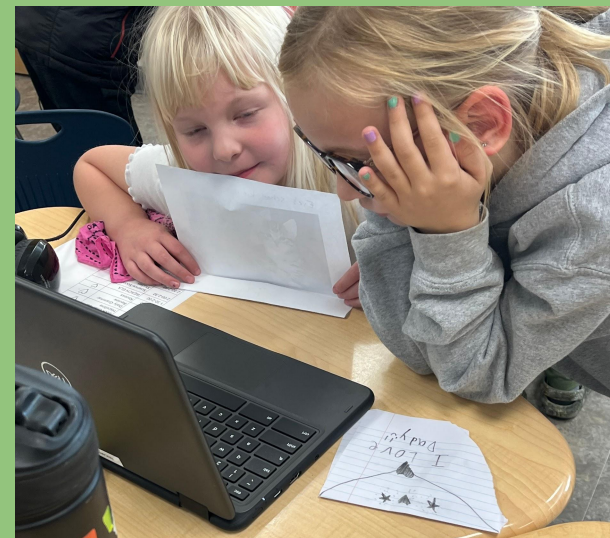

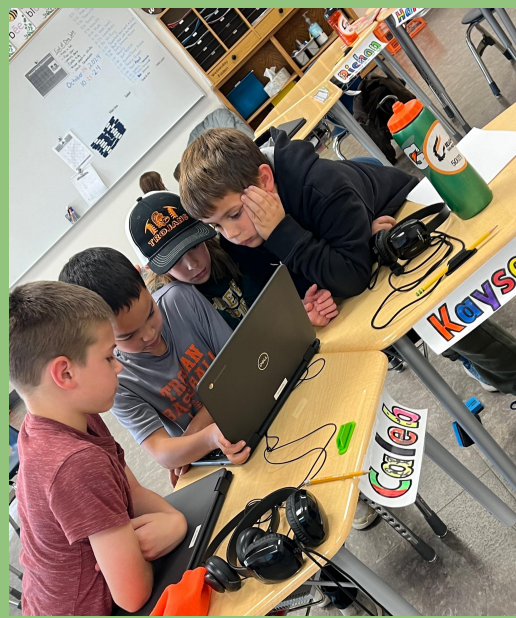

CLASS ACTIVITIES

Thank you to Dr. Ryan Long, wildlife scientist for his amazing presentation. They students were so engaged!

Ms. Hazeltine's Class working on their math skills on Boddle Learning.

Mrs. Renfrow's class chose doing research as their class reward!
